Subject: Protest the proposed sewer service charges increase

Dear Sir or Madam,

I have reviewed the notice "Proposed sewer service charges increase" by reading the notice in detail, I find it incomprehensive that after the extensive sewer rate increases implemented by the City for the past years, the city officials are asking the sewer ratepayers to again bail-out the ineffective and generally poor decisions the City has made concerning sewer operations.

As a residential domestic sewer rate payer and as a property owner in the community I protest the proposed sewer rate charges increase which will be discussed by the City Council of the City of Los Angeles at the public hearing scheduled to be held on January 27, 2012

Sincerely,

Heros Paul Khudabakhshyan
