

MOTION

I MOVE that the Council action of October 19, 2011 (CF 10-1947) relative to proposed adjustments to the Sewer Service Charge and other fees supporting the Clean Water Program be amended as follows:

- 1. Delete Recommendation 1(b) and revise Recommendation 1(a) to read:

Increase the Sewer Service Charge (SSC) annually by a Supplemental Charge for a period of ten years as follows: a 4.5 percent increase beginning as early as January 1, 2012, and 4.5 percent effective July 1 in each of fiscal years 2012-2013 and 2013-2014, and 6.5 percent effective July 1 in each of fiscal years 2014-2015 through 2020-2021.

- 2. Include the following provisions / features in any ordinance to be prepared for this purpose:

- a. Modify the Septage Fees for full cost recovery as specified in Table 16 of the March 24, 2011 Bureau of Sanitation report, attached to the Council file.

- b. Adjust the default percentage discharge for commercial customers based on Los Angeles Department of Water and Power water conservation policies as specified in Table 11 of the March 24, 2011 Bureau of Sanitation report, attached to the Council file.

- c. Allow Significant Industrial Users to use the Sewerage Facilities Charge credits to offset Quality Surcharge Fee increases as requested by the City Council on October 19, 2011.
