Dear City Clerk,

The majority of Pico Union Neighborhood Council Board and community members support the AEG New LA Football Stadium. The great benefits and blessings are: Creating many good paying jobs, decrease 20% PUNC unemployment and home foreclosures, renters pay rent on time and feed their families, and businesses hire and grow. PUNC represents 46,000 residents with 85% in support of the Stadium. The PUNC Community Impact Statement committee has mitigated many serious issues with agreement with AEG. The AEG has volunteered an outstanding benefits package to the local communities. We support the building of AEG New LA Farmers Field Football Stadium.

Respectfully Yours,

Dr. Rick C. Rodriguez  
Treasurer of Pico Union Neighborhood Council  
Committee Chairman of the PUNC Community Impact Statement
