These receipts, as well as HOME, HOPWA and ESG balances, should be provided to the CAO and CLA upon request and should include comments on any unexpended balances.

21. REQUEST the Mayor to submit to the Council by April 1, 2011 the budget for the Summer Night Lights Program that provides a breakdown of all revenues (including all public and private funding sources and in-kind contributions secured to date or anticipated) by line item and all line item expenditures.
22. INSTRUCT the CDD to spend a minimum of \$2.5 million dollars in resources in the Economic Development Program Delivery. These funds must be used to pay for CDD staff assigned to economic development program delivery and may not be transferred to another program/project without Council approval.
23. FUND the Port Tech Business Incubator, subject to the CLA and CAO convening a meeting with the Mayor, Council District 15, CDD, CRA, Port Tech and any other affected parties regarding the feasibility of the City purchasing or acquiring a building that could be leased to Port Tech LA for a de minimis amount with covenants requiring the repayment of the purchase price of the building in incubator services and job creation within a specified time period.

30. AMEND Attachment A-1, Line Item No. 58, Column F2 to read \$336,238 instead of \$168,119.
31. REPLACE Attachment A with Attachment A-1.
32. DELETE Attachment C.
33. REPLACE Attachment H with Attachment H-1.
34. REPLACE Attachment I with Attachment I-1.
35. ADD Attachment K – SNL 2011 32 Total Sites.

Fiscal Impact Statement: The CLA and CAO report that there is a General Fund impact. The recommendations within the joint report address the 37th Program Year Consolidated Plan for 2011-12, which is comprised of total funds of approximately \$89.9 million from the federal Community Development Block Grant, \$50.6 million from HOME Investment Partnerships, \$12.6 million from Housing Opportunities for Persons with AIDS, and a \$3.2 million Emergency Shelter Grant. All recommendations are subject to the final award of grant funds by the U.S. Department of Housing and Urban Development.

Assuming that Phase One (April 1 - September 30, 2011) entitlement projections are continued during the 37th PY through Phase Two (October 1, 2011 through June 30, 2012), the 37th PY CDBG would provide approximately \$33 million to support filled positions (direct salaries: \$24.3 million, related cost reimbursement: \$8.7 million). The General Fund would contribute approximately \$2.8 million for CDBG-funded related costs. This is a reduced level of General Fund participation from the 36th PY by approximately \$500,000, due primarily to a reduced salary base and lower related costs associated with CAP 32. The reduced salary base and lower related costs impact General Fund revenue receipts which are projected to be approximately \$2.5 million less than in the 36th PY.

The other three 37th PY Con Plan entitlement grants, HOME Investment Partnership Program, Housing Opportunities for Persons with AIDS and the Emergency Shelter Grant provide approximately \$4.8 million to support filled positions (direct salaries: \$3.7 million, related cost reimbursement: \$1.1 million) for the year, providing full related cost reimbursement based on CAP 32.

The Proposed 37th PY Con Plan, inclusive of the four 37th PY Con Plan entitlement grants (CDBG, HOME, HOPWA and ESG), would provide approximately \$37.8 million (direct salaries: \$28.0 million, related cost reimbursement: \$9.8 million). The combined reduced salary base and lower related costs impact General Fund revenue receipts which are projected to be approximately \$2.7 million less than in the 36th PY.

It is a policy decision as to how and at what level the City will participate with City resources, specifically the General Fund, in funding the CDBG grant program activities. Further attempts to decrease the General Fund participation are likely to result in reduction of staff performing program delivery or cuts to programs themselves. In light of the City's fiscal constraints, efforts will continue to reduce the gap between General Fund participation and CDBG related cost reimbursement.

Community Impact Statement: None submitted.

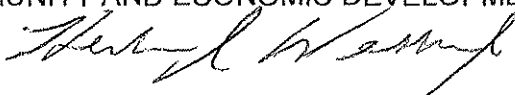

Budget and Finance Committee waived consideration of the above matter.

SUMMARY

At a special meeting held on March 8, 2011, the Housing, Community and Economic Development Committee considered the 2011-12 (37th Program Year) Housing and Community Development Consolidated Plan (Fourth Year Action Plan). Representatives from the CAO, CLA, and CDD gave the Committee background information on the matter. After an opportunity for public comment was held, the Committee approved the amended recommendations contained in the joint CLA and CAO report dated March 1, 2011. Councilmember Perry voted no. The Committee then recommended the Council approve the recommendations contained in the joint CLA and CAO report as amended. This matter is now forwarded to the Council for its consideration.
