Dear Sirs:

Am responding to notice of proposed increases in the city's sewer service charge (SSC) sent to me by the Sanitation department via the November 2011 form 11/11.

In my opinion the IADWP and its various department ^{chiefs} have put a strangle hold on the home owner; and I foresee harder times ahead for the home owner or renter if this upper spiral of utilities cost is not halted or reversed.

Your 11/11 bulletin page 3 figure 1: (cites) 2011 Typical monthly local cities and states 9 CA cities in order of monetary charge. Los Angeles is listed at \$ 29.88 or at the bottom 3rd
