Deny the recommendations in this report.

You fail to recognize the existence of the LOS ANGELES CONVENTION AND EXHIBITION CENTER AUTHORITY (Authority) over the oversight of this property.

Commissioners do have expertise and have cautiously approached an income generation.

Instead, you choose to have a report by the CAO and CLA to IMAGINE what would work. To eliminate the WEST HALL is reducing income producing square footage.

Is this a joke?

ULI Urban Land Institute is not the proper legal entity to analyze the land assets and entitlements of the City of Los Angeles and the CRA/LA.

Get direction from the Authority. You just may appreciate their expertise and suggestions.
