RE: Proposed Sewer Service Charge

Dear Sir or Madam;

I protest the proposed rate increase for the sewer service charge for the City of Los Angeles.

In these economic times it is appalling the City of Los Angeles would even consider seeking additional rate increases. It is long over due for city leaders to manage the money already provided through taxes and current rates, cut frivolous spending, and live within your means.

Please consider the hard times residents are facing right now, and come to the proper conclusion and reject these rate increases. Again I protest these rate increases.

Sincerely,

David Swanson
