RECEIVED
CITY CLERK'S OFFICE

My name is Joseph Fisch. I live at 1954 Linda Flora Drive, Los Angeles, CA 90077. No, I don't have my Parcel Number handy. I protest, in the strongest possible terms, the proposed rate changes. Are you trying to make my family leave the city? Is that your goal? At a time of economic distress, you are making the preposterous proposal to take more money from our pockets. Do you want everyone in the city to be forced to apply for Public Assistance? Will that help the city budget? Get real.

I can't afford this rate hike and I don't know anyone who can. My family has cut our electricity and water usage by a significant amount over the past year, to compensate for the city's unending rate hikes. What more do you want from us?

I don't want to hear that you need the money. Take it out of some bloated city program. If you go ahead with this, we will leave this city. So will millions of others. Don't push us. You will have no one left to bill.

Oh, a message to my Council representatives: Vote for this and I will do everything humanly in my power to defeat you in the next election. I'll say it once more. Get real.

Thank you.

Respectfully,

Joe Fisch
Los Angeles, CA
