TO CITY CLERK FOR PLACEMENT ON NEXT
REGULAR COUNCIL AGENDA TO BE POSTED #51

MOTION

DEC 08 2010

IMOVE that the City Council, subject to the approval of the Mayor:

1. Authorize and instruct the Department of Public Works, Bureau of Engineering, to conduct the necessary hazard removal work, on damages caused by the 2010 storms, located at Sunset Boulevard near Coronado Terrace in Council District 13 including, but not limited to, the following storm related work: removal of tree stump at top of face of the cut slope, scale loose jointed bedrock from face of the cut using specialized equipment, and remove pile of debris and clean area free of dirt and dust;
2. Authorize the Controller to transfer/appropriate \$37,000 within the Special Gas Tax Street Improvement Fund No. 206/50 from Emergency Repairs, Account No. G202 (storm damage related work) to a new account entitled, Sunset Boulevard Emergency Repairs, Account XXX; and,
3. Authorize the City Administrative Officer to make technical corrections as necessary to implement the intentions set forth above.
