Our File No. 11-086

Re: Ground Rent Valuation of Underlying Commercial Land and Air Rights
Southwest corner of L.A. Live Way and 11th Street,
Northwest and Southwest Corners of L.A. Live Way and 12th Street
and Northwest Corner of L.A. Live Way and Pico Boulevard, Los Angeles
City of Los Angeles Ownership

Dear Mr. Brodsky:

In accordance with our contract, we have made an investigation and analysis of the above-referenced property for the purpose of calculating the annual ground rent as of September 1 of 2012, 2013 and 2014. The subject property is one of several properties that are addressed in a draft document titled "Memorandum of Understanding between City of Los Angeles and Anschutz Entertainment Group, Inc.," ("MOU"). According to the draft MOU, AEG would ground lease the subject property from the City of Los Angeles for the exclusive purpose of constructing a parking structure that will accommodate approximately 1,000 vehicles. **Although the MOU calls for AEG to pay an annual ground rent based on "Fair Market Value," the client has requested that Riggs & Riggs, Inc., calculate the annual ground rent payable by AEG for the subject property as of September 1 of 2012, 2013 and 2014 based upon the Value In Use of the fee simple and air rights interests in the underlying land as of November 3, 2011, under the hypothetical condition that the property is limited to a parking use as outlined in the terms of the MOU. A *Hypothetical Condition* is defined in the 2012-2013 USPAP as: a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of analysis. We recognize that the subject property is not limited to a parking use as of the date of value, as the MOU is not a legally binding document. The hypothetical condition eliminates consideration of the site's highest and best use to arrive at an opinion of the Value In Use. As such, the Value In Use and ground rent conclusions do not represent Market Value or Fair Market Value as outlined in the MOU. Please refer to Extraordinary Assumption Nos. 24 and 26.**

Although the subject property is currently improved with a parking structure and portions of L.A. Live Way and 12th Street, the property has been valued as-vacant. No deduction has been made for demolition of the existing improvements, as demand is considered sufficient to offset these costs in redeveloping the site. **Please refer to Extraordinary Assumption No. 19.** The intended use of the report is for negotiations between the proposed developer, Anschutz Entertainment Group, Inc., (AEG) and the property owner, the City of Los Angeles, to establish ground rent, City planning decisions, and municipal bond financing. A legal description is provided in this Summary Appraisal Report.

This is a Summary Appraisal Report which is intended to comply with the reporting requirements set forth under Standard Rule 2-2(b) of the Uniform Standards of Professional Appraisal Practice (USPAP), which is part of the Appraisal Institute Code of Ethics and Professional Appraisal Standards for a Summary Report. As such, it presents only summary discussions of the data, reasoning, and analyses that were used in the appraisal process to develop our opinion of value. Supporting documentation concerning the data, reasoning,

Mr. David Brodsky
February 13, 2012

and analyses is retained in our files. The depth of discussion contained in this Summary Appraisal Report is specific to the needs of only the client.

This Summary Appraisal Report has been prepared for the sole and exclusive use of representatives with KNN Public Finance, the City of Los Angeles, and Public Resources Advisory Group, the intended users, and is not intended for any other user. The Client is KNN Public Finance. We request that our written authorization be obtained before releasing this report to any other party. Any third party who relies on this appraisal does so at their own risk. **The user of this Summary Appraisal Report is directed to review the Limiting and Extraordinary Assumptions and Conditions, particularly Nos. 19, 22, 23, 24, 25 and 26. The value opinions are strictly contingent upon the Limiting and Extraordinary Assumptions and Conditions, and do not represent Market Value or Fair Market Value.**

The attached summary and exhibits provide the basic details of the property and our analysis. Additional data has been retained in our files. This Summary Appraisal Report is not based on a requested minimum or specified valuation. Further, we have not considered any personal property, fixtures, or intangible items which may be a part of, or located on, the real property.

The Value In Use of the Fee Simple and Air Rights Interests in the subject property, underlying land only, as of November 3, 2011 is:

EIGHTEEN MILLION FOUR HUNDRED SIXTY THOUSAND DOLLARS
..... **\$18,460,000.**

The annual conclusions of Ground Rent payable by AEG for the use of the subject property based upon the Value In Use of the subject property, underlying land and air rights only, are:

As of September 1, 2012 \$1,313,614
As of September 1, 2013 \$1,339,887
As of September 1, 2014 \$1,366,684

This letter of transmittal, including the Limiting and Extraordinary Assumptions and Conditions and Certifications on the accompanying pages, must remain attached to this Summary Appraisal Report, which contains 43 pages plus related exhibits, in order for the value opinions set forth to be considered valid. We hereby certify that we have no interest, present or prospective, in the property appraised and that our opinion is in no way contingent upon the basis of our employment.

Respectfully submitted,

EXECUTIVE SUMMARY

The subject property is located at the southwest corner of L.A. Live Way and 11th Street, the northwest and southwest corners of L.A. Live Way and 12th Street and the northwest corner of L.A. Live Way and Pico Boulevard in the City and County of Los Angeles and State of California. The U.S. Postal Zip Code is 90015.

The subject property includes the fee simple interest in two non-contiguous parcels of land along the west side of L.A. Live Way in downtown Los Angeles, along with the air rights above portions of L.A. Live Way and 12th Street. The two fee simple parcels are irregularly-shaped, with generally level topography. The north parcel contains a site area of 53,900± square feet, while the south parcel contains a site area of 96,610± square feet; the total fee simple area is 150,510± square feet, or 3.46± acres, excluding the air rights. The air rights consist of 4 adjacent and contiguous areas above L.A. Live Way and 12th Street totaling 43,855± square feet, and include the air rights above 12th Street between the north and south parcels, allowing an assemblage for a common use to be developed on the three areas.

The subject north parcel is currently accessed from L.A. Live Way, and the south parcel is currently accessed from L.A. Live Way and Pico Boulevard; according to the Los Angeles Department of City Planning, both parcels also have legal access from 12th Street. The subject property is adjacent and west of the Los Angeles Convention Center and visible from the Harbor (110) Freeway; visibility is considered good-to-excellent, and accessibility is considered good overall. The subject is irregular in shape and relatively narrow, with site utility that is considered average overall. Although the site is currently improved with a parking structure and portions of L.A. Live Way, only the underlying land and air rights have been appraised at the request of the client. **Please refer to Extraordinary Assumption No. 19.**

The subject property is currently owned by the City of Los Angeles and zoned PF-4D-O, Public Facilities, with a land use designation of Public Facilities. Although the Los Angeles Department of City Planning has indicated that the property would likely be re-zoned C2-4D-O, Commercial, with a corresponding land use designation of Regional Commercial, if sold to a private party, the client has requested that the property be evaluated based upon its Value In Use under the hypothetical condition that it is limited to a parking lot use according to the terms of the draft MOU. **Please refer to Extraordinary Assumption Nos. 22, 23, 24 and 25.** This will be transmitted in greater detail in the sections to follow.

ASSUMPTIONS AND LIMITING CONDITIONS

This Summary Appraisal Report has been made with the following general assumptions:

1. No responsibility is assumed for the legal description provided or for matters pertaining to legal or title considerations. Title to the subject property is assumed to be good and marketable unless otherwise stated.
2. The subject property is appraised free and clear of any or all liens or encumbrances unless otherwise stated.
3. Responsible ownership and competent property management are assumed unless otherwise stated in this report.
4. The information furnished by others is believed to be reliable, but no warranty is given for its accuracy.
5. All engineering studies are assumed to be correct. The plot plans and illustrative materials in this report are included only to help the reader visualize the subject property.
6. It is assumed that there are no hidden or unapparent conditions of the subject property, subsoil, or structures that render it more or less valuable. No responsibility is assumed for such conditions or for obtaining the engineering studies that may be required to discover them.
7. It is assumed that the subject property is in full compliance with all applicable federal, state, and local environmental regulations and laws unless the lack of compliance is stated, described, and considered in the appraisal report.
8. It is assumed that the subject property conforms to all applicable zoning and use regulations and restrictions unless a nonconformity has been identified, described and considered in the appraisal report.
9. It is assumed that all required licenses, certificates of occupancy, consents, and other legislative or administrative authority from any local, state, or national government or private entity or organization have been or can be obtained or renewed for any use on which the opinion of value contained in this report is based.
10. Any sketch in this report may show approximate dimensions and is included to assist the reader in visualizing the subject property. Maps and exhibits found in this report are provided for reader reference purposes only. No guarantee as to accuracy is expressed or implied unless otherwise stated in this report. No survey has been made for the purpose of this report.
11. It is assumed that the use of the land and improvements is confined within the boundaries or property lines of the subject property described and that there is no encroachment or trespass unless noted in the report.
12. Any allocation of the total opinion of value in this report between the land and the improvements applies only under the stated program of utilization. The separate values allocated to the land and buildings must not be used in conjunction with any other appraisal and are invalid if so used.

13. Possession of this report, or a copy thereof, does not carry with it the right of publication. It may not be used for any purposes by any person other than the party to whom it is addressed without the written consent of Riggs & Riggs, Inc., and in any event, only with properly written qualification and only in its entirety.
14. Riggs & Riggs, Inc., by reason of this summary appraisal, is not required to give further consultation or testimony or to be in attendance in court with reference to the subject property in question unless arrangements have been previously made.
15. Neither all nor any part of the contents of the appraisal report shall be disseminated to the public or any unauthorized third party through advertising, public relations, public meetings/hearings, news, sales, or other media without the prior written consent and approval of Riggs & Riggs, Inc. Riggs & Riggs, Inc., assumes no liability for the unauthorized release of this report.
16. An inspection of the subject property was made by Joyce L. Riggs, MAI, SR/WA, and Mark D. Brusca. Ms. Riggs and Mr. Brusca gathered all the information, reviewed the data, and prepared the analysis in the appraisal report.

EXTRAORDINARY ASSUMPTIONS AND CONDITIONS

This Summary Appraisal Report is strictly contingent upon the following conditions affecting the subject property. The client is urged to review these extraordinary assumptions and conditions and to obtain experts in the field as needed.

17. This is a **Summary Appraisal Report** which is intended to comply with the reporting requirements set forth under Standard Rule 2-2(b) of the Uniform Standards of Professional Appraisal Practice for a summary appraisal report. As such, it does not include full discussions of the data, reasoning, and analyses that were used in the appraisal process to develop our opinion of value. Supporting documentation concerning the data, reasoning, and analyses is retained in our file. The information contained in this report is specific to the needs of the client and for the intended use as stated in this report. Riggs & Riggs, Inc., is not responsible for unauthorized use of this report.
18. According to ZIMAS, the subject property is not located within an Alquist-Priolo Earthquake Fault Zone or a landslide or liquefaction zone, although it is located in an unidentified fault zone and a Methane Zone. Nearly all areas in Southern California are susceptible to intermittent earthquakes. While the City of Los Angeles Building and Safety, Engineering, and Planning Departments have the authority to withhold permits on projects located within Methane Zones, this is not considered to adversely impact the subject, as development is allowed upon approval of detailed plans containing suitable methane mitigation systems.

Although requested, Riggs & Riggs, Inc., was not provided with a soils or geological report for review. The site appears adequate to support construction standards consistent with the highest and best use conclusion. For the purpose of this appraisal, it is assumed that the soil and geological conditions are not unfavorable. No responsibility is assumed for any such conditions or for any expertise or engineering knowledge required to discover any defects in the property. The client should retain experts in the field and make their own assessment of the physical condition of the property before making a decision on the subject property. **Riggs & Riggs, Inc., reserves the right to amend the opinion of value if additional information is provided subsequent to the date of this report.**

19. As instructed by the client, the subject property consists of the fee simple interest in Los Angeles County Assessor's Parcel Numbers (APNs) 5138-016-908 and 909, the fee simple interest in Vacation Areas 7 and 9, and the air rights to Vacation Areas 4, 5, 6 and 8, commencing 14 feet above street grade, as described in an undated document labeled Attachment No. 1 - Vacation Request Convention and Event Center and an accompanying two page drawing dated September 6, 2011, a copy of which can be found in the Addenda. Although an exhibit labeled New Hall Project Programming Study dated August 23, 2011 and prepared by Bradley Atwell, Architectural Associate I/CAD Specialist for the Los Angeles Convention Center, indicates that the site area of APN 5138-016-908 is 48,376 square feet and the site area of APN 5138-016-909 is 88,409 square feet, the City of Los Angeles Zone Information & Map Access System (ZIMAS) indicates a site area of 47,835± square feet, or 1.10± acres, for APN 5138-016-908 and 89,595± square feet, or 2.06± acres, for APN 5138-016-909, which is consistent with the areas indicated on Tract No. 28165 and the Los Angeles County Assessor's plat map. At the recommendation of Mr. Atwell, we have relied upon the areas reported by ZIMAS and the tract and plat maps. Square footages for the vacation areas were obtained from the vacation request documents, and include 7,015± square feet for Vacation Area 7 (fee simple), 6,065± square feet for Vacation Area 9 (fee simple), 5,990± square feet for Vacation Area 4 (air rights), 12,960± square feet for Vacation Area 5 (air rights), 13,875± square feet for Vacation Area 6 (air rights), and 11,030± square feet for Vacation Area 8 (air rights). Although Vacation Area 6, as detailed in the vacation request documents, includes approximately 1,620 square feet that overlap Vacation Area 5 and 1,755 square feet that overlap Vacation Area 7, the client has instructed Riggs & Riggs, Inc., to assume that Vacation Area 6 will be amended to eliminate the overlaps while maintaining the 13,875± square foot area. It is

therefore assumed that the total area of the fee simple portion of the subject property is 150,510± square feet, or 3.46± acres, and the total air rights area is 43,855± square feet, commencing 14 feet above street grade, with no overlapping areas. Although requested, Riggs & Riggs, Inc., was not provided with complete dimensions for the subject property; dimensions and street frontages were therefore estimated utilizing the Los Angeles County Assessor's plat map, the tract map for Tract No. 28165, and the vacation drawings provided by the client. Additionally, although the subject is currently improved with a parking structure and portions of L.A. Live Way and 12th Street, no consideration was given to the improvements, as it is our understanding that they will be demolished as part of the ground lease. No deduction has been made for demolition of the existing improvements, as demand is considered sufficient to offset these costs in redeveloping the site. **It is assumed that there will be no extraordinary costs, such as asbestos removal or hazmat remediation, associated with the demolition. Such extraordinary costs, if required, could impact the value of the property. Riggs & Riggs, Inc., has relied upon areas reported by ZIMAS and the vacation request documents provided by the client and reserves the right to alter the opinion of value if this information is revised and/or additional information is provided subsequent to the date of this report.**

20. Riggs & Riggs, Inc., was provided with a Preliminary Title Report labeled AEG Los Angeles Stadium and Event Center that references 9 parcels labeled Parcel A through Parcel I, although it does not identify these parcels by their APNs. This report appears to cover a large area that includes the fee simple portion of the subject property, although the only specific mention of the subject is in a list of 7 tax-exempt APNs included as one of 10 exceptions labeled A through J in Schedule B. Schedule B also includes 98 numbered exceptions, some of which reference specific parcels by parcel label (A through I) but not by APN. Riggs & Riggs, Inc., was not able to identify which of these exceptions impact the subject property, if any. Preliminary Title Reports for portions of 12th Street and L.A. Live Way that appear to include the majority of Vacation Areas 4, 5, 6, 7, 8 and 9 were also provided, although the individual vacation areas are not specifically identified. Although most of the underlying documents were also provided, several were not; items for which underlying documents were not provided could not be analyzed. Although requested, Riggs & Riggs, Inc., was not provided with a Preliminary Title Report specific to the subject property or a map plotting the encumbrances that impact the subject property. Therefore, for the purposes of analysis, it is assumed that any encumbrances impacting the site are typical for an urban property and do not impact the value of the site. **Riggs & Riggs, Inc., makes no legal opinion nor expresses any warranty about the property and encumbrances affecting the subject. Further, this Summary Appraisal Report has been prepared assuming the property is free and clear of any liens or debt recorded against it. The user of this report should review a Preliminary Title Report for the subject property and all underlying documents and consider the impact of any items that may have an effect on value. Copies of the provided Preliminary Title Reports are included in the Addenda section for further review. Riggs & Riggs, Inc., reserves the right to alter the opinion of value if additional information is provided subsequent to the date of this report.**
21. Although requested, Riggs & Riggs, Inc., was not provided with a Phase I or II Environmental Site Assessment Report pertaining to the subject property. **Unless otherwise stated in this report, the existence of hazardous materials, which may or may not be present on the site, was not observed during the inspection. Riggs & Riggs, Inc., however, is not qualified to detect such substances. The presence of substances such as contaminated soil, tainted ground water, or other potentially hazardous materials may affect the value of the site. The opinion of value is predicated on the assumption that there is no such material on or in the property that would cause a loss in value. No responsibility is assumed for any such conditions or for any expertise or engineering knowledge required to discover them. The client is urged to retain an expert in this field and consider the impact on value, if any. Riggs & Riggs, Inc., reserves the right to alter the opinion of value if said information becomes available.**

22. The subject property is currently owned by the City of Los Angeles and is therefore zoned PF-4D-O, Public Facilities, with a corresponding General Plan land use designation of Public Facilities. According to the General Plan, the property could be rezoned to the zone(s) most consistent within 500 feet if sold to a private party. It is our understanding that a parking structure with a private use component would not be allowed under this zoning. When asked what the zone would likely be in such a circumstance, Senior City Planner Jon Foreman with the Los Angeles Department of City Planning indicated that the subject would most likely be rezoned C2-4D-O, Commercial, and the land use designation would likely be amended to Regional Commercial for consistency. It is assumed that any costs associated with the zone change and General Plan amendment would be absorbed by the City. For purposes of analysis, we have relied upon the information provided by the City and have appraised the subject property assuming that the zone change and General Plan Amendment would be approved if sold to a private party. **Riggs & Riggs, Inc. reserves the right to alter the opinion of value if said information was misrepresented or should change.**
23. The subject property comprises APNs 5138-016-908 and 909, along with portions of L.A. Live Way and 12th Street, which are to be vacated. According to the City of Los Angeles Department of City Planning's Zoning Information and Map Access System (ZIMAS), these legal parcels are impacted by multiple case numbers and are located within the following designated areas: Los Angeles State Enterprise Zone, Greater Downtown Housing Incentive Area, Downtown Design Guide Project Area, Downtown Adaptive Reuse Incentive Area, Central City and Downtown Parking Areas, Los Angeles Renewal Community, and Central City Revitalization Zone. Additionally, a number of the comparable sales utilized in this report are also located in the City of Los Angeles and are impacted by multiple case numbers and/or located within multiple designated areas. Riggs & Riggs, Inc., was referred to Senior City Planner Jon Foreman for information regarding ZIMAS case numbers and designated areas. Mr. Foreman and staff researched the case numbers and designated areas impacting the subject property and comparable sales and provided a summary of those that they considered most pertinent. The items that were considered to have an impact on the subject property are discussed in the Zoning section of this report and were considered in our analysis. The items that were considered to have an impact on the comparable sales are discussed on the data sheet for each respective sale and were also considered in our analysis. It is assumed that any case number or designated area not specifically addressed by Mr. Foreman does not impact the subject and/or comparable sales. **Riggs & Riggs, Inc., reserves the right to alter the opinion of value if provided with additional information subsequent to the date of this report.**
24. The terms of the draft MOU call for AEG to ground lease the subject property from the City of Los Angeles for the exclusive purpose of constructing a parking structure that will accommodate approximately 3,000 vehicles. **Although the MOU calls for the subject to be ground leased to AEG with annual rental payments based on "Fair Market Value," the client has requested that Riggs & Riggs, Inc., calculate the annual ground rent as of September 1 of 2012, 2013 and 2014 based upon the hypothetical condition that the property is limited to a parking use. A *Hypothetical Condition* is defined in the 2012-2013 USPAP as: a condition, directly related to a specific assignment, which is contrary to what is known by the appraiser to exist on the effective date of the assignment results, but is used for the purpose of analysis. We recognize that the subject property is not limited to a parking use as of the date of value, as the MOU is not a legally binding document. The hypothetical condition eliminates consideration of the site's highest and best use to arrive at an opinion of the Value In Use. As such, the Value In Use and ground rent conclusions do not represent Market Value or Fair Market Value as outlined in the MOU. Because the annual ground rent calculations are for future dates, Riggs & Riggs, Inc., has based the calculations upon the Value In Use of the fee simple and air rights interests in the subject property, underlying land only, as of November 3, 2011, assuming an annual growth rate of 2.0 percent between November 3, 2011 and September 1, 2014 for valuation purposes, and applying a market-derived rate of return on the land. The ground rent calculations will be utilized in negotiations with the proposed developer, AEG, to establish a ground lease for the subject property. Riggs & Riggs, Inc., reserves the right to alter the opinion(s) of value if presented with additional or differing information subsequent to the date of this report.**

25. The subject property includes the air rights to Vacation Parcels 4, 5, 6 and 8, totaling 43,855± square feet. Although the market was surveyed for comparable air rights sales, none were discovered in the area. Therefore, an allocation of the air rights from the underlying fee simple land was considered. The client provided Riggs & Riggs, Inc., with a Conceptual Design exhibit dated June 30, 2011 depicting an 8 story parking structure with one additional basement parking level that is currently being proposed for the subject site. Although requested, the client was not able to provide Riggs & Riggs, Inc., with square footages or parking counts for each level as of the date of this appraisal. In the absence of approved plans, Riggs & Riggs, Inc., has relied upon this exhibit in developing an allocation factor incorporating the air rights component as a percentage of the proposed use of the site. **Riggs & Riggs, Inc., reserves the right to alter the opinion of value if comparable air rights sales become available or if provided with additional information regarding the proposed use of the subject site subsequent to the date of this report.**
26. According to the terms of the MOU, AEG will allow patrons to park in the parking structure to be constructed on the subject property during Los Angeles Convention Center events, provided that there are no events scheduled at Staples Center or the Event Center. On these occasions, AEG will operate the structure and retain the revenue. Although requested, the client was not able to provide Riggs & Riggs, Inc., with any details regarding this potential shared use of the subject property. Therefore, for purposes of analysis, it is assumed that Los Angeles Convention Center patrons will pay AEG's customary rates for parking during any shared use of the site, and that any shared use will not negatively impact AEG. **Riggs & Riggs, Inc., reserves the right to alter the opinion(s) of value if presented with additional or differing information relative to potential shared use subsequent to the date of this report.**
27. This Summary Appraisal Report has been prepared for the sole and exclusive use of representatives with KNN Public Finance, the City of Los Angeles, and Public Resources Advisory Group, and is not intended for any other user. We request that you seek our written authorization before releasing the report to any other party. Any third party who relies on this report does so at their own risk.
28. The liability of Riggs & Riggs, Inc., is limited to the fee paid for the appraisal services. Riggs & Riggs, Inc., is not responsible for erroneous information provided by others.
29. Riggs & Riggs, Inc., is not a necessary party in any inquiry or judicial proceeding and will not be called to testify in any litigation or other proceeding arising out of their duties in this matter. If Riggs & Riggs, Inc., is compelled to incur court costs, attorney fees or other out-of-pocket expenses in connection with court proceedings, such costs or expenses together with the appraiser's usual hourly per diem of \$250.00 per hour for professional services for study preparation, testimony or travel will be paid by the party (or parties) who acts to bring any suit requiring a judicial proceeding.

CERTIFICATION OF THE APPRAISER

I certify that, to the best of my knowledge and belief:

The statements of fact contained in this report are true and correct.

The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, impartial, and unbiased professional analyses, opinions, and conclusions.

I have no present or prospective interest in the property that is the subject of this report, and no personal interest with respect to the parties involved.

I appraised the Market Value of the property that is the subject of this report once within the three-year period immediately preceding acceptance of this assignment; I have performed no other services, as an appraiser or in any other capacity, within the three-year period immediately preceding acceptance of this assignment.

I have no bias with respect to the property that is the subject of this report or to the parties involved with this assignment.

My engagement in this assignment was not contingent upon developing or reporting predetermined results.

My compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the opinion of value, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.

The reported analyses, opinions, and conclusions were developed, and this report has been prepared, in conformity with the requirements of the Code of Professional Ethics & Standards of Professional Appraisal Practice of the Appraisal Institute, which include the Uniform Standards of Professional Appraisal Practice.

Mark D. Brusca made an inspection of the property that is the subject of this report on September 14 and November 3, 2011. The date of value is November 3, 2011.

No one provided professional assistance to the persons signing this assignment.

As of the date of this report, Mark D. Brusca has completed the requirements of the Continuing Education Program of the Office of Real Estate Appraisers. I certify that use of this report is subject to the requirements of the Appraisal Institute relative to review by its duly authorized representatives.

Respectfully submitted,

CERTIFICATION OF THE APPRAISER

I certify that, to the best of my knowledge and belief:

The statements of fact contained in this report are true and correct.

The reported analyses, opinions, and conclusions are limited only by the reported assumptions and limiting conditions, and are my personal, impartial, and unbiased professional analyses, opinions, and conclusions.

I have no present or prospective interest in the property that is the subject of this report, and no personal interest with respect to the parties involved.

I appraised the Market Value of the property that is the subject of this report once within the three-year period immediately preceding acceptance of this assignment; I have performed no other services, as an appraiser or in any other capacity, within the three-year period immediately preceding acceptance of this assignment.

I have no bias with respect to the property that is the subject of this report or to the parties involved with this assignment.

My engagement in this assignment was not contingent upon developing or reporting predetermined results.

My compensation for completing this assignment is not contingent upon the development or reporting of a predetermined value or direction in value that favors the cause of the client, the amount of the opinion of value, the attainment of a stipulated result, or the occurrence of a subsequent event directly related to the intended use of this appraisal.

The reported analyses, opinions, and conclusions were developed, and this report has been prepared, in conformity with the requirements of the Code of Professional Ethics & Standards of Professional Appraisal Practice of the Appraisal Institute, which include the Uniform Standards of Professional Appraisal Practice.

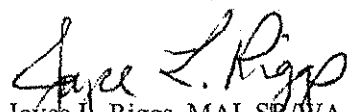

Joyce L. Riggs, MAI, SR/WA made an inspection of the property that is the subject of this report on September 21, 2011. The date of value is November 3, 2011.

No one provided professional assistance to the persons signing this assignment.

As of the date of this report, Joyce L. Riggs, MAI, SR/WA, has completed the requirements of the Continuing Education Program of the Office of Real Estate Appraisers, the Appraisal Institute, and the International Right of Way Association. I certify that use of this report is subject to the requirements of the Appraisal Institute relative to review by its duly authorized representatives.

Respectfully submitted,

RIGGS & RIGGS, INC.

Joyce L. Riggs, MAI, SR/WA
SCREA No. AG005451
Expires April 7, 2013

APPRAISAL REPORT

IDENTIFICATION OF THE PROPERTY

The subject property consists of two non-contiguous parcels of land located at the southwest corner of L.A. Live Way and 11th Street, the northwest and southwest corners of L.A. Live Way and 12th Street, and the northwest corner of L.A. Live Way and Pico Boulevard, along with the air rights to adjacent and contiguous portions of L.A. Live Way and 12th Street, in the City and County of Los Angeles and State of California. The United States Postal Zip Code is 90015. The Los Angeles County Thomas Guide reference is page 634, grid C/5. The U.S. Census Tract Number is 2077.10.

LEGAL DESCRIPTION

Riggs & Riggs, Inc., was provided with a Preliminary Title Report prepared by Chicago Title Company, Order No. 116743050F-X49 dated August 1, 2011. This report is labeled AEG Los Angeles Stadium and Event Center and references 9 parcels labeled Parcel A through Parcel I. It appears to include the fee simple portion of the subject property, along with a number of other properties, although there is no differentiation between the subject and the other properties. Preliminary Title Reports for portions of 12th Street and L.A. Live Way that appear to include the majority of Vacation Areas 4, 5, 6, 7, 8 and 9 were also provided, although the individual vacation areas are not specifically identified. These reports were also prepared by Chicago Title Company, Order Nos. 116743050H-X49 and 116743050I-X49 dated August 1, 2011.

Although requested, Riggs & Riggs, Inc., was not provided with a Preliminary Title Report specific to the subject property. The subject consists of the fee simple interest in APNs 5138-016-908 and 909, the fee simple interest in Vacation Areas 7 and 9, and the air rights to Vacation Areas 4, 5, 6 and 8 as detailed in Attachment No. 1 - Vacation Request Convention and Event Center and an accompanying two page drawing dated September 6, 2011, copies of which are included in the Addenda. The legal descriptions for APNs 5138-016-908 and 909 and portions of 12th Street and L.A. Live Way are included in the Preliminary Title Reports that were provided to Riggs & Riggs, Inc., copies of which can be found in the Addenda to this report. **Please refer to Extraordinary Assumption Nos. 19 and 20.**

PURPOSE OF THE APPRAISAL

The purpose of this appraisal is to calculate the annual ground rent payable by AEG for the subject property as of September 1 of 2012, 2013 and 2014 based upon the Value In Use of the fee simple and air rights interests in the underlying land as of November 3, 2011, under the hypothetical condition that the property is limited to a parking use as outlined in the terms of the MOU. **Please refer to Extraordinary Assumption Nos. 19, 24 and 25.**

INTENDED USE/USER OF THE APPRAISAL

The intended use of this Summary Appraisal Report is for negotiations between the proposed developer, Anschutz Entertainment Group, Inc., (AEG) and the property owner, the City of Los Angeles, to establish ground rent, City planning decisions, and municipal bond financing. This appraisal has been prepared for the sole and exclusive use of representatives with KNN Public Finance, the City of Los Angeles, and Public Resources Advisory Group, the intended users, and is not intended for any other user. The client is KNN Public Finance. Any third party who relies on this appraisal does so at their own risk.

PROPERTY RIGHTS APPRAISED

The property rights to be appraised are the fee simple and air rights interests in the subject property, underlying land only.

DATE OF REPORT

The date of report is February 13, 2012.

DATE OF VALUATION

The date of value is November 3, 2011.

DATES OF INSPECTION

The dates of inspection were September 14 and 21 and November 3, 2011.

OWNER OF RECORD

According to the Preliminary Title Reports, the fee title to the subject property is vested in:

THE CITY OF LOS ANGELES

DEFINITIONS

Value In Use:

“The value of a property assuming a specific use, which may or may not be the property’s highest and best use on the effective date of the appraisal. Value In Use may or may not be equal to Market Value but is different conceptually.”¹

Ground Rent

“The rent paid for the right to use and occupy land according to the terms of a ground lease; the portion of the total rent allocated to the underlying land.”²

Fee Simple Estate

“Absolute ownership unencumbered by any other interest or estate, subject only to the limitations imposed by the governmental powers of taxation, eminent domain, police power, and escheat.”³

Air Rights

“The right to undisturbed use and control of designated air space above a specific land area within stated elevations. Such rights may be acquired to construct a building above the land or building of another or to protect the light and air of an existing or proposed structure on an adjoining lot.”⁴

¹ *Dictionary of Real Estate Appraisal* (Fifth Edition 2010), Appraisal Institute, Page 206.

² *Id.*, at page 92.

³ *Id.*, at page 78.

⁴ *Id.*, at page 6.

SCOPE OF THE ASSIGNMENT

The subject property includes the fee simple interest in APNs 5138-016-908 and 909 and a portion of L.A. Live Way, which is to be fully vacated, along with the air rights above portions of L.A. Live Way and 12th Street. The scope of this appraisal involved a thorough analysis of the subject property with respect to physical, legal, and economic factors in order to develop a reasonable opinion of the Value In Use and ground rent. Various local agents and services, such as CoStar Group, Inc., MLS, CARETS Commercial, and NDCData.com, provided information concerning comparable sales. Buyers, sellers, or their representatives were contacted to verify information when possible. This investigation also included discussions with city and county officials, as well as researching recent market trends.

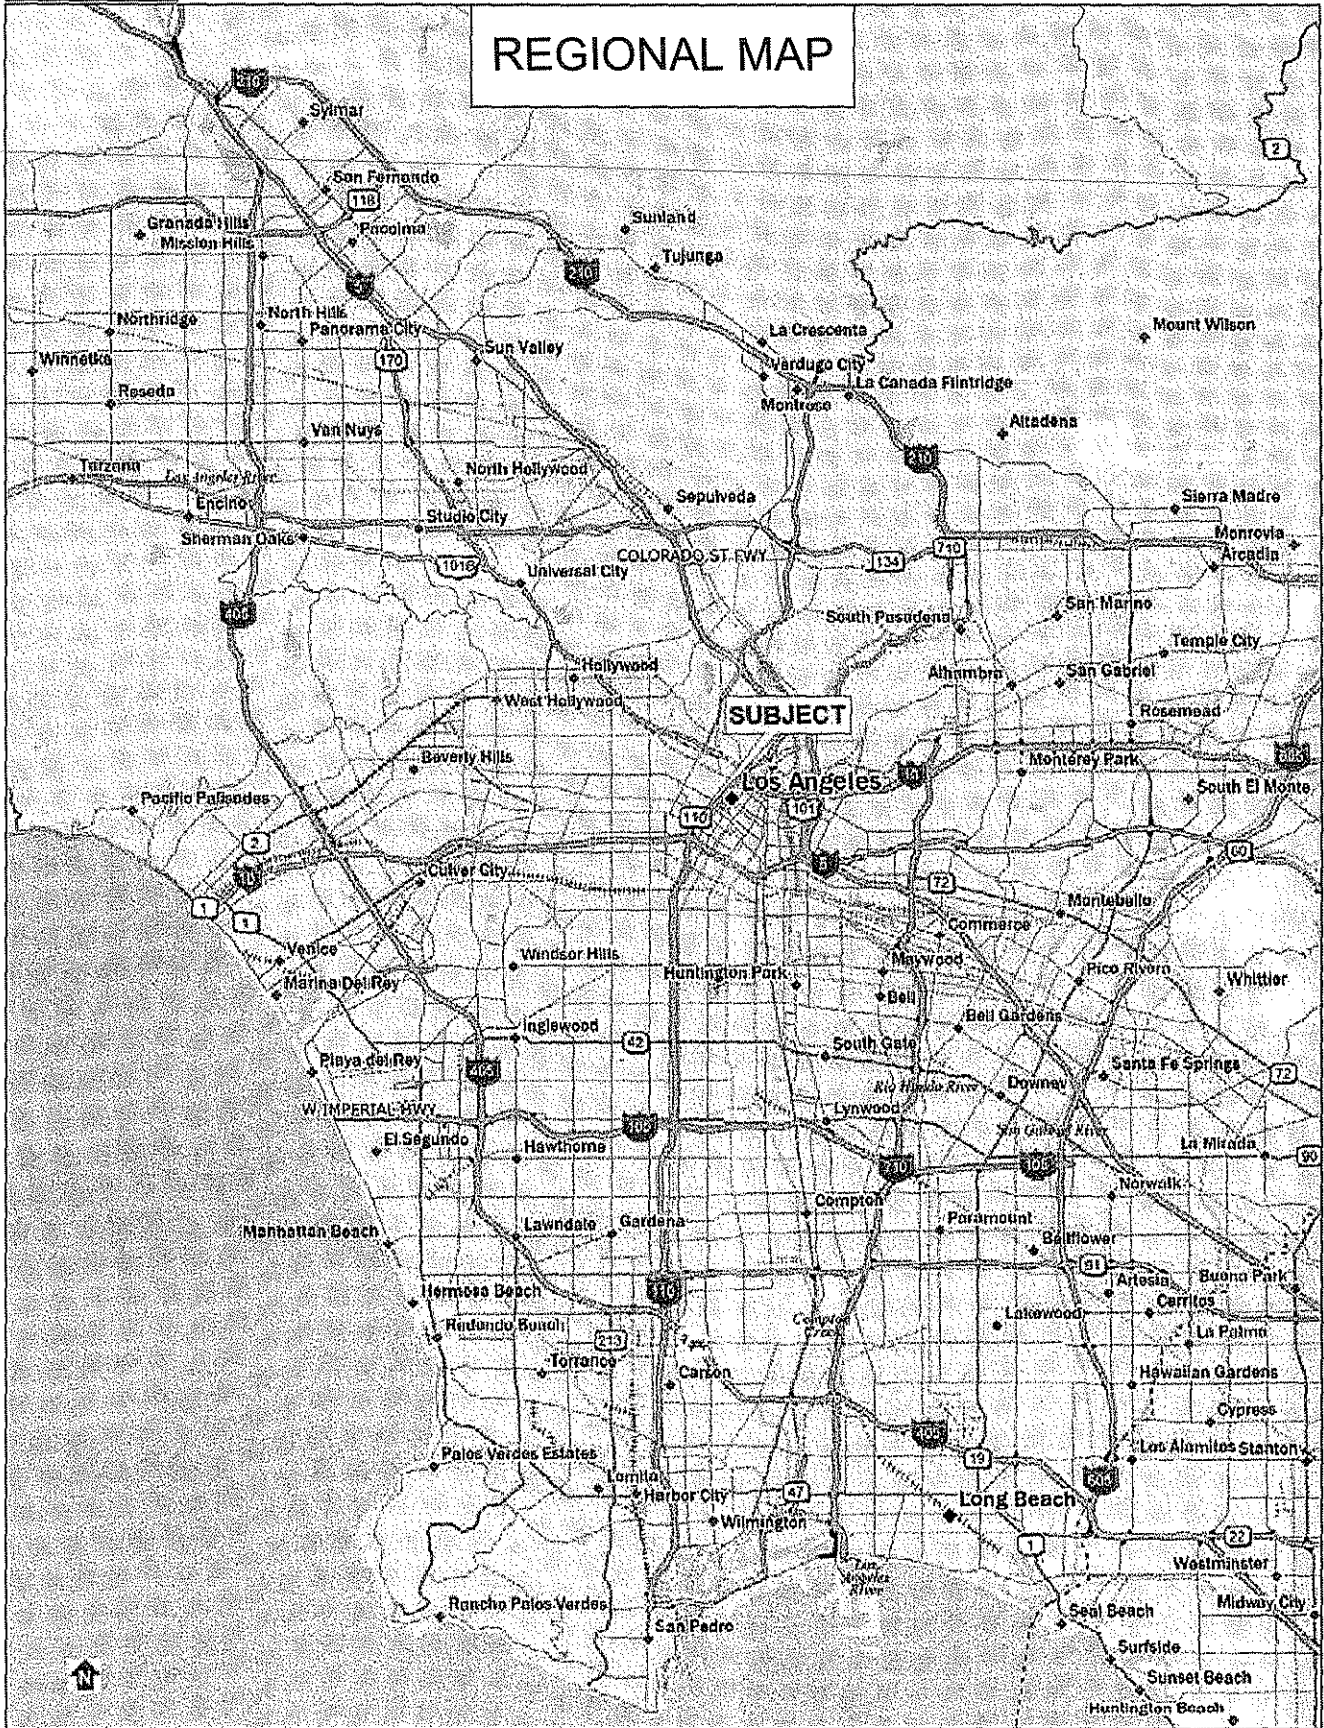

A search of similar properties was undertaken with respect to the comparable land sales in developing an opinion of the Value In Use of the fee simple portion of the subject site as of November 3, 2011. The market was then surveyed for comparable air rights sales, however none were discovered in the area. Therefore, an allocation of the air rights from the underlying fee simple land was considered in order to conclude a final value opinion for the air rights areas. Since public streets do not transfer in the open market, the Across the Fence Technique was utilized.

The Value In Use of the fee simple and air rights portions were added to arrive at an overall opinion of the Value In Use for the subject site. The concluded Value In Use was multiplied by a future value factor in order to derive the Value In Use of the land as of September 1 of the years 2012, 2013 and 2014. An appropriate rate of return was then applied to derive the total ground rental rate for each year. **Please refer to Extraordinary Assumption Nos. 19, 20, 22, 23, 24, 25 and 26.**

PROPERTY HISTORY

According to the Preliminary Title Reports prepared by Chicago Title Company, the subject is vested in The City of Los Angeles. Although public record does not indicate when the property owner acquired the property, the last recorded transfer of the subject property occurred in 1972 for no consideration, according to a Parcel Profile Report obtained from the Los Angeles Department of City Planning. No transfers are known to have occurred within the last three years, and the property is not currently listed for sale or available in the open market.

Data Zoom 9-4

REGIONAL DATA

The subject property is located within the County of Los Angeles. The following is a discussion of the environmental, governmental, social, and economic forces affecting the stability of the real estate market and the subject property. This section of the report will analyze the effect that these forces have on the economic bases of the state, county, and subject's trade area, relative to the subject property.

California had a Gross Domestic Product (GDP) of approximately \$1.9 trillion in 2010 and would rank 9th as a separate nation, ahead of Canada, Russia and India. The Los-Angeles 5-County Metropolitan Area accounted for approximately \$835 billion and would rank 16th as a separate nation, ahead of the Netherlands, Turkey and Indonesia. Clearly, the region is a major economic center of development.

The State experienced a period of economic growth between 1995 and 2001, during which time the state underwent a transition from a predominantly aerospace and defense industry reliant economy to a diversified economy with the expansion of radio, television and film industries, a rise in the professional and service sectors and an increase in trade and manufacturing resulting from its position as an entry point for Pacific Rim goods. The state slipped back into recession in late 2001, emerging in late 2003 and 2004 due to higher spending by the Department of Defense and other governmental agencies leading to modest job gains. The state experienced modest growth between 2005 and 2006.

California is currently in the midst of a deep recession that started with weakness in housing and mortgage finance in 2007 and 2008, and subsequently spread to the rest of the economy. The situation has been exacerbated by soaring energy prices, which have caused further problems for businesses and consumers. A number of prominent retail chains have shrunk or disappeared altogether, and auto dealerships have suffered from the combined impact of high fuel prices and the credit crunch. State and local government revenues have fallen, and unemployment has risen across the State, with the majority of job losses in the manufacturing, retail trade, and construction sectors. Conditions are expected to stabilize in 2011, with recovery anticipated in 2012.

Preliminary estimates indicate that California experienced an annual unemployment rate of 11.3% in 2010. The current unemployment rate in the state as of January 2011 is 12.4%. Personal income grew by 2.7 % in 2010 following a rare decline of 2.4% in 2009, and is expected to grow by 4.6% in 2011. Taxable Retail sales increased by an estimated 6.6% in 2010, after a 12.9% decline in 2009, and are expected to increase by 6.5% in 2011. New home construction is expected to increase by 9.0% in 2011, while non-residential construction is expected to decline by 7.2%. Overall, California's economy is expected to stabilize in 2011, with more substantial recovery predicted for 2012.

Location and Physical Factors

The subject is located within the Los Angeles County Metropolitan Area (LAMA). The LAMA contains five counties: Los Angeles, Ventura, Orange, Riverside, and San Bernardino. San Diego County is not considered part of the LAMA, but is located within Southern California.

Los Angeles County contains 4,084 square miles, and is the largest county in the state in terms of population. The County is comprised of 88 cities and unincorporated areas. Los Angeles County is located in the southwestern part of California and borders the Pacific Ocean to the south and west. It is bounded by the following regions:

- On the NorthKern County
- On the SouthOrange County
- On the East.....San Bernardino County
- On the WestVentura County

The terrain of the County varies from a broad coastal plain, known as the Los Angeles basin, to mountain ranges separated by interior valleys. Major mountain ranges include the San Gabriel Mountains, Santa Monica Mountains, Santa Susana Mountains, and Puente Hills. The interior valleys include the San Fernando Valley, San Gabriel Valley, Pomona Valley, and Antelope Valley. There are several minor fault lines located in Los Angeles, which connect to California's major fault line, the San Andreas Fault.

Los Angeles County experiences a Mediterranean-like climate, sunny and warm, with a mean annual temperature of 61.7 degrees Fahrenheit. Due to the mild climate, Los Angeles County has lower heating and air conditioning costs than most cities in the United States. The mean annual rainfall is 12.9 inches, and its mean annual humidity is 65%. A favorable climate has contributed greatly to the growth of the region. However, during the past several decades, the area has experienced increased air pollution due to smog. Governmental agencies at the state and local levels, through zoning and transportation regulations, have had moderate success in reducing this hazard.

Sociological Factors

According to U.S. Census 2000, Los Angeles County has a population of about 10 million people. The County accounts for almost 30% of the California population. The population has grown at a steady pace and has increased over 13% since 1990. Foreign immigration and natural births added 50% to the region's growth over the past decade. However, population growth is expected to continue at a slower pace in the future. The chart below reflects the age distribution of Los Angeles County.

According to the U.S. Census 2000, Los Angeles County residents are predominantly between the ages of 25-34 years old (16.6%). Los Angeles County has over 3.2 million housing units and an average household of 2.87 persons.

There are many social and cultural facilities that enhance the desirability of the County. Recreational amenities include beaches and harbors along the Pacific Ocean, marinas, golf courses, parks, theaters, and entertainment centers. Cultural facilities include numerous colleges and universities, libraries, and museums. Health care facilities, including hospitals and acute-care nursing homes, are well-represented in the County. Some points of interest within the County are: Los Angeles Civic Center, Chinatown, Dodger Stadium, Aquarium of the Pacific, J. Paul Getty Museum, Huntington Library, Griffith Park, Greek Theatre, Hollywood Bowl, Hollywood Park, Santa Anita Racetrack, Grauman's Chinese Theatre, Hollywood Walk of Fame, La Brea Tar Pits, Los Angeles County Museum of Art, the Museum of Contemporary Art, Los Angeles Zoo, Los Angeles County Music Center, Norton Simon Museum, Queen Mary, Rose Bowl, Six Flags Magic Mountain, and Universal Studios. These points of interest attract local residents and are also visited by millions of tourists worldwide.

Some new and major projects under construction in Los Angeles County include the 1.4 billion dollar Alameda Corridor East Project, Los Angeles/Long Beach Port Expansion, MetroRail line extensions, the expansion of Los Angeles International Airport, and "L.A. Live," a retail/entertainment/hotel complex in downtown Los Angeles. Recently completed projects include the JW Marriott hotel in Downtown Los Angeles at "L.A. Live," as well as the W Hotel in Hollywood.

Economic Factors

Los Angeles County is a major economic center for the city, state, and national level. According to the 2011-2012 Economic Forecast & Industry Outlook, Los Angeles County's GDP would be \$505 billion, which would rank 20th in the world if it were a separate nation. Los Angeles County has a very diverse economic base, as indicated in the following table.

2010 NONFARM EMPLOYMENT IN LOS ANGELES COUNTY
(LOS ANGELES ECONOMIC DEVELOPMENT CORPORATION 2010 BENCHMARK)

The economy is diverse with no single sector dominating the market. Education, health services, information, and professional business services are expected to add jobs in 2010, while retail, manufacturing, construction, and government are expected to lose jobs.

The excellent public and private services offered in Los Angeles County are major industries in their own right. A vast network of hospitals and health care facilities, educational institutions, entertainment productions, and sporting events are major building blocks that demonstrate the growth of Los Angeles County. According to the Los Angeles County Office of Education, Los Angeles County has 2,230 public schools, with over 1.5 million students enrolled at the elementary and secondary levels. The County has a number of local programs to successfully integrate students into the workplace and enhance teacher skills. The area will continue to progress with its vast pool of skilled and unskilled workers and economic activity. Business, cultural, and geographic diversification of Los Angeles County will play a prominent role in the local, regional, and national economies.

The per capita income for Los Angeles County is expected to be \$40,446 in 2011, below the state average per capita income of \$43,138, and the Consumer Price Index is expected to rise by 2.0%. According to the U.S. Census Bureau 2000 statistics, Los Angeles County has a median household income of \$40,929 and an average household size of 2.87 persons. Approximately 18% of the income earned is between \$50,000 and \$74,999. The following chart illustrates household income in Los Angeles County.

According to DataQuick News, Los Angeles County has the fourth highest housing cost in Southern California, while neighboring Orange County has the highest cost. The median Los Angeles County home price was \$318,000 as of June 2011, down from \$335,000 in June 2010. The chart below shows the median housing selling prices in Southern California as reported by DataQuick News in July 2011.

During the past decade, Los Angeles County's economy underwent major job restructuring due to the national recession of the 1990s. As presented below, the economy experienced generally increasing job growth between 1996 and 1998, and generally decreasing growth between 1999 and 2001. It slipped into recession in 2002 and 2003, before returning to generally increasing growth between 2004 and 2006. The rate of job growth decreased in 2007, and turned negative between 2008 and 2010. Current forecasts anticipate a gain of 0.6%, or 24,100 jobs, in 2011. California had an unemployment rate, not seasonally adjusted, of 12.1% as of June 2011, down from 12.2% in June 2010. Los Angeles County had an unemployment rate, not seasonally adjusted, of 12.4% as of June 2011, which is equivalent to the rate as of June 2010.

Historically, Los Angeles County has been the second largest business and post-industrial economic center in the United States, due to its diversity of people, cultures, scenery, climate, and physical environment. It has been a highly influential force in the Western United States and the Pacific Rim. Los Angeles County accounts for one-third of California's total economy and is the nation's leading manufacturing and aerospace center. Although the manufacturing, trade, and service sectors are predominant, the County is a major center for economically resilient industries such as telecommunication, motion pictures, computer and communications equipment, medical laboratories, television, and business services.

In summary, Los Angeles County is expected to experience a gradual economic improvement throughout 2011, after recessionary conditions throughout 2010. Personal income, taxable retail sales, and nonfarm employment are all expected to increase after the steep decline from the previous year. According to the Los Angeles County Economic Development Corporation 2011-2012 Economic Forecast and Industry Outlook, some of the factors that will influence economic conditions in Los Angeles County in 2011 include:

- Improvement in international trade and tourism;
- Increased public sector construction due to the federal government's infrastructure program;
- Improving retail sales;
- Continued decline in the nonresidential real estate sector, with high vacancies and declining lease rates and property values;
- Little improvement in residential construction due to an oversupply of apartments and condominiums; and
- Ongoing financial problems for local governments due to the decline in home values, drop in retail sales and the state's perpetual budget problems.

Transportation Factors

Regional transportation in Los Angeles County includes highways, air, rail, and other means of travel. The heart of the County's vast transportation system is its advanced highway system. This mass transit system, consisting of hundreds of miles of highways and freeways, connects Los Angeles County to the rest of California and the United States. The freeway system that serves Los Angeles County includes, but is not limited to, U.S. Interstate 5, U.S. Interstate 10, U.S. Interstate 405, and Highway 101. Los Angeles County has the largest freeway system in the world and allows commuters to travel in any direction within the County.

Los Angeles County is situated near several major airports with relatively short driving distances. Los Angeles International Airport (LAX) is the primary international airport that services the region. It is the 3rd largest airport in the world and the key facility in Southern California airport network. Fueled by the growing volume of LAX activity, intensive development of commercial land is noticeable in the airport area. Bob Hope Airport (BUR) does not offer international service, but provides commuter air service to major national cities. This airport caters to 4.9 million travelers per year on six major carriers, with more than 70 flights daily. The Los Angeles County Metropolitan Area has three other metropolitan airports to serve the

region: John Wayne Airport (SNA), Ontario International Airport (ONT), and Long Beach Airport (LGB). This network of airports serves as a travel medium for residents and an economic portal for businesses.

Los Angeles County provides both public and commercial rail use. MetroRail commuter rail lines provide linkage to neighboring counties and are quickly becoming an alternate source of transportation. Long Beach and Los Angeles County Harbors are found in the heart of Los Angeles County. They are the second and third largest economic ports in the nation, respectively. They contain 9.2 square miles and as one entity rank as the 2nd largest economic port in terms of dollar value of exports and imports. Together, L.A. and Long Beach Harbors handle more than half of the United States Pacific Coast tonnage. This vast maritime center is an economic stimulus to the region, generating nearly 300,000 jobs and billions of dollars in annual revenue. Port Hueneme and San Diego Harbor are found west and south of Los Angeles County, respectively. National and international businesses use these ports as their gateway for trade with North and South America, Europe, and Asia.

Technological advancements in transportation and innovative changes in the workplace will continue to improve, including flexible work schedules, child care facilities for employees, and telecommunications systems for employees to work at home. Since 1975, air quality control programs have evidenced a 35 percent decline in emissions of reactive organic gases and nitrogen oxides. Carbon monoxide emissions have dropped by 45 percent during the last decade; smog alerts have declined 60 percent. With modern technology, transportation and air quality should continue to improve.

Governmental Factors

Los Angeles County consists of incorporated and unincorporated cities. The unincorporated portions of the County are governed by a five-member Board of Supervisors elected to four-year terms. The County provides key municipal services, such as fire and police protection, to many of its unincorporated cities. The larger incorporated cities provide their own municipal services. Los Angeles has an elected mayor who leads the administrative branch of the government. The legislative branch, represented by 15 City Council members, is elected by voters to 4-year terms to administrate over the City and its services.

Additionally, the State of California provides many services for residents through their employment services, state parks, regulatory agencies, and state highway system. The services provided by the City, County, and State agencies have been adequate, despite budget cuts resulting from the passage of Proposition 13 in 1978 and past recession. Given the continued stability of local government, along with adequate revenues, these municipal services are expected to continue.

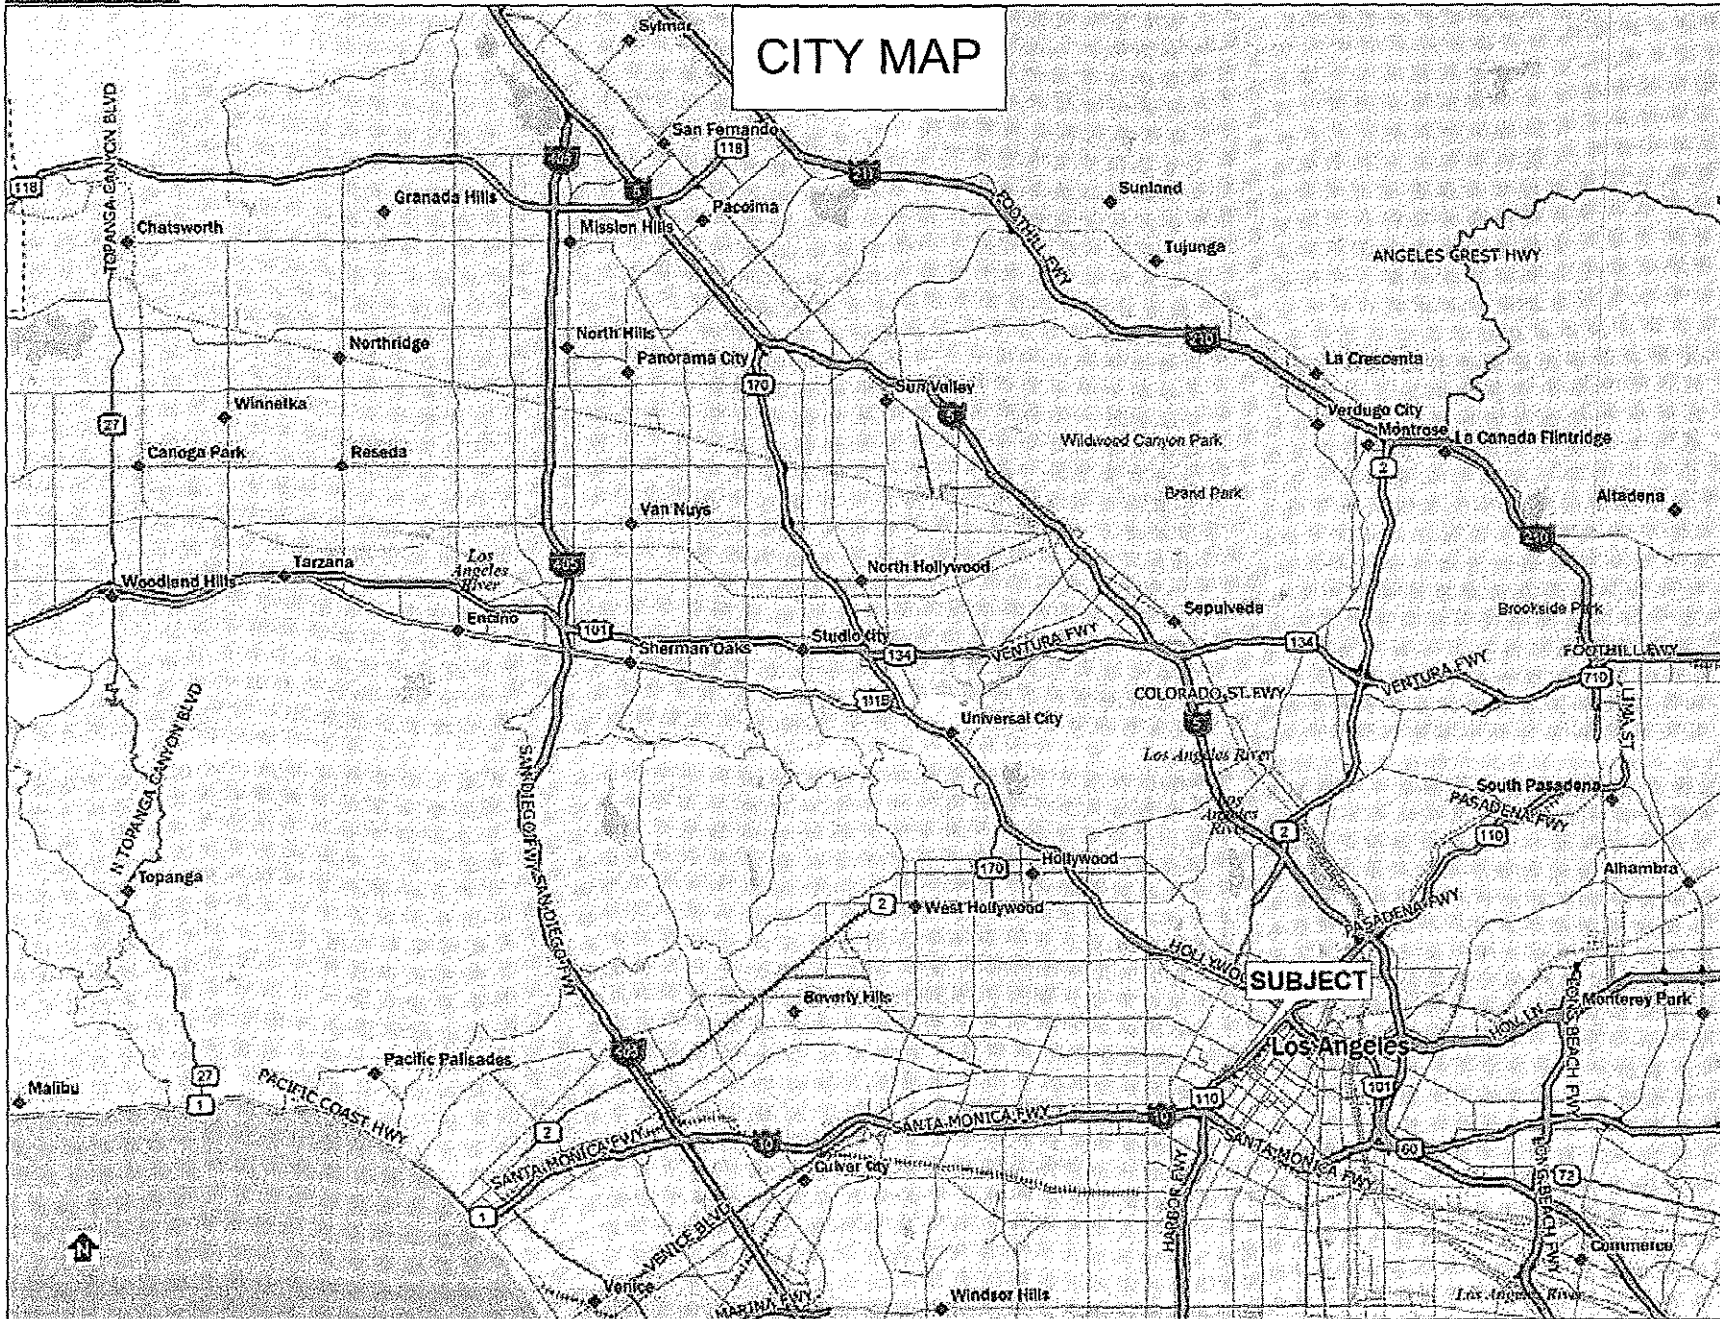

Future Outlook

The area's extraordinary expansion has created important challenges to its future growth (i.e., affordable housing, clean air, adequate water supply, and traffic congestion). Los Angeles County is a freeway county with many centers of economic activity. Distance is measured in terms of driving time, not miles. As traffic congestion increases, freeway and light rail access have become critical considerations for Los Angeles County and its commuters.

Despite the challenges that Los Angeles County faces, the region is expected to retain its premier position in the world for decades to come. This is supported by its strategic location, role among trading nations of the Pacific Rim and South America, vast transportation network, vital marketplace, skilled workforce, and climate. The region is expected to stabilize through 2011, after experiencing recessionary conditions through 2010; however, many of the County's major industries are expected to continue to struggle through 2012.

 www.delorme.com

CITY DATA

The subject property is located within the City of Los Angeles. The following is an analysis focusing on the physical characteristics, land use, demographics, and employment of the City of Los Angeles.

Los Angeles is the largest city in California encompassing 468.7 square miles. The City stretches from the Pacific Ocean to the Santa Monica Mountains and San Gabriel Mountains. Geographically, it is divided into three areas: the inland Los Angeles Basin, the San Fernando Valley, and the coastal areas. The City has a mild temperature year-round due to the Pacific Ocean breezes and Santa Ana winds. There are 35 planning areas located within the City.

Land Uses

Development in Los Angeles began in the Los Angeles Basin area and emanated to the surrounding suburbs of the San Fernando Valley and coastal areas. The Downtown Los Angeles area is the financial core of the City and home to numerous high-rise buildings, luxury hotels, and popular eateries. This area also houses the City's wholesale districts, including the Flower Mart, the Garment District, and the Jewelry Mart.

Los Angeles has been a popular tourist destination for more than a century, with attractions that include the Hollywood Wax Museum, Hollywood Bowl, Mann's Chinese Theater, Pantages Theater, the Music Center (comprised of the Ahmanson Theater, the Mark Taper Forum, the Dorothy Chandler Pavilion, and the Disney Concert Hall), the MOCHA art gallery, Dodger Stadium, Kodak Theatre, and Staples Center/L.A. Live. The City has seen several waves of high profile foreign investment, including Middle Eastern investment during the energy crisis of the 1970's, Japanese investment during Japan's stock market boom of the 1980's, Korean investment during the 1990's, and ongoing investment currently dominated by the Chinese.

Los Angeles has been developed with a wide-range of single and multi-family residential, commercial office, retail, and industrial buildings, as well as schools, hospitals, religious institutions, public parks, and other community and recreational/entertainment facilities and services. Redevelopment is occurring in the older areas of the City due to gentrification and organized Redevelopment Agencies. Some recent projects include the mixed-use 1600 Vine project, the LAX Tom Bradley Terminal renovation, and the L.A. Live entertainment campus.

Population

As of January 1, 2011, the City of Los Angeles population was estimated at 3,810,129, a 0.4 percent increase from the January 1, 2010 population of 3,793,106. In 2000, Los Angeles was ranked as the second largest city in the United States with a population of 3,694,820, according to the Census Bureau. In 1980, the City was ranked as the third largest city in the United States with 2,966,850 people. Population is expected to continue to grow in the near to mid-term. According to DQNews, the median home price was \$309,000 as of July 2011, which is a 3.4 percent drop from the July 2010 median price of \$320,000.

Government and Community Services

The City government offices are housed in the Civic Center. Buildings within the Civic Center include the Federal Building, City Hall, the County Courthouse, the Hall of Administration, the Hall of Records, Los Angeles Department of Water & Power, Los Angeles County Criminal Courts, the County Jail, Parker Center, Ronald Reagan State Office Building, Terminal Annex Post Office, and the Employment Development building.

City of Los Angeles schools are part of the Los Angeles Unified School District, the second largest public school system in the country, behind the New York City school district. Enrollment in grades K through 12 for the 2010 - 2011 school year was 671,648. Additionally, there are numerous two-year, four-year, and graduate level colleges and universities throughout the City, including University of Southern California (USC), University of California at Los Angeles (UCLA), Cal State University at Los Angeles (CSULA), Cal State University at Northridge (CSUN), as well as several privately-funded educational institutions.

Transportation and Access

Excellent regional transportation systems serve the City of Los Angeles. Major interstate freeways bisecting the city include the San Diego (I-405), Golden State (I-5), Santa Monica (I-10), Harbor (I-110), and Glenn Anderson (I-105) Freeways. Additionally, there are several U.S. Highways and County Highways.

Residents are provided interstate and transcontinental bus service via Greyhound Bus Lines. Local commuter service is provided by Southern California Metropolitan Transit Authority. Air transportation is provided by LAX, and ocean transportation is provided by the port harbor areas, as previously discussed in Regional Data. There are several Metro Rail Lines, both above and underground, that connect downtown Los Angeles and provide transportation to satellite cities in and around Los Angeles. The City plans to spend \$150 billion over the next 30 years on regional transportation to build light rail, heavy rail, and commuter rail systems.

Employment

Los Angeles has a very strong and diversified economic base, with no one sector being dominant. The City is home to one of the world's busiest ports and international airports. The Downtown Los Angeles Area is the financial, professional, and retail center of the City, which is active in both domestic and international trade. The banking and finance industry is strong in Los Angeles, with over 100 foreign and even more domestic bank branches in the City. The manufacturing sector is also very strong in the City. Goods from the aerospace, agricultural, textiles, fabricated metals, rubbers, plastics, electrical equipment, computer equipment, and motion picture industries are all produced in Los Angeles. The unemployment rate for the City in June 2011 was 13.6 percent, down from 13.7 percent in June 2010.

Conclusion

The City of Los Angeles is a well-established area that is supported by the professional, financial, and entertainment industries and related tourist industry. The local economy is currently stabilizing after experiencing recessionary conditions due to the financial lending crunch caused by the subprime market and rippling through the economic markets. Assuming no adverse changes in the local or national economy, the future outlook for the City of Los Angeles is expected to be generally stable for the foreseeable future.

NEIGHBORHOOD DATA

The subject property comprises the fee simple interest in the underlying land of a parking structure and a portion of L.A. Live Way adjacent and west of the Los Angeles Convention Center in Downtown Los Angeles, along with the air rights above portions of L.A. Live Way and 12th Street. It is adjacent and east of the Harbor (110) Freeway, and the Civic Center is located approximately 1.7 miles to the northwest. The neighborhood is generally defined by the Hollywood/Ventura (101) Freeway to the north, the Pasadena/Harbor (110) Freeway to the west, San Pedro Street to the east, and the Santa Monica (10) Freeway to the south.

The subject neighborhood provides a mixture of commercial, residential, industrial and public uses and is nearly built-out. Commercial uses are primarily located in the central and western portions of the neighborhood, while industrial uses are located in the southeastern portion. Public and residential uses are scattered throughout the neighborhood, with the greatest concentration of public uses located in the northeast and southwest and the greatest concentration of residential uses located in the south. Properties vary in age, quality, and condition. The neighborhood is considered to be in a stable to revitalization stage of development.

Major traffic arterials in the neighborhood include Venice, Pico, Olympic, Wilshire and Beverly Boulevards; 3rd, 6th, 9th, Alameda, San Pedro, Main, Spring, Hill, and Figueroa Streets; and Grand and Central Avenues and Broadway are the major traffic arterials in the subject neighborhood. The closest access to the Pasadena/Harbor Freeway is at 11th Street, adjacent and northwest of the subject, and the closest access to the Santa Monica Freeway is at Flower Street, approximately ½ mile southeast of the subject. Union Station and the Patsaouras Transit Plaza are located just northeast of the subject neighborhood, providing Amtrak, commuter Metrolink, and subway Metrorail service, as well as several local transit bus lines, including the MTA and downtown DASH shuttles. Air transportation is available via Los Angeles International Airport located 11 miles southwest of the subject.

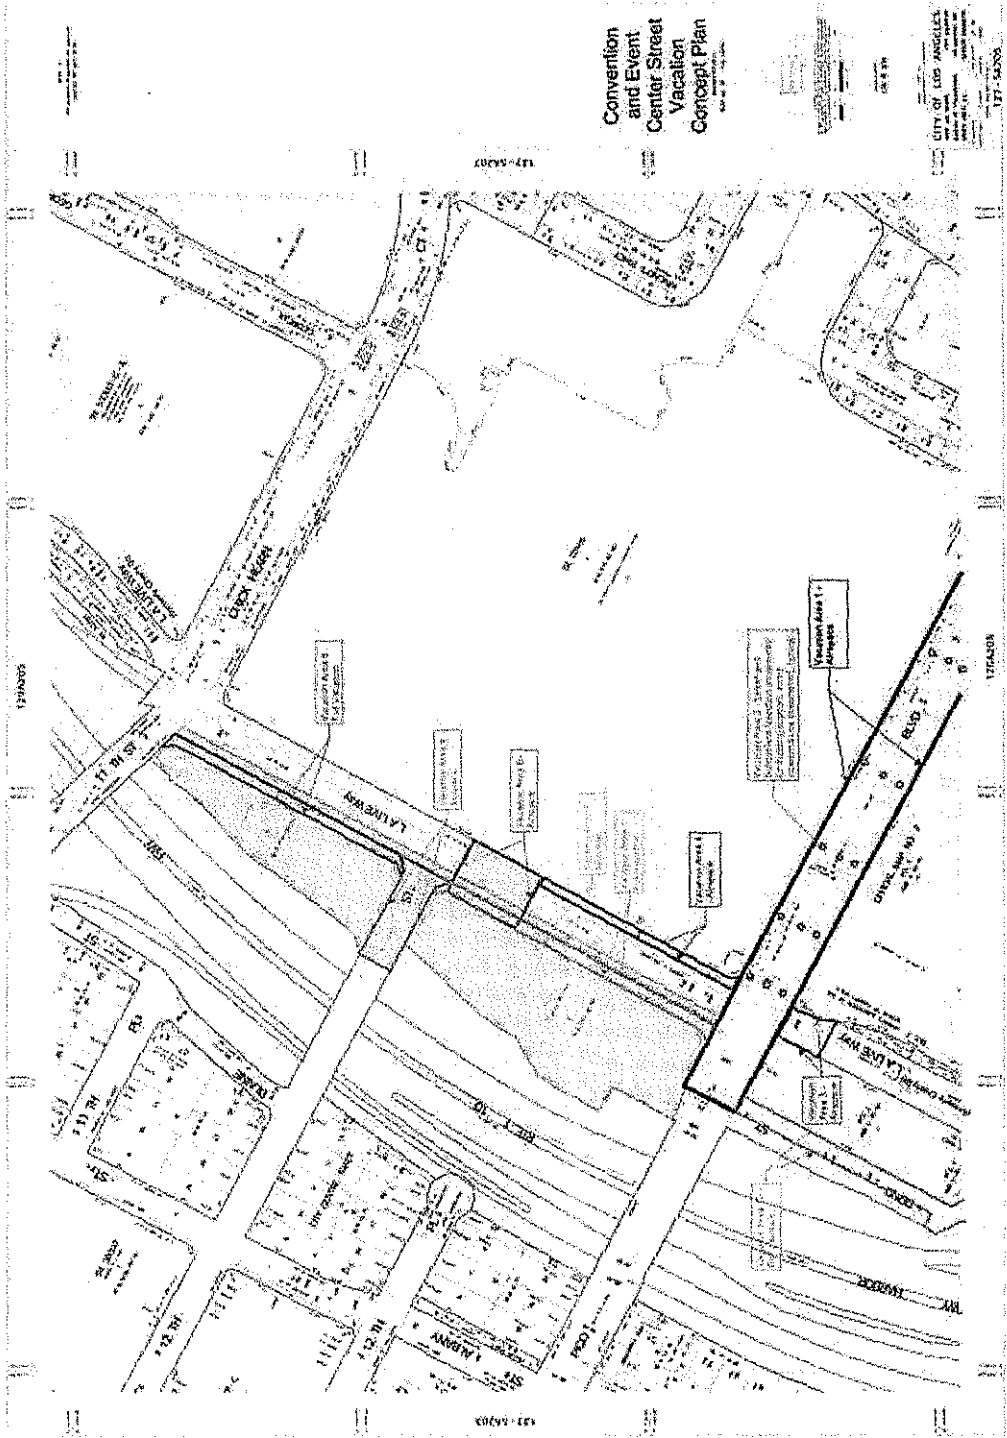

In conclusion, the subject is located in proximity to commercial and industrial development, residential subdivisions, major thoroughfares, and regional transportation systems. These transportation systems provide linkage to rail, airport, and shipping facilities. Community facilities including libraries, parks, golf courses, schools, and hospitals are located nearby. The continued and future acceptance of the neighborhood appears stable.

SITE DESCRIPTION

Location

The subject site consists of two non-contiguous parcels of land located at the southwest corner of L.A. Live Way and 11th Street, the northwest and southwest corners of L.A. Live Way and 12th Street, and the northwest corner of L.A. Live Way and Pico Boulevard, in the City and County of Los Angeles and State of California, 90015. The Los Angeles County Thomas Guide reference is page 634, grid C/5. The subject is also identified as the fee simple interest in APNs 5138-016-908 and 909 and a portion of L.A. Live Way, which is to be fully vacated, along with the air rights above portions of L.A. Live Way and 12th Street.

Size and Shape

The subject north parcel is located at the southwest corner of L.A. Live Way and 11th Street and the northwest corner of L.A. Live Way and 12th Street. It is irregular in shape and consists of the fee simple interest in APN 5138-016-908, with a site area of 47,835± square feet, and Vacation Area 9, a 6,065± square foot portion of L.A. Live Way located adjacent and east of APN 5138-016-908, between 11th and 12th Streets, with a width that is generally 13 feet. The overall site area of the north parcel is 53,900± square feet, or 1.24± acres, and the approximate boundaries and dimensions are as follows:

North Boundary (11 th Street)	63± Linear Feet
South Boundary (12 th Street)	163± Linear Feet
East Boundary (L.A. Live Way)	444± Linear Feet
West Boundary (Harbor Freeway)	Varies

The subject south parcel is located at the southwest corner of L.A. Live Way and 12th Street and the northwest corner of L.A. Live Way and Pico Boulevard. It is irregular in shape and consists of the fee simple interest in APN 5138-016-909, with a site area of 89,595± square feet, and Vacation Area 7, a 7,015± square foot portion of L.A. Live Way located adjacent and east of APN 5138-016-909, between Pico Boulevard and 12th Street, with a width that is generally 13 feet. The overall site area of the south parcel is 96,610± square feet, or 2.22± acres, and the approximate boundaries and dimensions are as follows:

North Boundary (12 th Street)	114± Linear Feet
South Boundary (Pico Boulevard)	177± Linear Feet
East Boundary (L.A. Live Way)	519± Linear Feet
West Boundary (Harbor Freeway)	Varies

The total site area of the fee simple portion of the subject property is 150,510± square feet, or 3.46± acres. The vacation request documents provided by the client indicate that the subject property will also include the following air rights commencing 14 feet above street grade: Vacation Area 4, a generally rectangular 5,990± square foot portion of L.A. Live Way located adjacent and west of APN 5138-016-912, commencing at Pico Boulevard on the south and extending approximately 382 feet to the northeast, with a width that is generally 15± feet; Vacation Area 5, a generally rectangular 12,960± square foot portion of L.A. Live Way located adjacent and east of APNs 5138-016-908 and 909 and between 11th Street and Pico Boulevard, with a width that is generally 12 feet; Vacation Area 6, a generally rectangular 13,875± square foot portion of L.A. Live Way located adjacent and east of Vacation Area 5, commencing at the southerly line of 12th Street for the full width of L.A. Live Way; and Vacation Area 8, a generally rectangular 11,030± square foot portion of 12th Street, commencing at the southwestern corner of APN 5138-016-908 and extending to Vacation Areas 7 and 9 to the southeast for the full width of 12th Street. The total air rights area is 43,855± square feet. Please

refer to the Convention and Event Center Street Vacation Concept Plan on the accompanying page for reference. **Please refer to Extraordinary Assumption No. 19.**

Topography/Drainage

Topography of the subject site is generally level. At the time of inspection, no flooding or ponding was evident. The subject is not located within a special flood hazard area. The site is located in Zone X of National Flood Insurance Program (NFIP) Map No. 06037C1620F, which is dated September 26, 2008. Zone X is defined as an area of minimal to moderate flood hazard. Flood hazard insurance is available, but not required by federal regulations.

Nuisances and Hazards

Although requested, Riggs & Riggs, Inc., was not provided with a Phase I or II Environmental Site Assessment Report pertaining to the subject site. It is assumed that there are no hazardous materials on or in the property that would cause a loss in value. **Please refer to Extraordinary Assumption No. 21.**

Soils and Geology

According to ZIMAS, the subject site is not located within an Alquist-Priolo Earthquake Fault Zone or a landslide or liquefaction zone, although it is located in an unidentified fault zone and a Methane Zone. While the City of Los Angeles Building and Safety, Engineering, and Planning Departments have the authority to withhold permits on projects located within Methane Zones, this is not considered to adversely impact the subject, as development is allowed upon approval of detailed plans containing suitable methane mitigation systems.

Although requested, Riggs & Riggs, Inc., was not provided with a soils or geological report for review. The site appears adequate to support construction standards consistent with the highest and best use conclusion. For the purpose of this appraisal, it is assumed that the soil and geological conditions are not unfavorable. **Please refer to Extraordinary Assumption No. 18.**

Utilities

The subject site is located in an urban area, with all typical utilities and services available along L.A. Live Way, 11th Street, 12th Street and Pico Boulevard. Additionally, off-site utilities and improvements including asphaltic streets; concrete curbs, gutters, and sidewalks; storm drains; fire hydrants and streetlights are located along L.A. Live Way, 11th Street, 12th Street and Pico Boulevard adjacent to the subject.

Accessibility and Visibility

The subject north parcel is located at the signalized intersections of L.A. Live Way and 11th Street and L.A. Live Way and 12th Street, with 444± feet of frontage along L.A. Live Way, 63± feet of frontage along 11th Street and 163± feet of frontage along 12th Street. The site is also visible from the Harbor (110) Freeway, which is adjacent to the west. The site is physically accessed from L.A. Live Way, although it also has legal access from 12th Street according to the Los Angeles Department of City Planning.

The subject south parcel is located at the signalized intersections of L.A. Live Way and 12th Street and L.A. Live Way and Pico Boulevard, with 519± feet of frontage along L.A. Live Way, 114± feet of frontage along 12th Street and 177± feet of frontage along Pico Boulevard. The site is physically accessed from L.A. Live Way and Pico Boulevard, although it also has legal access from 12th Street according to the Los Angeles Department of City Planning.

L.A. Live Way (formerly Cherry Street/Sentous Street) is a 102 foot-wide, northeast-southwest, asphalt-paved collector street of varying width, with 2 to 3 northeast-bound lanes, 2 southwest-bound lanes, northeast-bound left turn lanes located south of 12th Street and at 11th and 12th Streets, a northeast-bound right turn lane at 11th Street/Chick Hearn Court, a southwest-bound left turn lane at 12th Street, 2 left southwest-bound left turn lanes at Pico Boulevard, and 2 southwest-bound right turn lanes at Pico Boulevard. 11th Street is a northwest-southeast, 60 foot-wide asphalt-paved collector street, with 2 lanes in each direction; it turns into Chick Hearn Court east of L.A. Live Way. 12th Street is a northwest-southeast, 60 foot-wide asphalt-paved collector street, with 2 lanes in each direction, that terminates in a T-intersection at L.A. Live Way. Pico Boulevard is a northwest-southeast, asphalt-paved, modified secondary highway of varying width, with 2 northeast-bound lanes, 2 to 3 southwest-bound lanes, a northeast-bound right turn lane at L.A. Live Way, and a southwest-bound left turn lane at L.A. Live Way. **Please refer to Extraordinary Assumption No. 19.**

The field inspection was conducted during normal business hours, and traffic was noted to be moderate to heavy along L.A. Live Way, 11th Street and Pico Boulevard, and light along 12th Street. Access to the Harbor (110) Freeway is provided at L.A. Live Way adjacent to the subject (northbound) and Olympic Boulevard approximately 2 blocks north of the subject (southbound). Access to the Santa Monica (10) Freeway is provided at Grand Avenue approximately 0.7 miles southeast of the subject (eastbound) and Pico Boulevard approximately 1 block south of the subject (westbound). Overall, visibility is considered good-to-excellent and accessibility is considered good. The subject site appears to conform to current zoning requirements.

Zoning

The subject property is currently owned by the City of Los Angeles and zoned PF-4D-O, Public Facilities. According to Senior City Planner Jon Foreman, the site would likely be re-zoned C2-4D-O, Commercial, if sold to a private party. Although there are a variety of commercial and residential uses permitted in the C2 zone, for purposes of analysis, the client has requested that Riggs & Riggs, Inc., provide an opinion of the Value In Use of the property under the hypothetical condition that it is limited to only a parking use, as specified in the MOU. **Please refer to Extraordinary Assumption Nos. 22, 23, 24 and 25.**

There are no lot area or setback requirements for commercial uses in the C2 zone; residential uses must meet the lot area and setback requirements for the R4 zone (a minimum lot width of 50 feet and minimum lot area of 5,000 square feet, or 400 square feet per dwelling unit. Setback requirements vary depending upon building height, but are generally 15 feet for the front [10 feet for key lots], 3 to 16 feet for the sides, and 15 to 20 feet for the rear). The subject property is in Height District 4D, which limits CR uses to 75 feet; there are no specific height limits for other commercial uses. Although the maximum Floor Area Ratio (FAR) for R4 and commercial uses is normally 13:1, the "D" prefix refers to an additional development limitation created by Ordinance No. 176647, which reduces the maximum FAR to 6:1, with some exceptions.

Parking requirements vary depending upon use, with retail uses generally requiring 1 parking space for each 250 square feet of gross floor area and residential uses generally requiring 1 parking space for each dwelling unit of less than 3 habitable rooms, 1 ½ parking spaces for each dwelling unit of 3 habitable rooms, and 2 parking spaces for each dwelling unit of more than 3 habitable rooms. The subject property is located within the Central City and Downtown Business District Parking Areas. The Central City Parking Area has reduced parking requirements for residential uses, including a requirement of only 1 to 1 ¼ spaces per dwelling unit. The Downtown Business District Parking Area has reduced parking requirements for a variety of uses, including a requirement of 1 space per 1,000 square feet of gross floor area for business, commercial or industrial buildings having a gross floor area of 7,500 square feet or more.

According to the City of Los Angeles Zone Information and Map Access System (ZIMAS), there are three Zoning Information (ZI) cases that impact the subject property: the Los Angeles State Enterprise Zone (ZI-2374) allows reduced parking ratios and provides economic incentives to stimulate local investment and

employment through tax and regulation relief and improvement of public services; the Greater Downtown Housing Incentive Area (ZI-2385) allows a 35 percent floor area bonus for projects that voluntarily provide a prescribed percentage of units for affordable housing; and the Downtown Design Guide Project Area (ZI-2416) requires clearance from the Department of City Planning before grading, foundation, building, sign or use of land permits are issued. The property is also located within the Downtown Adaptive Reuse Incentive Area, which provides a number of incentives to change the use of any eligible existing building or portion thereof to dwelling units, guest rooms, or joint living and work quarters.

General Plan

Although the subject's General Plan land use designation is currently Public Facilities, Senior City Planner Jon Foreman has indicated that the designation would likely be amended to Regional Commercial if the property were sold to a private party. The Regional Commercial land use designation is consistent with the C2-4D-O zoning designation. **Please refer to Extraordinary Assumption No. 22.**

Redevelopment Area

The subject was located within the Central Business District Redevelopment Area, which expired on July 18, 2010.

Encumbrances

Riggs & Riggs, Inc., was provided with a Preliminary Title Report prepared by Chicago Title Company, Order No. 116743050F-X49 dated August 1, 2011. This report is labeled AEG Los Angeles Stadium and Event Center and references 9 parcels labeled Parcel A through Parcel I. It appears to include the fee simple portion of the subject property, along with a number of other properties, although there is no differentiation between the subject and the other properties. Preliminary Title Reports for portions of 12th Street and L.A. Live Way that appear to include the majority of Vacation Areas 4, 5, 6, 7, 8 and 9 were also provided, although the individual vacation areas are not specifically identified. These reports were also prepared by Chicago Title Company, Order Nos. 116743050H-X49 and 116743050I-X49 dated August 1, 2011.

Although requested, Riggs & Riggs, Inc., was not provided with a Preliminary Title Report specific to the subject property, or a map plotting the encumbrances that impact the subject. Therefore, for the purposes of analysis, it is assumed that any encumbrances impacting the subject property are typical for an urban property and do not adversely affect the site. **Please refer to Extraordinary Assumption No. 20.**

Site Utility

The subject consists of the fee simple interest in two non-contiguous parcels of land that are generally level and irregularly-shaped, with a total area of 150,510± square feet, or 3.46± acres, along with the air rights above L.A. Live Way and 12th Street in 4 adjacent and contiguous areas totaling 43,855± square feet. The north parcel is located at 2 signalized intersections, with physical access from one collector street and legal access from a second collector street; the south parcel is located at 2 signalized intersections, with physical access from a collector street and a modified secondary highway and legal access from a second collector street. The site has good-to-excellent visibility and good accessibility, with all utilities available along L.A. Live Way, 11th Street, 12th Street and Pico Boulevard. The subject includes the air rights above 12th Street between the north and south parcels, allowing a common use to be developed on them, although the irregular configuration and relatively narrow depth to width ratio limit the development potential. Site utility is considered average overall.

Although the subject site is adjacent to the Los Angeles Convention Center and is improved with a parking structure and a portion of L.A. Live Way, only the underlying land and air rights have been appraised at the request of the client. **Please refer to Extraordinary Assumption Nos. 19 and 20.**

Real Estate Assessment Data

The subject site, identified as the fee simple interest in APNs 5138-016-908 and 909 and a portion of L.A. Live Way, which is to be fully vacated, along with the air rights above portions of L.A. Live Way and 12th Street, is located in Tax Rate Area 00211. The 2011-2012 tax rate is 1.245849 percent per \$100 of assessed value. The subject is exempt from all taxes as it is owned by the City of Los Angeles, and therefore is not assessed. **Please refer to Extraordinary Assumption No. 19.**

Improvement Summary

Although the subject property is currently improved with a parking structure and portions of 12th Street and L.A. Live Way, no consideration has been given to any existing improvements on the site, which will be demolished according to the terms of the proposed ground lease. No deduction has been made for demolition costs, as demand is considered sufficient to offset them. **Please refer to Extraordinary Assumption No. 19.**

Highest and Best Use Analysis

The client has requested that Riggs & Riggs, Inc., calculate the annual ground rent payable by AEG for the subject property as of September 1 of 2012, 2013 and 2014 based upon the Value In Use of the fee simple and air rights interests in the underlying land as of November 3, 2011, under the hypothetical condition that the property is limited to a parking use as outlined in the terms of the MOU. **The hypothetical assumption eliminates consideration of the highest and best use, to arrive at an opinion of Value In Use. As such, the Value In Use and ground rent conclusions do not represent Market Value or Fair Market Value as outlined in the MOU. Please refer to Extraordinary Assumption No. 24.**

APPROACHES TO VALUE

The valuation of any parcel of real estate is derived principally through the three basic approaches to value: the Cost Approach; the Income Capitalization Approach; and the Sales Comparison Approach. The methodology used in the following sections of the appraisal include:

Cost Approach - This approach to value is devoted to an analysis of the physical value of the property; that is, the current value of the vacant land, to which is added the cost to construct the improvements. Any accrued depreciation is deducted for physical deterioration, functional obsolescence, and external obsolescence. Physical deterioration measures the physical wearing out of the property as observed during the field inspection. Functional obsolescence reflects a lack of desirability by reason of layout, style or design of the structure. External obsolescence denotes a loss in value from causes outside the property itself.

Income Capitalization Approach - Investment properties are normally valued in proportion to their ability to produce income. Hence, an analysis of the property in terms of its ability to provide a sufficient net annual return on invested capital is an important means of valuing an asset. An opinion of value by the Income Capitalization Approach is arrived at by capitalizing the net income at an interest rate or investment yield commensurate with the risk inherent in the fee ownership of the property. Such a conversion of income considers competitive returns offered by alternative investments. Commercial developments are considered to be desirable real estate investments.

Sales Comparison Approach - This approach to value is based upon the principle of substitution; that is, when a property is replaceable in the market, its value tends to be set at the cost of acquiring an equally desirable property, assuming no costly delay in making the substitution. As no property is identical to another, it is necessary to make adjustments for any differences.

The indications of value derived by the three approaches are not always possible or practical to use. The nature of the property being appraised and the amount, quality, and type of market data available dictates the use or non-use of one or more of the approaches to value. In this appraisal, only the Sales Comparison Approach was utilized since the subject property consists of underlying fee land and air rights. The Cost and Income Capitalization Approaches are not applicable.

SALES COMPARISON APPROACH

The application of the Sales Comparison Approach produces an opinion of value for the subject property by comparing it with similar or comparable properties which have recently sold. The comparison process is used to determine the degree of comparability between two properties. This process involves judgment. Similarity in value factors, such as property rights, buyer expenditures, financing, condition of sale, market conditions, location, and physical characteristics are considered meaningful for this analysis.

The sale price of the properties deemed to be most comparable establish a range in which the value of the subject property should fall. Further consideration of the comparative data will result in a figure representing the value of the subject property – the most probable price at which it could be sold by a willing seller to a willing buyer as of the date of the value.

The technique is fairly simple in nature. Sales data of comparable properties are gathered, investigated, and verified. Data sources have been discussed, and each sale is confirmed with buyer, seller, or representative when possible. After verification, comparison is made between the comparable and the subject. Adjustments, if required, are made for any differences between sale and subject. The result is some unit or units of comparison which will be helpful in evaluating the subject property.

The Sales Comparison Approach is used to estimate the value of real estate, based on the theory that an informed and prudent buyer would not pay more for a property than the cost of acquiring another property with the same utility. It is, therefore, based upon the principle of substitution. This approach requires an active market and the availability of other properties from which a buyer can make a choice.

Several transfers are considered reasonably comparable to the subject and suitable for further analysis. Data items are narrowed to those sales which exhibit the greatest similarity to the subject. In order to determine an indicated value, the subject was evaluated based on the Sale Price Per Square Foot.

Market Data Summary

The subject property is currently owned by the City of Los Angeles and zoned PF-4D-O, Public Facilities. According to Senior City Planner Jon Foreman, the site would likely be re-zoned C2-4D-O, Commercial, if sold to a private party. Although there are a variety of commercial and residential uses permitted in the C2 zone, for purposes of analysis, the client has requested that Riggs & Riggs, Inc., provide an opinion of the Value In Use of the property under the hypothetical condition that it is limited to a parking use, as specified in the MOU. Riggs & Riggs, Inc., conducted a search for sales of properties within the subject market legally limited to a parking use over the past 3 years; however, none were found. The search was therefore expanded to include commercial land within the subject market over the past 4 years. The resulting sales were gathered, compared and analyzed. The results of this process provide the basis for the opinion of the Value In Use of the site. All of the sales are adjusted for quantitative factors, when applicable. Our market data is found on the following page, along with a location map depicting each sale.

LAND SALE NO. 1

Physical Description

Location: 901 West Olympic Boulevard
 Los Angeles, CA 90015
 Thomas Brothers Guide: Los Angeles County: 634, D/4
 Assessor Parcel Number: 5138-005-036, 038, 041, 045

Land Description

Site Area: 44,530± Square Feet, or 1.02± Acres
 Shape: Generally Rectangular
 Topography: Level
 Utilities: All available to site
 Zoning: LASED, City of Los Angeles

Sale Data

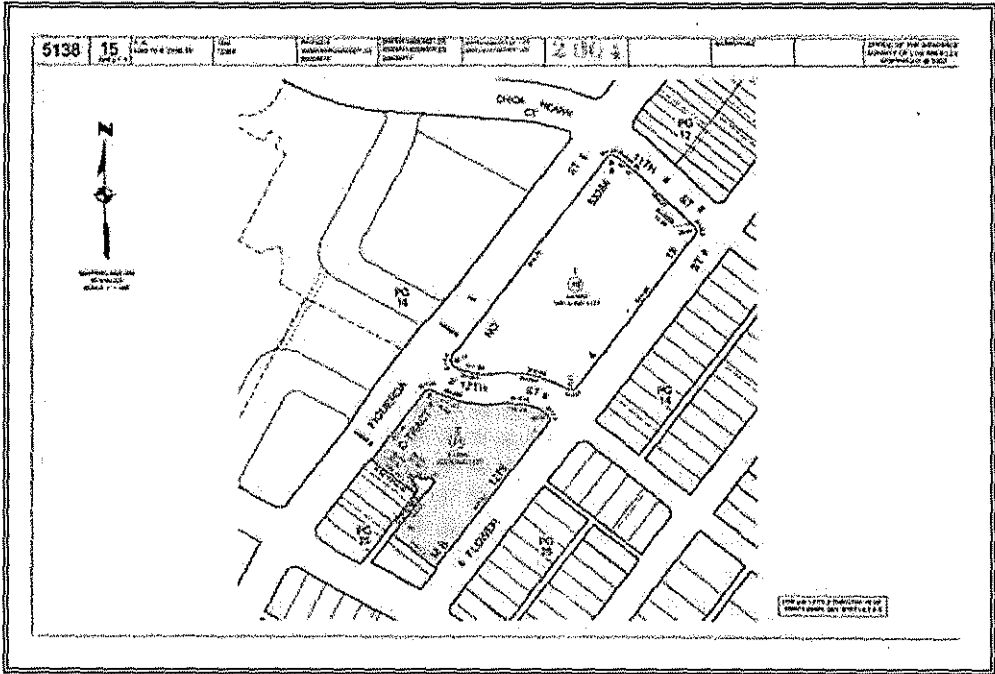

Interest Sold: Fee Simple
 Date of Sale: August 17, 2011
 Deed Date: August 17, 2011
 Document No.: 1107244
 Sale Price: \$20,000,000
 Sale Price/SF: \$449.14
 Grantor: L.A. Arena Land Company, LLC
 Grantee: 901 West Olympic Boulevard Limited Partnership
 Financing: All cash transaction

Verification:

Homer Williams, Chairman for Buyer

Comments: This site is located at the signalized northwest corner of Olympic Boulevard and Francisco Street, and appears to have legal access from both. It is across the street from the Ritz Carlton/JW Marriott Tower and within the Los Angeles Sports and Entertainment District Specific Plan. According to the Specific Plan, this site and the neighboring parcels to the west are designated for 206,500 square feet of hotel/ballroom space (275 rooms), 601,800 square feet of office space and 89,250 square feet of residential space (65 dwelling units). The site, which was improved with a parking lot at the time of sale, is located within the Los Angeles State Enterprise Zone, the Greater Downtown Housing Incentive Area, and the Central City and Downtown Business District Parking Areas.

LAND SALE NO. 2

Physical Description

Location: 1215 South Flower Street
 Los Angeles, CA 90015
 Thomas Brothers Guide: Los Angeles County: 634, D/5

Brendan McArthur, Listing Broker

Land Sale No. 3 (Continued)

Comments: This site is located at the signalized southeast corner of Figueroa and 12th Streets and the signalized southwest corner of Flower and 12th Streets, with access from all three streets. It is across the street from Staples Center and the Los Angeles Convention Center and within the Los Angeles Sports and Entertainment District Specific Plan. According to the Specific Plan, this site is designated for 822,000 square feet of residential space (648 dwelling units) and 48,000 square feet of retail/entertainment/restaurant space. Although Tract Map No. 53384, an air rights subdivision, was recorded on June 11, 2003 and Tentative Tract Map No. 66892 was approved on December 13, 2007, they did not have any contributory value according to the listing broker. The site, which was improved with a parking lot at the time of sale, is located within the Los Angeles State Enterprise Zone, the Greater Downtown Housing Incentive Area, and the Central City and Downtown Business District Parking Areas.

LAND SALE NO. 3

Physical Description

Land Sale No. 3 (Continued)

Comments: This unentitled site consists of an interior location along the north side of West 7th Street, between Witmer and Valencia Streets, and includes of four contiguous lots. Topography is generally level and terraced, with two parcels at grade and two above grade. The property is located within the Central City West Specific Plan and allows C2 uses, with a height limit of 1,168 feet above mean sea level and a maximum FAR of 3:1. The site is located within the Los Angeles State Enterprise Zone and the Central City Parking Area.

LAND SALE NO. 4

Physical Description

Location:	311 3 rd Street Los Angeles, CA 90013
Thomas Brothers Guide:	Los Angeles County: 634, F/4
Assessor Parcel Number:	5149-009-001, 008, 009

Land Description

Site Area:	26,400± Square Feet, or 0.61± Acres
Shape:	Rectangular
Topography:	Generally level to slightly sloping
Utilities:	All available to site
Zoning:	C2-4D, City of Los Angeles

Sale Data

Interest Sold:	Fee Simple
Date of Sale:	March 10, 2011
Deed Date:	March 8, 2011
Document No.:	0368556
Sale Price:	\$3,300,000
Sale Price/SF:	\$125.00
Grantor:	250 S. Hill Street, LLC
Grantee:	Third & Hill Development, LLC
Financing:	All cash transaction

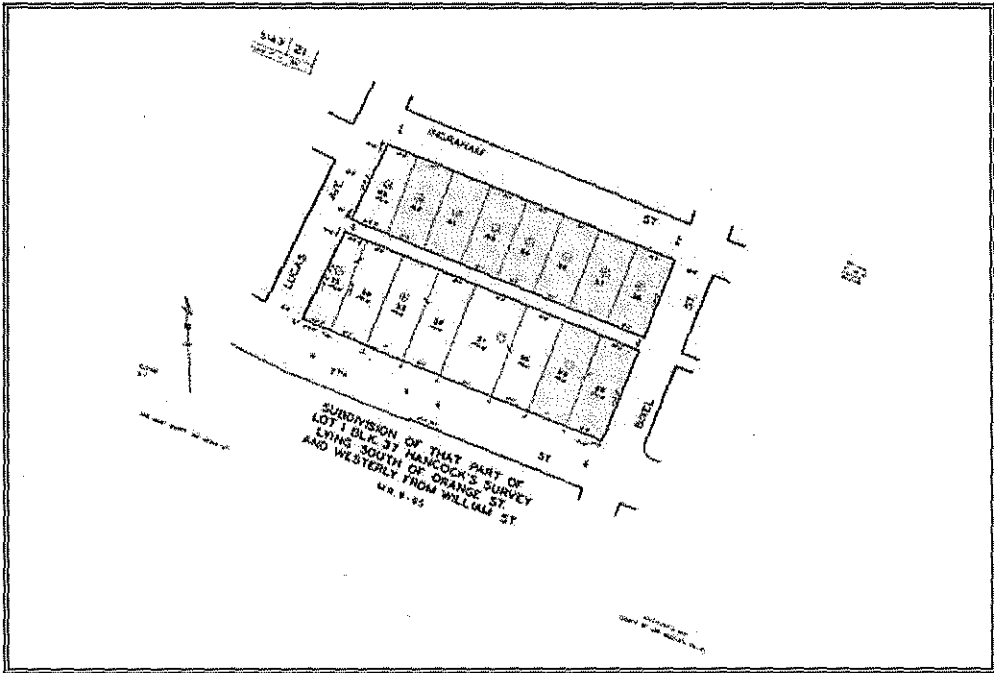

Verification:

Mark Farzan, Buyer

Land Sale No. 4 (Continued)

Comments: This site is located at the signalized east corner of 3rd and Hill Streets and the signalized southwest corner of Flower and 12th Streets, with access from both streets. Although Vesting Tract Map No. 71179 with 280 residential condominiums and retail/commercial/restaurant space was submitted on October 19, 2009, it had not been approved and was pending environmental clearance at the time of sale according to the Los Angeles Department of City Planning, and was therefore not considered to have any contributory value. The site, which was improved with a parking lot at the time of sale, is located within the Los Angeles State Enterprise Zone, the Greater Downtown Housing Incentive Area, and the Central City and Downtown Business District Parking Areas.

LAND SALE NO. 5

Physical Description

Location: 1136 Ingraham Street
 Los Angeles, CA 90017
 Thomas Brothers Guide: Los Angeles County: 634, D/4
 Assessor Parcel Number: 5143-021-001 and 008 through 014

Land Description

Site Area: 71,783± Square Feet, or 1.65± Acres (gross)
 65,604± Square Feet, or 1.51± Acres (net)
 Shape: Irregular
 Topography: Generally level to slightly sloping
 Utilities: All available to site
 Zoning: C4(CW)-U/6, City of Los Angeles

Sale Data

Interest Sold: Fee Simple
 Date of Sale: September 1, 2010
 Deed Date: August 16, 2010
 Document No.: 1230729
 Sale Price: \$10,000,000
 Sale Price/SF: \$139.31
 Grantor: Ingraham & Bixel, LLC
 Grantee: Career Lofts, LLC
 Financing: \$5,000,000 cash down payment (50%); \$5,000,000 1st TD with Shinhan Bank America at undisclosed market terms

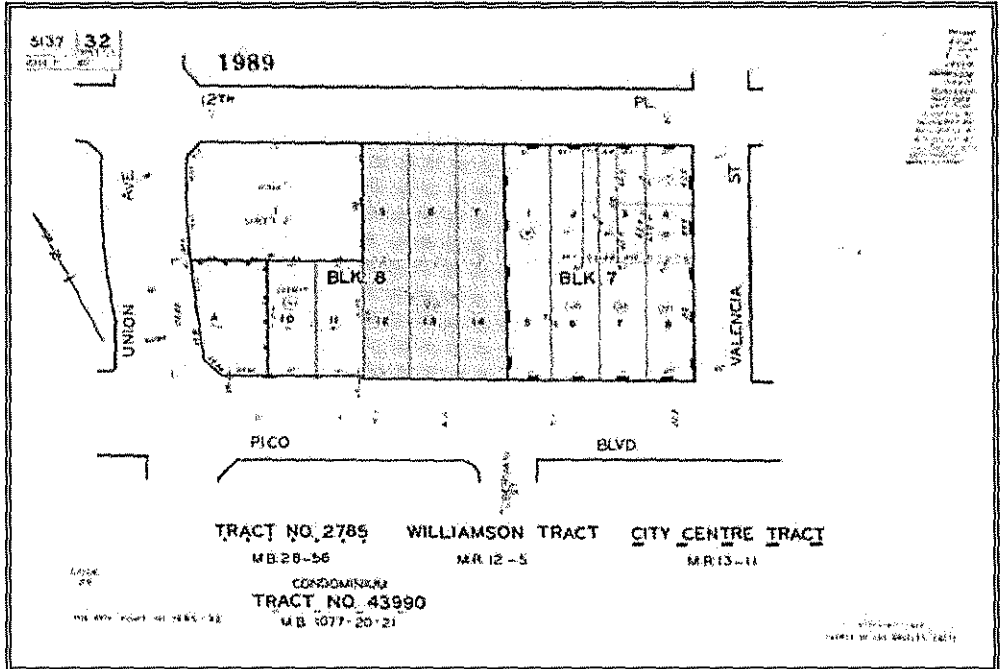

Verification:

Mark Hong, Listing Broker

Land Sale No. 5 (Continued)

Comments: This site is located at the non-signalized southwest corner of Ingraham and Bixel Streets and the signalized northwest corner of Bixel and 7th Streets and is bisected by a public alley. Access is currently provided along Ingraham and Bixel Streets and the public alley. The property is located within the Central City West Specific Plan and allows C4 uses, with a height limit of 1,218 feet and a maximum FAR of 6:1. Although it was entitled for 334 residential condominiums and 15,175 square feet of retail space at the time of sale, the value of the entitlements was nominal as the buyer plans to re-entitle the property for 300 apartment units according to the listing broker. The site, which was improved with a parking lot at the time of sale, is located within the Los Angeles State Enterprise Zone and the Central City Parking Area.

LAND SALE NO. 6

Physical Description

Location: 1521 West Pico Boulevard
 Los Angeles, CA 90015
 Thomas Brothers Guide: Los Angeles County: 634, C/5
 Assessor Parcel Number: 5137-032-023

Land Description

Site Area: 37,500± Square Feet, or 0.86± Acres
 Shape: Rectangular
 Topography: Level
 Utilities: All available to site
 Zoning: CM-1 and R4-1, City of Los Angeles

Sale Data

Interest Sold: Fee Simple
 Date of Sale: April 17, 2009
 Deed Date: January 9, 2009
 Document No.: 0558321
 Sale Price: \$5,200,000
 Sale Price/SF: \$138.67
 Grantor: Extra Space of Pico Boulevard, LLC
 Grantee: AMCAL Multi-Housing, Inc.
 Financing: All cash transaction

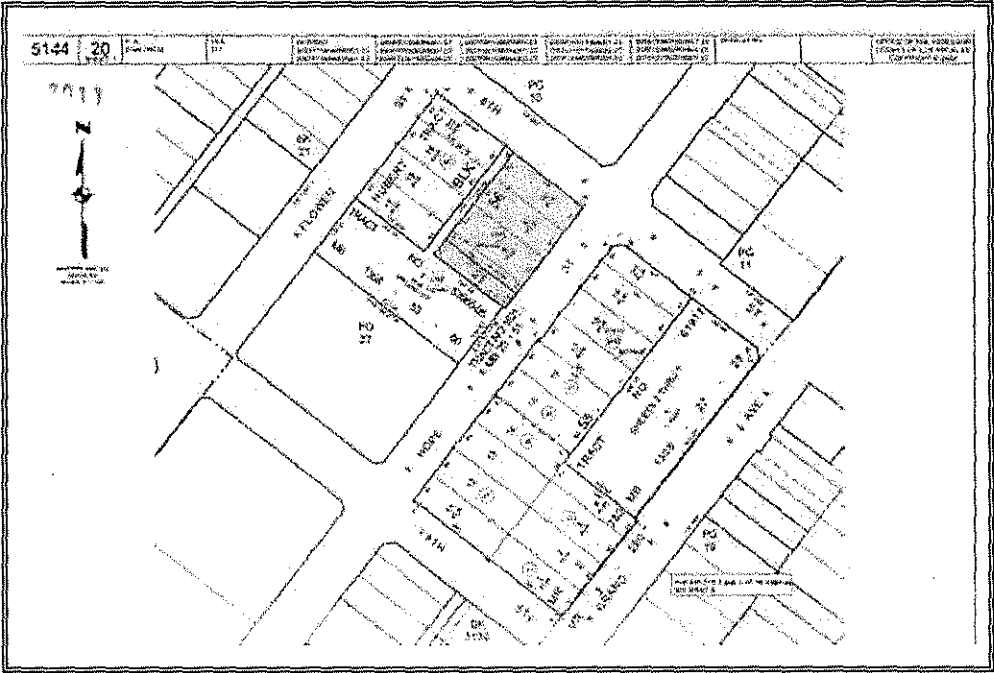

Verification:

Mark Morgan, Acquisition Manager for Buyer
 Charles Allen, Manager for Seller

Land Sale No. 6 (Continued)

Comments: This site consists of an interior location between Pico Boulevard and 12th Place, and appears to have legal access from both. The sale price reportedly represented the unentitled land, although the buyer obtained conditional approval for 56 units of affordable rental housing and a commercial/retail/community room prior to the sale. Although the site was improved with a 29,168± square foot office building at the time of sale, demolition costs were reportedly not considered. The site is located within the Los Angeles State Enterprise Zone.

LAND SALE NO. 7

Physical Description

Location:	805 South Hope Street Los Angeles, CA 90017
Thomas Brothers Guide:	Los Angeles County: 634, E/4
Assessor Parcel Number:	5144-020-025, 188 (now 5144-020-195)

Land Description

Site Area:	35,630± Square Feet, or 0.82± Acres
Shape:	Rectangular
Topography:	Level
Utilities:	All available to site
Zoning:	C2-4D, City of Los Angeles

Sale Data

Interest Sold:	Fee Simple
Date of Sale:	July 22, 2008
Deed Date:	July 16, 2008
Document No.:	1303617
Sale Price:	\$17,000,000
Sale Price/SF:	\$477.13
Grantor:	CIM/8 th & Hope, LLC
Grantee:	Hope Street,, LLC
Financing:	All cash transaction

Verification:

John Eichler, Listing Broker

Comments: This site is located at the signalized southeast corner of 8th and Hope Streets, and appears to have legal access from both. The property was conditionally approved for 290 live/work condominium units and 16,000 square feet of ground-level retail space at the time of sale and would have sold for approximately \$250.00 unentitled according to the listing broker; a downward Condition of Sale adjustment was therefore made. The site, which was improved with a parking lot at the time of sale, is located within the Los Angeles State Enterprise Zone, the Greater Downtown Housing Incentive Area, and the Central City and Downtown Business District Parking Areas.

LAND SALE NO. 8

Physical Description

Location: Southeast corner of Los Angeles Street and 2nd Street
 Los Angeles, CA 90012
 Thomas Brothers Guide: Los Angeles County: 634, G/4
 Assessor Parcel Number: 5161-024-014, 018

Land Description

Site Area: 44,027± Square Feet, or 1.01± Acres
 Shape: Generally Rectangular
 Topography: Level
 Utilities: All available to site
 Zoning: [Q]C2-4D-O, City of Los Angeles

Sale Data

Interest Sold: Fee Simple
 Date of Sale: March 18, 2008
 Deed Date: March 14, 2008
 Document No.: 0461811
 Sale Price: \$10,975,000
 Sale Price/SF: \$249.28
 Grantor: CityView Kor I, LLC
 Grantee: Avalon Bay Communities, Inc.
 Financing: All cash transaction

Verification:

Christopher Payne, Buyer

Land Sale No. 8 (Continued)

Comments: This site is located at the signalized southeast corner of 2nd and Los Angeles Streets, with access from both and reciprocal access through the properties to the south and east. This property is part of a larger proposed development known as "The Block 8 Development," a mixed-use project consisting of 519 residential condominium units, 231 apartment units and 50,000 square feet of retail space. Although the buyer had previously purchased the adjacent parcels to the south, there was reportedly no premium paid for assemblage. According to the buyer, the property was fully entitled at the time of sale, with the entitlements contributing approximately 30 percent to the purchase price; a downward Condition of Sale adjustment was therefore made. The [Q] zoning condition limits the ground floor commercial uses that can be developed on the site. The site, which was improved with two parking lots at the time of sale, is located within the Los Angeles State Enterprise Zone, the Greater Downtown Housing Incentive Area, and the Central City and Downtown Business District Parking Areas.

Discussion of Adjustments

All of the land sales have been adjusted to the subject property for property rights, buyer expenditures, financing, condition of sale, market conditions, location, and physical factors when applicable. These adjustments are defined below:

Property Rights at Sale

This category adjusts for property rights conveyed and takes into account differences in legal estate between the subject and each comparable property. Generally, property rights are either fee simple interest or leased fee interest.

Buyer Expenditures

This category adjusts for additional costs incurred by the buyer which are required to make the property ready for development and/or use. This includes expenditures for demolition costs and other expenses paid by the buyer in addition to the purchase price.

Financing

This category adjusts the sale price of each comparable into its cash equivalent or modifies the price to current market financing. Favorable financing often leads to a higher selling price and unfavorable financing may reflect a lower selling price.

Condition of Sale

This category adjusts for atypical conditions of sale and reflects any difference between the actual sale price of a comparable and its probable sale if it were currently sold in an arm's length transaction. Please refer to the individual data sheets for discussion of applicable adjustments.

Market Conditions (Time)

This category adjusts for market conditions and reflects changes in the prices paid due to changes in market conditions over time. The comparable properties are adjusted from the date of sale to date of value. In reviewing the market, we found eight commercial land sales that cover a marketing time from March 2008 through August 2011. These were the most recent and competitive sales in the subject market. Our analysis of available market information, supported by discussions with market participants in the course of our verifications, indicates land prices for commercial land decreased by approximately 12 percent annually, or 1.00 percent per month, between March 2008 and December 2010, and were generally stable between January 2011 and the present. Therefore, time adjustments were made for the appropriate time periods to the date of value.

Location and Physical Conditions

These categories consider differences between the subject and each comparable property for location and physical conditions. We considered differences in location, zoning/permitted uses, size, site utility, visibility and accessibility. Each is defined below:

Location - This category adjusts the sales for differences in location for linkages, area, and other factors.

Zoning/Permitted Uses - This category adjusts for differences in zoning, legal entitlements, and permitted land uses. If quantified adjustments were made for the contributory value of entitlements as a Condition of Sale, no adjustment was made for entitlements relative to that sale in this category. The subject property has been analyzed assuming that it can only be developed with a parking use. **Please refer to Extraordinary Assumption Nos. 22 and 24.**

Size - This category adjusts for differences in the size of each comparable to the subject site. Typically, smaller properties require downward adjustment as they tend to reflect higher unit prices than larger sites. Larger properties require upward adjustment as they tend to reflect lower unit prices than smaller sites.

Site Utility - This category adjusts for differences in topography, development, configuration, and usability of the site.

Visibility - This category adjusts for differences in the visibility of each sale to the subject site.

Accessibility - This category adjusts for differences in the accessibility of each sale to the subject site.

The adjustment grid on the following page summarizes the adjustments for each of the sales as they apply to the subject property. Adjustments for differences between the subject and each comparable property are expressed in percentages for property rights, buyer expenditures, financing, condition of sale, and market conditions based on our analysis of the market, as applicable. Qualitative adjustments have been applied for the location and other physical characteristics of each sale compared with the subject. A superior rating indicates the market data item is being adjusted downward to the subject. An inferior rating indicates the market data item is being adjusted upward to the subject. Each physical characteristic may not be weighted equally. Then, an overall rating is assigned to each sale as it compares with the subject.

Analysis and Conclusions

The adjusted sales range from \$70.09 to \$449.14 per square foot, before adjusting for physical characteristics. Based on our analysis of the land sales, the overall ratings of the adjusted sales compared to the subject property are as follows:

Inferior (Sale No. 3)	\$70.09 per square foot
Similar	N/A
Superior (Sale Nos. 1, 2, 4, 5, 6, 7 and 8)	\$110.20 to \$449.14 per square foot

Based on our analysis, an expected value indicator for the subject should fall between \$70.09 and \$110.20 per square foot. Sale No. 3 was considered inferior to the subject overall at \$70.09 per square foot, due primarily to inferior location, visibility and accessibility, and set the lower limit of value for the subject. Sale Nos. 1, 2, 4, 5, 6, 7 and 8 were considered superior to the subject overall at \$110.20 to \$449.14 per square foot, due primarily to smaller size and/or superior zoning/permitted uses, site utility, or accessibility, and set the upper range of value for the subject.

After considering adjustments for differences in property rights, buyer expenditures, financing, conditions of sale, market conditions, location and physical characteristics, it is our opinion that an appropriate value indicator for the subject site, underlying fee land only, is \$100.00 per square foot, which is within the range of the market. Shown below is our calculation of the Value In Use of the subject site:

LAND VALUE IN USE

Land Area		Price/Square Foot	=	Indicated Value
150,510± SF	x	\$100.00		\$15,051,000
Indicated Value In Use of the Fee Simple Portion of the Subject Site by the Sales Comparison Approach				\$15,051,000

Air Rights Analysis

Air rights represent one component in the vertical division of real property rights, the others being surface rights and subsurface rights. As previously discussed, the subject property includes the air rights to Vacation Areas 4, 5, 6 and 8, totaling 43,855± square feet. The market was surveyed for comparable air rights sales, however none were discovered in the area. Therefore, an allocation of the air rights from the underlying fee simple land was considered in order to conclude a final value opinion for the air rights to Vacation Areas 4, 5, 6 and 8. **Please refer to Extraordinary Assumption No. 25.**

Vacation Areas 4, 5, 6 and 8 consist of the air rights above portions of L.A. Live Way and 12th Street, which are public streets, commencing 14 feet above street grade. Since public streets do not transfer in the open market, the value of the fee simple interest in these areas is considered to be the same as that of the adjacent land, utilizing the Across the Fence Technique. In the case of Vacation Areas 4, 5, 6 and 8, the adjacent land consists of the fee simple portion of the subject property, which was analyzed above and concluded at \$100.00 per square foot, including surface, subsurface and air rights.

In order to determine the appropriate air rights allocation factor for Vacation Areas 4, 5, 6 and 8, the proposed development of the site was analyzed utilizing the Across the Fence Technique, as previously discussed. The client provided Riggs & Riggs, Inc., with a Conceptual Design exhibit dated June 30, 2011 depicting an 8 story parking structure with one additional basement parking level that is currently being proposed for the subject site. **Please refer to Extraordinary Assumption No. 25.** This equates to a total of 9 stories, 1 of which would be built utilizing sub-surface rights, 1 utilizing surface rights and 7 utilizing air rights. Thus, the air rights comprise 7/9, or 77.8 percent, of the proposed development of the site. The appropriate air rights allocation factor for Vacation Areas 4, 5, 6 and 8 is therefore considered to be 77.8 percent. The square footage of each Vacation Area is multiplied by \$100.00 per square foot, providing the fee simple value of each Vacation Area; the air rights allocation factor is then applied, providing the value of the air rights for each Vacation Area. The calculations are shown below:

VALUATION OF AIR RIGHTS						
Area	Size (SF)		Fee Simple Indicator		Air Rights Allocation Factor	Air Rights Value In Use
Vacation Area 4	5,990±	x	\$100.00	x	77.8%	= \$466,022
Vacation Area 5	12,960±	x	\$100.00	x	77.8%	= \$1,008,288
Vacation Area 6	13,875±	x	\$100.00	x	77.8%	= \$1,079,475
Vacation Area 8	<u>11,030±</u>	x	\$100.00	x	77.8%	= <u>\$858,134</u>
Total	43,855±					
Indicated Value In Use of the Air Rights Portion of the Subject Site						\$3,411,919

Conclusion

The summation of the indicated Value In Use of the fee simple and air rights portions of the subject site provide a total indicated Value In Use for the subject site, as follows:

Indicated Value In Use of the fee simple portion of the subject site	\$15,051,000
Indicated Value In Use of the air rights portion of the subject site	<u>\$ 3,411,919</u>
Total Indicated Value In Use of the Subject Site	\$18,462,919
Rounded to:	<u>\$18,460,000</u>

**RECONCILIATION AND FINAL OPINION
OF VALUE (FEE SIMPLE AND AIR RIGHTS)**

The final conclusion or opinion has resulted from the application of the Sales Comparison Approach and an allocation factor derived from an analysis of the air rights areas. In summary, this approach provides a value indicator for vacant land and air rights, and is most commonly used by market participants. The Sales Comparison Approach is considered to be the primary approach to value. **Please refer to Extraordinary Assumption Nos. 18, 19, 20, 21, 22, 23, 24 and 25.** Based on the data presented, analysis, and reconciliation, the Value In Use of the Fee Simple and Air Rights Interests in the subject property, underlying land only, as of November 3, 2011, is:

EIGHTEEN MILLION FOUR HUNDRED SIXTY THOUSAND DOLLARS

..... **\$18,460,000.**

MARKET GROUND RENT CALCULATIONS

At the request of the Client, we have calculated the annual ground rent for the subject property as of September 1 of the years 2012, 2013 and 2014. **Although the MOU calls for the subject to be ground leased to AEG with annual rental payments based on "Fair Market Value," the client has requested that the ground rent calculations be based upon the hypothetical condition that the property is limited to a parking use. As such, the ground rent calculations are based upon the \$18,460,000 concluded Value In Use of the fee simple and air rights interests in the subject property as of November 3, 2011, and do not represent Market Value or Fair Market Value as outlined in the MOU.** The ground rent calculations will be utilized in negotiations with the proposed developer, AEG, to establish a ground lease for the subject property. Although the MOU calls for AEG to allow patrons to park in the parking structure to be constructed on the subject property during Los Angeles Convention Center events, the client was not able to provide Riggs & Riggs, Inc., with any details regarding this potential shared use of the subject property. It is therefore assumed that any shared use will not negatively impact AEG. **Please refer to Extraordinary Assumption Nos. 24, 25 and 26.**

According to the terms of the draft MOU, AEG will ground lease the subject property and construct a parking structure that will accommodate approximately 3,000 vehicles. The draft MOU specifies a 55 year term for the proposed ground lease; although there are no rent escalations noted for the subject property in the MOU, the proposed lease for the Event Center includes 1.75 percent annual rent escalations. Based upon our review of the draft MOU and analysis of the market, it is our opinion that a 1.75 percent rent escalation rate is reasonable.

The market was surveyed for current ground leases, rates of return, and leasing practices of both private firms and public agencies to derive the estimated net operating income attributable to the land. No recent vacant land leases were discovered in the area. Therefore, the Value In Use of the land was multiplied by an appropriate rate of return to derive a ground rental rate for the land. A survey of private firms and public agencies was therefore conducted to determine their required rates of return on land. The following table shows the results of that survey:

GROUND LEASES		
Firm	Public/Private	Required Rates of Return
CJ Segerstrom & Sons	Private	9.0 to 10.0%
Teachers Insurance & Annuity Association	Private	8.0 to 9.5%
McDonald's, Canoga Park (Ground Lessee)	Private	5.3%
Jack in the Box, Valencia (Ground Lessee)	Private	5.3%
Chili's, Pico Rivera (Ground Lessee)	Private	5.1%
First Industrial Acquisitions, Inc. (Listing)	Private	7.5 to 8.25%
City of Long Beach	Public	8.0 to 8.5%
County of Los Angeles	Public	8.0%
County of Orange	Public	8.0 to 9.0%
Los Angeles County MTA	Public	6.5%
MWDSC	Public	6.0 to 10.0%
Port of Long Beach	Public	8.0 to 12.0%
Port of Los Angeles	Public	10.0%
San Bernardino County	Public	10.0%
Southern California Edison	Public	10.0%

Land leases are typically written for a 5 to 12 percent return on the estimated value of the land. Our records indicate that municipal agencies, such as The Metropolitan Water District of Southern California, Port Authorities, and Southern California cities predominantly range from 6.5 to 10 percent. Private firms have negotiated ground leases in the range of 5.1 to 10 percent. Based on our analysis, we conclude a 7.0 percent rate of return is appropriate.

In order to calculate the Value In Use of the subject property as of September 1 of 2012, 2013 and 2014, a future value factor, based upon a 2.0 percent annual growth rate commencing on November 3, 2011, was applied to the concluded Value In Use ("VIU") of the fee simple and air rights interests in the subject property as of November 3, 2011, as agreed with the client. The following table summarizes our calculations of the Value In Use of the subject property as of September 1 of 2012, 2013 and 2014:

Lease Date	VIU 11/3/11		FV Factor		VIU as of Lease Date
9/1/2012	\$18,460,000	x	1.01657200	=	\$18,765,919
9/1/2013	\$18,460,000	x	1.03690344	=	\$19,141,237
9/1/2014	\$18,460,000	x	1.05764151	=	\$19,524,062

The concluded 7.0 percent rate of return was multiplied by the calculated Value In Use of the subject property as of September 1 of 2012, 2013 and 2014 in order to derive the annual market rental rate for the property on each of those dates. The annual market ground rental rates are calculated as follows:

Date	VIU		Rate		Term		Ground Rent
9/1/2012	\$18,765,919	x	7.0%	x	1 Year	=	\$1,313,614
9/1/2013	\$19,141,237	x	7.0%	x	1 Year	=	\$1,339,887
9/1/2014	\$19,524,062	x	7.0%	x	1 Year	=	\$1,366,684

The final conclusions or opinions have resulted from applying an appropriate rate of return on land to the Value In Use of the subject property for each year, which was calculated by applying a future value factor to the concluded Value In Use of the subject property as of November 3, 2011, and specifically does **not** reflect Market Value or Fair Market Value. Based on the data presented, analysis, and reconciliation, the annual Ground Rent conclusions are:

As of September 1, 2012	\$1,313,614
As of September 1, 2013	\$1,339,887
As of September 1, 2014	\$1,366,684

Vacation Request
Convention and Event Center**

- A. Pico Boulevard – Between the westerly extension of the Concourse, on the east, and the centerline of Bond Street on the west.** Designated a Modified 2-Way Secondary Highway with a 102' right of way width.

Vacation Area 1 – An airspace vacation to accommodate the construction of New Hall over Pico Boulevard. It will also include the airspace within the intersection of Pico Boulevard and L A LIVE Way for a portion of the pedestrian bridge to connect the Bond Street parking garage with the New Hall. The vacation area is approximately 101,500 square feet.

Vacation Area 2 – A surface and subsurface vacation of portions of the existing right-of-way between the westerly extension of the Concourse on the east and L A LIVE Way, on the west to accommodate New Hall's structural columns. The exact location of the structural columns has not yet been determined. The vacation area will be provided when the street and subsurface area to be vacated is determined.

- B. L A LIVE Way¹ –Between Pico Boulevard on the north and the extension of Bond Street on the south.** Designated a Local Street with a 60' right of way width.

Vacation Area 3 – An airspace vacation of the full width of L A LIVE Way south of Pico Boulevard and extending southerly for a distance of approximately 80' to provide for a portion of a proposed pedestrian bridge from the Bond Street Parking Garage to New Hall and Event Center. The vacation area is approximately 4,680 square feet.

- C. L A LIVE Way – between Chick Hearn Court (11th Street) on the north and Pico Boulevard on the south.** Designated a Collector Street with a variable 100' right of way width.

¹The name change to LA LIVE Way is pending.

Vacation Area 4 – An airspace vacation along the easterly boundary of L A LIVE Way commencing at the northerly edge of Pico Boulevard, on the south and extending to the north for approximately 382' to the pedestrian bridge (Area 6) for a width of approximately 15' to accommodate a portion of a proposed pedestrian bridge from the Bond Street Parking Garage to the New Hall. The vacation area is approximately 5,990 square feet.

Vacation Area 5 – An airspace vacation along the westerly boundary of L A LIVE Way between Chick Hearn Court (11th Street), on the north and Pico Boulevard, on the south, for a width of approximately 12' to accommodate parking garage pedestrian circulation to be constructed on the exterior easterly face of the L A LIVE Way Parking Garage between Chick Hearn Court (11th Street) on the north, Pico Boulevard on the south, L A LIVE Way on the east and the Caltrans right-of-way on the west and portions of a pedestrian bridge. The vacation area is approximately 12,960 square feet.

Vacation Area 6 – An airspace vacation of a portion of L A LIVE Way proceeding southerly from the southerly line of 12th Street for a distance of 135' for the full width of L A LIVE Way to accommodate a pedestrian bridge from the L A LIVE Way Parking Garage to the Event Center. The vacation area is approximately 13,785 square feet.

Vacation Area 7 – A vacation of the surface and subsurface right- of- way along the westerly boundary of L A LIVE Way between Pico Boulevard on the south and 12th Street on the north for a width of 13' for the construction of the L A LIVE Way Parking Garage. The vacation area is approximately 7,015 square feet.

Vacation Area 9 – A vacation of the surface and subsurface right- of- way along the westerly boundary of the L A LIVE Way between 12th Street on the south and Chick Hearn Court (11th Street) on the north for a width of 13' for the construction of the L A LIVE Way Parking Garage. The vacation area is approximately 6,065 square feet.

- D. 12th Street - between the I-110 Caltrans right-of-way to the west and L A LIVE WAY to the east.** Designated a Collector Street with a 60' right of way width.

Vacation Area 8 – An airspace vacation along 12th Street to provide for pedestrian and vehicular access and parking on levels 3 through 8 within the L A

¹The name change to LA LIVE Way is pending.

LIVE Way Parking Garage. The vacation area is approximately 11,030 square feet.

- E. Bond Street – Between Pico Boulevard on the north and the southerly and easterly terminus of LA Live Way. Designated a local street. With a variable 60' right-of-way width.**

Vacation Area 10 – A surface and subsurface right-of-way vacation of the southerly one-half of Bond Street (within the portion of Bond Street under the jurisdiction of the City of Los Angeles) for a distance of approximately _____', with the remaining right-of-way to function as an alley. A full vacation of the right-of-way continuing to the southerly terminus of L A LIVE Way for a distance of approximately _____'. This vacation will accommodate the construction of the Bond Street Parking Garage. The vacation area is approximately 17,860 square feet.

This vacation request has previously been considered and approved as part of Vesting Tentative Tract Map 70661, approved on January 29, 2009.

Notes:

1. The exact location and width of the vacation areas will be determined prior to the final street vacation action.
2. All airspace vacations will begin at the height of 14' above grade.
3. The proposed street widths, configurations and future street dedications will all be identified and provided prior to the final street vacation action.

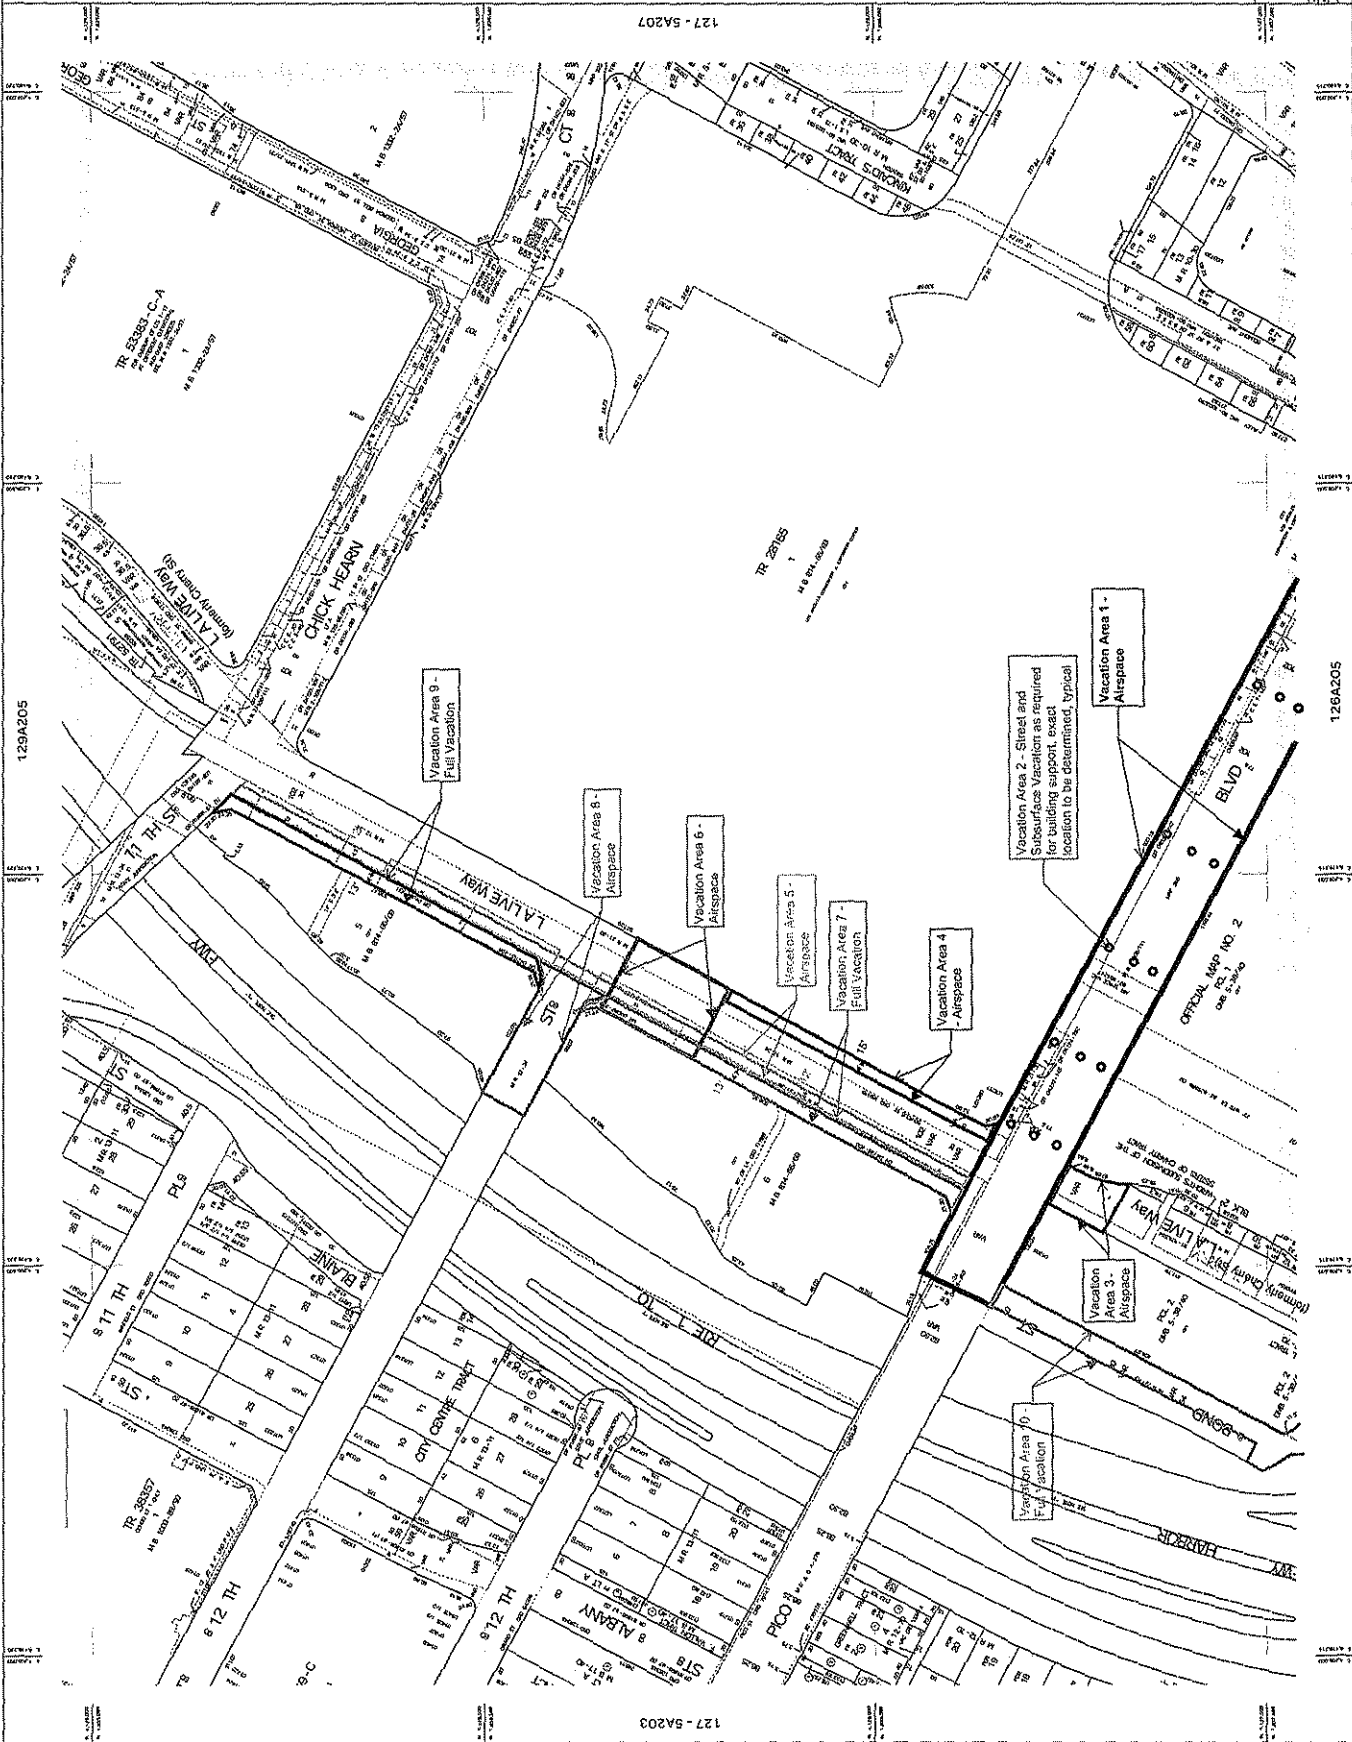

¹The name change to LA LIVE Way is pending.

Title Department:

Chicago Title Company
Attn: Dave Balassi
Email: Dave.Balassi@CTT.com
Phone: (213) 488-4394
Fax: (213) 488-4360
Order No.: 116743050F-X49

PRELIMINARY REPORT

Property Address: AEG Los Angeles Stadium and Event Center

Dated as of: August 1, 2011 at 7:30 am

In response to the application for a policy of title insurance referenced herein, Chicago Title Company hereby reports that it is prepared to issue, or cause to be issued, as of the date hereof, a policy or policies of Title Insurance describing the land and the estate or interest therein hereinafter set forth, insuring against loss which may be sustained by reason of any defect, lien or encumbrance not shown or referred to as an Exception herein or not excluded from coverage pursuant to the printed Schedules, Conditions and Stipulations or Conditions of said Policy forms.

The printed Exceptions and Exclusion from the coverage and Limitations on Covered Risks of said Policy or Policies are set forth in Attachment One. The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than that set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties. Limitations on Covered Risks applicable to the CLTA and ALTA Homeowner's Policies of Title Insurance which establish a Deductible Amount and a Maximum Dollar Limit of Liability for certain coverages are also set forth in Attachment One. Copies of the policy forms should be read. They are available from the office which issued this report.

This report (and any supplements or amendments hereto) is issued solely for the purpose of facilitating the issuance of a policy of title insurance and no liability is assumed hereby. If it is desired that liability be assumed prior to the issuance of a policy of title insurance, a Binder or Commitment should be requested.

The policy(s) of title insurance to be issued hereunder will be policy(s) of Chicago Title Insurance Company

Please read the exceptions shown or referred to herein and the exceptions and exclusions set forth in Attachment One of this report carefully. The exceptions and exclusions are meant to provide you with notice of matters which are not covered under the terms of the title insurance policy and should be carefully considered.

It is important to note that this preliminary report is not a written representation as to the condition of title and may not list all liens, defects, and encumbrances affecting title to the land.

SCHEDULE A

1. The estate or interest in the land hereinafter described or referred to covered by this report is:

A Fee

2. Title to said estate or interest at the date hereof is vested in:

City of Los Angeles

3. The land referred to in this report is situated in the State of California, County of Los Angeles and is described in the Legal Description, attached hereto:

END OF SCHEDULE A

3; SHOWN AS SOUTH 78 DEGREES 04 MINUTES 11 SECONDS WEST 22.85 FEET; THENCE NORTH 37 DEGREES 41 MINUTES 47 SECONDS EAST 545.94 FEET ALONG THE NORTHWESTERLY RIGHT-OF-WAY LINE OF FIGUEROA STREET, 102 FEET WIDE, AS SHOWN ON SAID MAP TO THE MOST EASTERLY CORNER OF LOT 2; THENCE NORTH 15 DEGREES 32 MINUTES 53 SECONDS WEST 17.90 FEET ALONG THE EASTERLY LINE OF SAID LOT 2 TO A POINT ON THE SOUTHERLY RIGHT-OF-WAY LINE OF SAID ELEVENTH STREET, 102 FEET WIDE, AS SHOWN ON SAID MAP, SAID RIGHT-OF-WAY LINE BEING A NON-TANGENT CURVE CONCAVE SOUTHERLY AND HAVING A RADIUS OF 549.00 FEET TO WHICH BEGINNING A RADIAL LINE BEARS NORTH 20 DEGREES 09 MINUTES 57 SECONDS EAST; THENCE WESTERLY 159.32 FEET ALONG SAID CURVED RIGHT-OF-WAY THROUGH A CENTRAL ANGLE OF 16 DEGREES 37 MINUTES 40 SECONDS; THENCE NORTH 86 DEGREES 27 MINUTES 43 SECONDS WEST 235.98 FEET ALONG SAID SOUTHERLY RIGHT-OF-WAY LINE OF ELEVENTH STREET, TO THE NORTHEASTERLY TERMINUS OF THAT CERTAIN COURSE IN THE NORTHERLY LINE OF SAID LOT 2; SHOWN AS NORTH 50 DEGREES 01 MINUTES 32 SECONDS EAST 21.76 FEET ON SAID MAP; THENCE NORTH 86 DEGREES 16 MINUTES 08 SECONDS WEST 122.45 FEET ALONG A DIRECT LINE TO THE EASTERLY TERMINUS OF THAT CERTAIN CURVE IN THE SOUTHERLY LINE OF SAID ELEVENTH STREET, 102 FEET WIDE, AS SHOWN ON SAID MAP, HAVING A RADIUS OF 651 FEET, SAID POINT ALSO BEING THE BEGINNING OF A NON-TANGENT CURVE CONCAVE NORTHEASTERLY AND HAVING A RADIUS OF 651.00 FEET, AND TO WHICH BEGINNING A RADIAL LINE BEARS SOUTH 5 DEGREES 31 MINUTES 37 SECONDS WEST; THENCE WESTERLY AND NORTHWESTERLY 256.98 FEET ALONG SAID CURVE THROUGH A CENTRAL ANGLE OF 22 DEGREES 37 MINUTES 03 SECONDS; THENCE NORTH 61 DEGREES 51 MINUTES 21 SECONDS WEST 13.62 FEET ALONG THE SOUTHEASTERLY RIGHT-OF-WAY OF ELEVENTH STREET, 102 FEET WIDE TO THE POINT OF BEGINNING.

EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN LOTS 13 AND 14, BLOCK 2 OF SAID SENTOUS TRACT, ALL GAS, OIL AND MINERAL BELOW A DEPTH OF 500 FEET, WITHOUT RIGHT OF SURFACE ENTRY, AS GRANTED TO ROBERT W.P. MONTGOMERY, A MARRIED MAN, BY DEED RECORDED JULY 18, 1967 IN BOOK D3706 PAGE 541, OFFICIAL RECORDS, AS INSTRUMENT NO. 3015.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN LOT 70 OF SAID KINCAID'S TRACT AND THE SOUTHWESTERLY 6 FEET OF THE ALLEY ADJOINING SAID LOT 70; LOTS 42 AND 43 OF SAID FORMAN'S SUBDIVISION OF THE WEST 20 ACRES OF LOT 8, BLOCK 36 OF HANCOCK'S SURVEY, ALL GAS, OIL AND MINERALS BELOW A DEPTH OF 500 FEET WITHOUT RIGHT OF SURFACE ENTRY AS GRANTED LOT JAMES A. HENDERSON, A MARRIED MAN BY DEED NOVEMBER 16, 1966 IN BOOK D3483 PAGE 677, OFFICIAL RECORDS, AS INSTRUMENT NO. 2050.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN LOT 16 OF SAID KUGHEN AND CASTERLINE'S SUBDIVISION OF THE WARD TRACT, AN UNDIVIDED ONE-HALF INTEREST AND TO ALL CARBONS, MINERALS HYDROCARBONS AND OIL AND GAS APPURTENANT TO SAID LAND AS GRANTED TO CAROLE L. BENSON BY DEED RECORDED MARCH 29, 1968 IN BOOK D3955 PAGE 794, OFFICIAL RECORDS.

BY AN INSTRUMENT DATED JUNE 6, 1968 EXECUTED BY CAROLE L. BENSON, ALL RIGHTS TO ENTER UPON THE SURFACE OF SAID LAND WERE QUITCLAIMED TO THE CITY OF LOS ANGELES RECORDED JUNE 28, 1968 AS INSTRUMENT NO. 2969.

LEGAL DESCRIPTION

(continued)

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN LOT 38 OF SAID KINCAID'S TRACT, ALL OF THE OIL, GAS, GOLD, SILVER AND OTHER PRECIOUS METALS, MINERALS AND MINERAL SUBSTANCES AND OTHER HYDROCARBON SUBSTANCES, AS GRANTED TO SAHARA APTS., INC., A CORPORATION, BY DEED RECORDED IN BOOK 56379 PAGE 119, OFFICIAL RECORDS, BUT WITHOUT THE RIGHT OF SURFACE ENTRY AND QUITCLAIMED BY SAID SAHARA APTS., INC., IN DEED RECORDED IN BOOK D1492 PAGE 847, OFFICIAL RECORDS. A DEED TO THE CITY OF LOS ANGELES FURTHER RECITES, "IT IS FURTHER UNDERSTOOD THAT ALL DIRECTIONAL DRILLING SHALL BE CONDUCTED IN SUCH A MANNER THAT THE WELLS, HOLE, SHAFT OR OTHER MEANS OF REACHING OR REMOVING SUCH OIL, GAS OR OTHER HYDROCARBON SUBSTANCES DOES NOT PENETRATE ANY PART OR PORTION OF SAID REAL PROPERTY WITHIN 500 FEET OF THE SURFACE THEREOF".

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN THAT LOT PORTION OF LOT 3, BLOCK 4 OF SAID SENTOUS TRACT, ALL MINERALS, OILS, GASES AND OTHER HYDROCARBONS BY WHATSOEVER NAME KNOWN THAT MAY BE WITHIN OR UNDER SAID PORTION OF LOT 3, WITHOUT, HOWEVER THE RIGHT TO DRILL, DIG OR MINE THROUGH THE SURFACE OF SAID LAND AS RESERVED BY STATE OF CALIFORNIA, IN DEED RECORDED SEPTEMBER 24, 1958 AS INSTRUMENT NO. 3651 IN BOOK D225 PAGE 376, OFFICIAL RECORDS.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN LOTS 2, 3 AND 14, BLOCK 4 OF SAID SENTOUS TRACT, ALL GAS, OIL AND MINERALS BELOW THE DEPTH OF 500 FEET, WITHOUT THE RIGHT OF SURFACE ENTRY AS GRANTED TO COMERA TYPE, INC., A CORPORATION BY DEED RECORDED DECEMBER 19, 1967 AS INSTRUMENT NO. 2531 IN BOOK D3862 PAGE 920, OFFICIAL RECORDS.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN LOTS 1 TO 19 OF SAID KINCAID'S TRACT, ALL OIL, GAS AND HYDROCARBON SUBSTANCES LYING BENEATH A DEPTH OF 500 FEET FROM THE PRESENT SURFACE OF SAID LAND AND WITHOUT ANY RIGHT OF ENTRY UPON THE SURFACE OF SAID LAND ABOVE SAID 500 FOOT DEPTH, TOGETHER WITH ANY AND ALL LEASES AFFECTING SUCH OIL AND GAS, ETC., WHETHER OF RECORD OR NOT, AS RESERVED TO THE GRANTOR THEREIN IN DEED EXECUTED BY R. LESLIE KELLEY, A MARRIED MAN RECORDED APRIL 1, 1966 IN BOOK D3257 PAGE 809, OFFICIAL RECORDS, AS INSTRUMENT NO. 1580.

A DEED TO THE CITY OF LOS ANGELES FURTHER RECITES; "IT IS FURTHER UNDERSTOOD THAT ALL DIRECTIONAL DRILLING SHALL BE CONDUCTED IN SUCH A MANNER THAT THE WELL, HOLE SHAFT OR OTHER MEANS OF REACHING OR REMOVING SUCH OIL, GAS OR OTHER HYDROCARBON SUBSTANCES DOES NOT PENETRATE ANY PART OR PORTION OF SAID REAL PROPERTY WITHIN 500 FEET OF THE SURFACE THEREOF".

LEGAL DESCRIPTION

(continued)

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN PORTIONS OF LOT 8, BLOCK 36, HANCOCK'S SURVEY SPECIFICALLY DESCRIBED IN DECREES OF DISTRIBUTION RECORDED IN BOOK D4172 PAGE 989, OFFICIAL RECORDS, IN BOOK D4330 PAGE 949, OFFICIAL RECORDS, IN BOOK D4275 PAGE 35, OFFICIAL RECORDS AND IN BOOK D4038 PAGE 742, OFFICIAL RECORDS (CITY PARCELS 50, 51, 11, 12 AND 13). THE EASTERLY 25 FEET OF LOT 25 AND ALL OF LOTS 26, 30, 31, 41, 42, 59, 62, 63 AND 64. THE SOUTHWESTERLY 25 FEET OF LOT 53 ALL IN FORMAN'S SUBDIVISION OF THE WEST 20 ACRES OF LOT 8 BLOCK 36 OF HANCOCK'S SURVEY, PORTIONS OF LOTS 12 AND 13 OF KUGHEN AND CASTERLINE'S SUBDIVISION, OF THE WARD TRACT RECORDED IN BOOK D4330 PAGE 975, OFFICIAL RECORDS (CITY PARCEL 52); LOTS 39, 45 (44 PORTIONS OF 46 AND 48, RECORDED IN BOOK D4337 PAGE 756, OFFICIAL RECORDS), (ALL OF LOT 47 AND PORTION OF LOT 49 RECORDED OCTOBER 28, 1969 AS INSTRUMENT NO. 7262 IN BOOK M3334 PAGE 145, OFFICIAL RECORDS). LOTS 51, 68, 69, 27 AND 29 ALL IN KINCAID'S TRACT AND ALL OF THE FIRESTONE TRACT, ALL CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE IN, UNDER, AND RECOVERABLE FROM THE REAL PROPERTIES, WITHOUT THE RIGHT TO ENTER, DRILL OR PENETRATE IN OR UPON THE SURFACE OF SAID REAL PROPERTIES, OR WITHIN 500 FEET THEREOF FOR THE PURPOSE OF RECOVERING CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE AS EXCEPTED IN THE FINAL ORDERS OF CONDEMNATION, A CERTIFIED COPY OF WHICH, WERE RECORDED IN VARIOUS INSTRUMENTS OF RECORD.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN THE REMAINING LOTS ACQUIRED BY THE CITY OF LOS ANGELES, BY VARIOUS DEEDS OF RECORD (BUT NOT INCLUDING THOSE PORTIONS OF SENTOUS STREET, ELEVENTH STREET, GEORGIA STREET DESCRIBED IN DEEDS RECORDED APRIL 9, 1885, IN BOOK 137 PAGE 390 OF DEEDS, IN BOOK 137 PAGE 391 OF DEEDS, IN BOOK 137 PAGE 392 OF DEEDS, IN BOOK 137 PAGE 393 OF DEEDS, RELINQUISHMENT RECORDED APRIL 22, 1964 IN BOOK R1896 PAGE 67, OFFICIAL RECORDS AND LOT 17 OF KUGHEN AND CASTERLINE'S SUBDIVISION OF THE WARD TRACT):

ALL OIL, GAS AND OTHER CARBON SUBSTANCES IN, UNDER AND RECOVERABLE FROM SAID HEREINBEFORE DESCRIBED PROPERTY, TOGETHER WITH THE RIGHT TO DRILL FOR AND PRODUCE SUCH OIL, GAS AND OTHER HYDROCARBON SUBSTANCES BY DIRECTIONAL DRILLING CONDUCTED FROM SURFACE LOCATIONS ON LAND OTHER THAN THE LANDS HEREINABOVE MENTIONED; IT BEING UNDERSTOOD THAT SUCH EXCEPTION AND RESERVATION SHALL NOT OPERATE TO CREATE ANY RIGHT TO CONDUCT DRILLING OPERATIONS FROM ANY PORTIONS OF THE SURFACE OF SAID ABOVE DESCRIBED LAND. IT IS FURTHER UNDERSTOOD THAT ALL DIRECTIONAL DRILLING, SHALL BE CONDUCTED IN SUCH A MANNER THAT THE WELL, HOLE SHAFT OR OTHER MEANS OF REACHING OR REMOVING SUCH OIL, GAS OR OTHER HYDROCARBON SUBSTANCES DOES NOT PENETRATE ANY PART OR PORTION OF SAID REAL PROPERTY WITHIN 500 FEET OF THE SURFACE THEREOF, AS RESERVED BY VARIOUS DEEDS OF RECORD.

LEGAL DESCRIPTION

(continued)

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN THE LAND DESCRIBED IN THE FINAL ORDER OF CONDEMNATION, A CERTIFIED COPY OF WHICH WAS RECORDED APRIL 25, 1969 AS INSTRUMENT NO. 3171 ALL CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE IN, UNDER AND RECOVERABLE FROM THE SAID REAL PROPERTIES WITHOUT THE RIGHT TO ENTER, DRILL OR PENETRATE IN OR UPON THE SURFACE OF SAID REAL PROPERTIES, OR WITHIN 500 FEET THEREOF, FOR THE PURPOSES OF RECOVERING CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE. AS EXCEPTED IN THE FINAL ORDER CONDEMNATION, A CERTIFIED COPY OF WHICH WAS RECORDED APRIL 25, 1969 IN BOOK D4350 PAGE 624, OFFICIAL RECORDS AS INSTRUMENT NO. 3171.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN THE LAND DESCRIBED IN THE FINAL ORDER OF CONDEMNATION, A CERTIFIED COPY OF WHICH WAS RECORDED JUNE 10, 1969 AS INSTRUMENT NO. 2600 ALL CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE IN, UNDER AND RECOVERABLE FROM THE SAID REAL PROPERTIES WITHOUT THE RIGHT TO ENTER, DRILL OR PENETRATE IN OR UPON THE SURFACE OF SAID REAL PROPERTIES, OR WITHIN 500 FEET THEREOF, FOR THE PURPOSES OF RECOVERING CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE, AS EXCEPTED IN THE FINAL ORDER OF CONDEMNATION, A CERTIFIED COPY OF WHICH WAS RECORDED JUNE 10, 1969 IN BOOK D4397 PAGE 132, OFFICIAL RECORDS, AS INSTRUMENT NO. 2600.

ALSO EXCEPT FROM THAT PORTION OF SAID LAND INCLUDED WITHIN THE LAND DESCRIBED IN THE FINAL ORDER OF CONDEMNATION, A CERTIFIED COPY OF WHICH WAS RECORDED JANUARY 23, 1970 AS INSTRUMENT NO. 2758 ALL CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND ALL KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE IN, UNDER AND RECOVERABLE FROM THE SAID REAL PROPERTIES WITHOUT THE RIGHT TO ENTER, DRILL OR PENETRATE IN OR UPON THE SURFACE OF SAID REAL PROPERTIES, OR WITHIN 500 FEET THEREOF, FOR THE PURPOSES OF RECOVERING CRUDE OIL, PETROLEUM, GAS, ASPHALTUM AND KINDRED SUBSTANCES AND OTHER MINERALS OF WHATEVER NATURE, AS EXCEPTED IN THE FINAL ORDER OF CONDEMNATION, A CERTIFIED COPY OF WHICH WAS RECORDED JANUARY 23, 1970 IN BOOK D4615 PAGE 229, OFFICIAL RECORDS.

PARCEL B:

PARCELS 1 AND 2 OF OFFICIAL MAP NO. 2, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, RECORDED ON JUNE 14, 1989 AS INSTRUMENT NO. 89-958587, IN BOOK 5 PAGES 38 TO 40 OF OFFICIAL MAPS.

EXCEPT FROM SAID PARCEL 1 THAT PORTION THEREOF DESCRIBED AS "PARCEL S-1 AND S-3" IN GRANT DEED TO THE STATE OF CALIFORNIA RECORDED MARCH 1, 1994 AS INSTRUMENT NO. 94-415105, OF OFFICIAL RECORDS.

LEGAL DESCRIPTION

THENCE ON A NON-TANGENT LINE; SOUTH 61 DEGREES 37 MINUTES 19 SECONDS EAST 377.64 FEET TO THE NORTHWESTERLY RIGHT OF WAY LINE OF FIGUEROA STREET, 112 FEET WIDE, AS SHOWN ON SAID MAP, THENCE NORTH 37 DEGREES 41 MINUTES 47 SECONDS EAST 61.43 FEET ALONG SAID NORTHWESTERLY RIGHT-OF-WAY LINE OF FIGUEROA STREET, 112 FEET WIDE, TO THE NORTHEASTERLY TERMINUS OF THAT CERTAIN COURSE IN THE MOST SOUTHEASTERLY LINE OF SAID LOT 1 SHOWN AS SOUTH 37 DEGREES 41 MINUTES 37 SECONDS WEST 187.38 FEET; THENCE ON A DIRECT LINE NORTH 42 DEGREES 20 MINUTES 09 SECONDS EAST 123.63 FEET TO THE EASTERLY TERMINUS OF THAT CERTAIN COURSE IN THE MOST SOUTHEASTERLY LINE OF SAID LOT 3; SHOWN AS SOUTH 78 DEGREES 04 MINUTES 11 SECONDS WEST 22.85 FEET; THENCE NORTH 37 DEGREES 41 MINUTES 47 SECONDS EAST 545.94 FEET ALONG THE NORTHWESTERLY RIGHT-OF-WAY LINE OF FIGUEROA STREET, 102 FEET WIDE, AS SHOWN ON SAID MAP TO THE MOST EASTERLY CORNER OF LOT 2; THENCE NORTH 15 DEGREES 32 MINUTES 53 SECONDS WEST 17.90 FEET ALONG THE EASTERLY LINE OF SAID LOT 2 TO A POINT ON THE SOUTHERLY RIGHT-OF-WAY LINE OF SAID ELEVENTH STREET, 102 FEET WIDE, AS SHOWN ON SAID MAP, SAID RIGHT-OF-WAY LINE BEING A NON-TANGENT CURVE CONCAVE SOUTHERLY AND HAVING A RADIUS OF 549.00 FEET TO WHICH BEGINNING A RADIAL LINE BEARS NORTH 20 DEGREES 09 MINUTES 57 SECONDS EAST; THENCE WESTERLY 159.32 FEET ALONG SAID CURVED RIGHT-OF-WAY THROUGH A CENTRAL ANGLE OF 16 DEGREES 37 MINUTES 40 SECONDS; THENCE NORTH 86 DEGREES 27 MINUTES 43 SECONDS WEST 235.98 FEET ALONG SAID SOUTHERLY RIGHT-OF-WAY LINE OF ELEVENTH STREET, TO THE NORTHEASTERLY TERMINUS OF THAT CERTAIN COURSE IN THE NORTHERLY LINE OF SAID LOT 2; SHOWN AS NORTH 50 DEGREES 01 MINUTES 32 SECONDS EAST 21.76 FEET ON SAID MAP; THENCE NORTH 86 DEGREES 16 MINUTES 08 SECONDS WEST 122.45 FEET ALONG A DIRECT LINE TO THE EASTERLY TERMINUS OF THAT CERTAIN CURVE IN THE SOUTHERLY LINE OF SAID ELEVENTH STREET, 102 FEET WIDE, AS SHOWN ON SAID MAP, HAVING A RADIUS OF 651 FEET, SAID POINT ALSO BEING THE BEGINNING OF A NON-TANGENT CURVE CONCAVE NORTHEASTERLY AND HAVING A RADIUS OF 651.00 FEET, AND TO WHICH BEGINNING A RADIAL LINE BEARS SOUTH 5 DEGREES 31 MINUTES 27 SECONDS WEST; THENCE WESTERLY AND NORTHWESTERLY 256.96 FEET ALONG SAID CURVE THROUGH A CENTRAL ANGLE OF 22 DEGREES 37 MINUTES 03 SECONDS; THENCE NORTH 61 DEGREES 51 MINUTES 21 SECONDS WEST 13.62 FEET ALONG THE SOUTHEASTERLY RIGHT-OF-WAY OF ELEVENTH STREET, 102 FEET WIDE TO THE POINT OF BEGINNING.

LEGAL DESCRIPTION

(continued)

EXCEPT THEREFROM, ALL OIL, CRUDE OIL, GAS, PETROLEUM, ASPHALTUM, HYDROCARBONS, CARBONS, MINERALS, AND MINERAL SUBSTANCES, GOLD, SILVER AND OTHER PRECIOUS METALS, AND OTHER KINDRED SUBSTANCES AND MINERALS OF WHATEVER NATURE, IN, UNDER AND RECOVERABLE FROM THE HEREINBEFORE DESCRIBED LAND, TOGETHER WITH THE RIGHT TO DRILL FOR AND PRODUCE SUCH OIL, GAS AND OTHER HYDROCARBON SUBSTANCES BY DIRECTIONAL DRILLING CONDUCTED FROM SURFACE LOCATIONS ON LAND OTHER THAN THE LANDS HEREINABOVE MENTIONED, SUCH EXCEPTION AND RESERVATION SHALL NOT OPERATE TO CREATE ANY RIGHT TO CONDUCT DRILLING OPERATIONS FROM ANY PORTION OF THE SURFACE OF SAID ABOVE DESCRIBED LAND, ALL DIRECTIONAL DRILLING SHALL BE CONDUCTED IN SUCH A MANNER THAT THE WELL, HOLE SHAFT OR OTHER HYDROCARBON SUBSTANCES DOES NOT PENETRATE ANY PART OR PORTION OF SAID REAL PROPERTY WITHIN 500 FEET OF THE SURFACE THEREOF, AS EXCEPTED AND RESERVED IN VARIOUS INSTRUMENTS OF RECORD, THREE OF WHICH RECORDED JANUARY 10, 1958 AS INSTRUMENT NO. 2914, IN BOOK 56379, PAGE 119, OCTOBER 23, 1968 AS INSTRUMENT NO. 2933, IN BOOK D4172 PAGE 989 AND JANUARY 23, 1970 AS INSTRUMENT NO. 2758 IN BOOK D4615 PAGE 229, ALL OF OFFICIAL RECORDS.

PARCEL E: (PICO BOULEVARD)

A PARCEL OF LAND, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, BEING THAT PORTION OF PICO BOULEVARD, 102 FEET WIDE, AS SHOWN ON THE MAP OF TRACT 28165, AS PER MAP RECORDED IN BOOK 814 PAGES 66 PAGES 66 TO 69 INCLUSIVE OF MAPS BOUNDED AS FOLLOWS:

ON THE WEST BY THE SOUTHERLY PROLONGATION OF THE NORTHWESTERLY LINE OF LOT 1 OF THE AFOREMENTIONED TRACT 28165 HAVING A BEARING OF NORTH 28° 21' 02" EAST AND A DISTANCE OF 927.29 FEET;

ON THE EAST BY THE NORTHERLY PROLONGATION OF THE SOUTHEASTERLY LINE OF PARCEL 1 OF OFFICIAL MAP NO. 2, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, RECORDED ON JUNE 14, 1989 AS INSTRUMENT NO. 89-958587, IN BOOK 5 PAGES 38 TO 40 OF OFFICIAL MAPS, HAVING A BEARING OF NORTH 27° 57' 40" EAST AND A DISTANCE OF 1,245.85 FEET.

PARCEL F: (SENTOUS STREET)

A PARCEL OF LAND, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, BEING THAT PORTION OF SENTOUS STREET, 102 FEET WIDE, AS SHOWN ON THE MAP OF TRACT 28165, AS PER MAP RECORDED IN BOOK 814 PAGES 66 PAGES 66 TO 69 INCLUSIVE OF MAPS BOUNDED AS FOLLOWS:

ON THE NORTH BY THE SOUTHEASTERLY PROLONGATION OF A LINE IN THE NORTHERLY LINE OF LOT 5 OF SAID TRACT 28165, HAVING A BEARING OF SOUTH 7° 24' 08" WEST AND A DISTANCE OF 29.20 FEET, AND ON THE SOUTH BY THE WESTERLY PROLONGATION OF THE SOUTHERLY LINE OF LOT 1 OF SAID TRACT 28165 HAVING A BEARING OF 61° 33' 15" WEST, AND A DISTANCE OF 920.18 FEET.

LEGAL DESCRIPTION

(continued)

PARCEL G: (TWELFTH STREET)

A PARCEL OF LAND, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, BEING THAT PORTION OF TWELFTH STREET, AS SHOWN ON THE MAP OF TRACT 28165, AS PER MAP RECORDED IN BOOK 814 PAGES 66 TO 69 INCLUSIVE OF MAPS BOUNDED AS FOLLOWS:

ON THE EAST BY THE NORTHERLY PROLONGATION OF A LINE IN THE EASTERLY LINE OF LOT 6 OF SAID TRACT 28165, HAVING A BEARING OF NORTH 28° 21' 02" EAST AND A DISTANCE OF 509.35 FEET, AND ON THE WEST BY THE NORTHERLY PROLONGATION OF THE WESTERLY LINE OF LOT 6 OF SAID TRACT 28165 HAVING A BEARING OF NORTH 42° 47' 39" EAST, AND A DISTANCE OF 211.40 FEET.

PARCEL H: (PARTIAL LOTS ALONG WEST BOUNDARY OF SOUTH HALL)

PARCEL H-1:

THOSE PORTIONS OF LOTS 3, 6, 8, 10, 12 AND 14 IN BLOCK 2 OF WRIGHT'S SUBDIVISION OF THE SISTERS OF CHARITY TRACT, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS SHOWN ON MAP RECORDED IN BOOK 5 PAGE 431 OF MISCELLANEOUS RECORDS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY; TOGETHER WITH THAT PORTION OF THAT CERTAIN ALLEY (12.00 FEET WIDE) IN SAID CITY, COUNTY AND STATE, ADJOINING LOTS 3 AND 6 IN BLOCK 2 AND AS SHOWN ON SAID WRIGHT'S SUBDIVISION, DESCRIBED AS A WHOLE AS FOLLOWS:

BEGINNING AT THE SOUTHERLY TERMINUS OF THAT CERTAIN CURVE IN THE PARCEL OF LAND ACQUIRED BY THE STATE OF CALIFORNIA BY DEED RECORDED IN BOOK 55833 PAGE 47 OF OFFICIAL RECORDS IN SAID OFFICE, DESCRIBED THEREIN AS HAVING A RADIUS OF 155.00 FEET AND ARC DISTANCE OF 2.02 FEET; THENCE NORTHERLY ALONG SAID CURVE THROUGH A CENTRAL ANGLE OF 0 DEGREES 20 MINUTES 03 SECONDS AN ARC DISTANCE OF .90 FEET A RADIAL LINE TO THE BEGINNING OF SAID CURVE BEARS SOUTH 87 DEGREES 18 MINUTES 55 SECONDS EAST AS SHOWN ON OFFICIAL MAP NO. 2 RECORDED IN BOOK 5 PAGES 38-40 OF OFFICIAL MAPS IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY TO A NON TANGENT LINE THAT IS PARALLEL WITH AND DISTANT 45.00 FEET SOUTHEASTERLY FROM A LINE THAT BEARS SOUTH 27 DEGREES 37 MINUTES 46 SECONDS WEST AND PASSES THROUGH A POINT IN THE CENTER LINE OF PICO BOULEVARD (VARIOUS IN WIDTH) SAID POINT BEING DISTANT THEREOF SOUTH 61 DEGREES 33 MINUTES 15 SECONDS EAST 28.39 FEET FROM THE INTERSECTION OF THE CENTER LINE OF SAID PICO BOULEVARD WITH THE CENTER LINE OF SENTOUS STREET, SAID INTERSECTION AS SHOWN ON SAID OFFICIAL MAP; THENCE ALONG SAID PARALLEL LINE SOUTH 27 DEGREES 37 MINUTES 46 SECONDS WEST 277.86 FEET TO A POINT IN A NON-TANGENT CURVE CONCAVE SOUTHEASTERLY AND HAVING A RADIUS OF 165.00 FEET AS RECITED IN THE DEED TO THE STATE OF CALIFORNIA, RECORDED MARCH 15, 1957 AS INSTRUMENT NO. 2228 OF OFFICIAL RECORDS OF SAID COUNTY, (FOR PURPOSES OF THIS DESCRIPTION, SAID CURVE SHALL HAVE A RADIUS OF 164.78 FEET) A RADIAL LINE BEARS FROM SAID POINT SOUTH 42 DEGREES 59 MINUTES 14 SECONDS EAST;

LEGAL DESCRIPTION

(continued)

THENCE NORTHEASTERLY ALONG SAID CURVE, THROUGH A CENTRAL ANGLE OF 4 DEGREES 34 MINUTES 20 SECONDS, AN ARC DISTANCE OF 13.15 FEET TO THE BEGINNING OF A REVERSE CURVE CONCAVE NORTHWESTERLY HAVING A RADIUS OF 184.75 FEET; THENCE NORTHEASTERLY ALONG SAID CURVE, THROUGH A CENTRAL ANGLE OF 23 DEGREES 57 MINUTES 12 SECONDS, AN ARC DISTANCE OF 77.23 FEET; THENCE TANGENT TO SAID CURVE NORTH 27 DEGREES 37 MINUTES 54 SECONDS EAST 103.58 FEET TO THE MOST WESTERLY CORNER OF THE LAND DESCRIBED IN THE STATE OF CALIFORNIA RELINQUISHMENT NO. 745 RECORDED MAY 7, 1970 AS INSTRUMENT NO. 1711 IN BOOK R-3414 PAGE 358 OF OFFICIAL RECORDS OF SAID COUNTY; THENCE ALONG THE BOUNDARIES OF SAID RELINQUISHMENT AS FOLLOWS: NORTH 27 DEGREES 33 MINUTES 45 SECONDS EAST 20.36 FEET AND NORTH 03 DEGREES 10 MINUTES 56 SECONDS WEST 11.41 FEET TO A POINT IN A NON-TANGENT CURVE CONCAVE NORTHWESTERLY HAVING A RADIUS OF 159.96 FEET, A RADIAL LINE FROM SAID POINT BEARS NORTH 66 DEGREES 27 MINUTES 01 SECONDS WEST; THENCE NORTHEASTERLY ALONG SAID CURVE, THROUGH A CENTRAL ANGLE OF 20 DEGREES 51 MINUTES 54 SECONDS, AN ARC DISTANCE OF 58.25 FEET; TO THE POINT OF BEGINNING.

PARCEL H-2:

THOSE PORTIONS OF LOTS 20, 21, 22 AND 23 IN BLOCK 2 OF WRIGHT'S SUBDIVISION OF THE SISTERS OF CHARITY TRACT, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, AS PER MAP RECORDED IN BOOK 5 PAGE 431 OF MISCELLANEOUS RECORDS, IN THE OFFICE OF THE COUNTY RECORDER OF SAID COUNTY DESCRIBED AS FOLLOWS:

BEGINNING AT THE INTERSECTION OF THE NORTH EASTERLY LINE OF SAID LOT 21 AND THE NORTHWESTERLY LINE OF WRIGHT STREET. This office must be notified at least 7 business days prior to the scheduled closing in order to arrange for an inspection of the land; upon completion of this inspection you will be notified of the removal of specific coverage exceptions and/or additional exceptions to coverage.

98. Any rights of parties in possession of said land, based on any unrecorded lease, or leases.

This Company will require a full copy of any unrecorded lease, together with all supplements, assignments, and amendments for review.

END OF SCHEDULE B

INFORMATIONAL NOTES

Note No. 1: Section 12413.1, California Insurance Code became effective January 1, 1990. This legislation regulates the disbursement of funds deposited with any title entity acting in an escrow or sub-escrow capacity. The law requires that all funds be deposited and collected by the title entity's escrow and/or sub-escrow account prior to disbursement of any funds. Some methods of funding may be subject to a holding period, which must expire before any funds may be disbursed. In order to avoid any such delays, all funding should be done via wire transfer. Funds deposited with the Company via wire transfer may be disbursed upon receipt. Funds deposited by cashiers checks, certified checks, and teller's checks is one business day after the day deposited. Other checks may require hold periods from two to five business days after the day deposited, and may delay your closing. The Company may receive benefits from such banks based upon the balances in such accounts. Such benefits will be retained by the Company as part of its compensation for handling such funds.

Note No. 2: The charge where an order is cancelled after the issuance of the report of title, will be that amount which in the opinion of the Company is proper compensation for the services rendered or the purpose for which the report is used, but in no event shall said charge be less than the minimum amount required under Section 12404.1 of the Insurance Code of the State of California. If the report cannot be cancelled "no fee" pursuant to the provisions of said Insurance Code, then the minimum cancellation fee shall be that permitted by law.

Note No. 3: California Revenue and Taxation Code Section 18668, effective January 1, 1991, requires that the buyer in all sales of California Real Estate, withhold 3-1/3% of the total sales price as California State Income Tax, subject to the various provisions of the law as therein contained, and as amended.

Note No. 4: Wire Transfers

In the event your transaction is being escrowed by a Chicago Title office, contact should be made with the office to obtain correct wiring instructions. Failure to do so could result in a delay in the receipt of funds and subsequent closing of your transaction.

Chicago Title will disburse by wire-out only collected funds or funds received by confirmed wire-in.

The Company's wire-in instructions are:

Bank:	Bank of America 275 Valencia Blvd, 2nd Floor Brea, CA 92823
Bank ABA No.:	0260-0959-3
Account Name:	Chicago Title Company, Broadway Plaza Office
Account No.:	12351-50737
For Credit To:	Chicago Title Company 700 South Flower, Suite 800 Los Angeles, CA 90017
Order No.:	116743050F-X49

INFORMATIONAL NOTES

(continued)

LENDER NOTE: On the DATE you fund the Loan and WIRE Funds to Chicago Title and reference the above Order Number, you must send written NOTICE to the Title Officer's Unit by messenger or E-Mail that you sent the Funds.

Chicago Title will send an E-Mail acknowledging receipt of the funds as soon as practicable.

Chicago Title will NOT be responsible for any delay in Closing and Recording the transaction, nor will Chicago Title be liable for any claim of lost Interest unless such written Notice is sent the day of Funding and Chicago Title has acknowledged receipt of funds.

Note No. 5: Your application for title insurance was placed by reference to a street address or assessor's parcel number. Based upon our records, we believe that the description in this report covers the parcel that you requested.

To prevent errors, we require written confirmation that the legal description contained herein covers the parcel that you requested.

Note No. 6: The plat, (map), which is attached to this report, is to assist you in locating land with reference to streets and other parcels. While this plat is believed to be correct, the Company assumes no liability for any loss occurring by reason of reliance thereon.

Note No. 7: The policy of title insurance will include an arbitration provision. The Company or the insured may demand arbitration. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the insured arising out of or relating to this policy, any service of the Company in connection with its issuance or the breach of a policy provision or other obligation. Please ask your escrow or title officer for a sample copy of the policy to be issued if you wish to review the arbitration provisions and any other provisions pertaining to your Title Insurance coverage.

Note No. 8: The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than the amount, if any, set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties.

Note No. 9: This report covers the fee estate or interest in and to the parcel of land described in Schedule A above. When the lease is duly executed and a memorandum thereof is recorded, our Policy, when issued, will cover the leasehold estate created by the lease.

To enable this Company to issue its Leasehold Policy of Title Insurance, kindly submit for examination, an executed copy of the lease, including any supplements or amendments thereto.

INFORMATIONAL NOTES

(continued)

Note No. 10: Important notice regarding documents to be recorded in the Los Angeles County. Please review the following CRITICAL MESSAGE from the Los Angeles County Recorder's Office as it will likely impact your closing:

SUBJECT: ACCEPTANCE OF NOTARY ACKNOWLEDGEMENTS

Effective May 1, 2008, the Los Angeles Registrar-Recorder/County Clerk's Office will work diligently to be more efficient in examining notary acknowledgements as our part in minimizing notary fraud. In our efforts, we will strictly adhere to the following requirements for accepting Notary Acknowledgments/Certificates:

- Notaries must comply with the requirements set forth by the state where the oath is administered.
- Notary Acknowledgments/Certificates may not contain white-out, corrective tape, arrows and/or asterisks.
- Notary Acknowledgments/Certificates completed by a California Notary that are destined for recording in the County of Los Angeles must be presented exactly in the form prescribed by Civil Code Section 1189(a)(1).

A Notary Acknowledgment/Certificate that does not meet existing state requirements in addition to the requirements set forth above may not be re-submitted after it has been rejected by the Recorder. A new Notary Acknowledgment/Certificate will be required when re-submitting a rejected document.

If you have any questions, please contact the Registrar-Recorder/County Clerk at (562) 462-2125.

Title Department:

Chicago Title Company
Attn: Dave Balassi
Email: Dave.Balassi@CTT.com
Phone: (213) 488-4394
Fax: (213) 488-4360
Order No.: 116743050H-X49

PRELIMINARY REPORT

Property Address: Sentous Street

Dated as of: August 1, 2011 at 7:30 am

In response to the application for a policy of title insurance referenced herein, Chicago Title Company hereby reports that it is prepared to issue, or cause to be issued, as of the date hereof, a policy or policies of Title Insurance describing the land and the estate or interest therein hereinafter set forth, insuring against loss which may be sustained by reason of any defect, lien or encumbrance not shown or referred to as an Exception herein or not excluded from coverage pursuant to the printed Schedules, Conditions and Stipulations or Conditions of said Policy forms.

The printed Exceptions and Exclusion from the coverage and Limitations on Covered Risks of said Policy or Policies are set forth in Attachment One. The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than that set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties. Limitations on Covered Risks applicable to the CLTA and ALTA Homeowner's Policies of Title Insurance which establish a Deductible Amount and a Maximum Dollar Limit of Liability for certain coverages are also set forth in Attachment One. Copies of the policy forms should be read. They are available from the office which issued this report.

This report (and any supplements or amendments hereto) is issued solely for the purpose of facilitating the issuance of a policy of title insurance and no liability is assumed hereby. If it is desired that liability be assumed prior to the issuance of a policy of title insurance, a Binder or Commitment should be requested.

The policy(s) of title insurance to be issued hereunder will be policy(s) of Chicago Title Insurance Company

Please read the exceptions shown or referred to herein and the exceptions and exclusions set forth in Attachment One of this report carefully. The exceptions and exclusions are meant to provide you with notice of matters which are not covered under the terms of the title insurance policy and should be carefully considered.

It is important to note that this preliminary report is not a written representation as to the condition of title and may not list all liens, defects, and encumbrances affecting title to the land.

SCHEDULE A

1. The estate or interest in the land hereinafter described or referred to covered by this report is:

A Fee

2. Title to said estate or interest at the date hereof is vested in:

City of Los Angeles

3. The land referred to in this report is situated in the State of California, County of Los Angeles and is described in the Legal Description, attached hereto:

END OF SCHEDULE A

LEGAL DESCRIPTION

A PARCEL OF LAND, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, BEING THAT PORTION OF SENTOUS STREET, 102 FEET WIDE, AS SHOWN ON THE MAP OF TRACT 28165, AS PER MAP RECORDED IN BOOK 814 PAGES 66 PAGES 66 TO 69 INCLUSIVE OF MAPS BOUNDED AS FOLLOWS:

ON THE NORTH BY THE SOUTHEASTERLY PROLONGATION OF A LINE IN THE NORTHERLY LINE OF LOT 5 OF SAID TRACT 28165, HAVING A BEARING OF SOUTH 7° 24' 08" WEST AND A DISTANCE OF 29.20 FEET, AND ON THE SOUTH BY THE WESTERLY PROLONGATION OF THE SOUTHERLY LINE OF LOT 1 OF SAID TRACT 28165 HAVING A BEARING OF 61° 33' 15" WEST, AND A DISTANCE OF 920.18 FEET.

END OF LEGAL DESCRIPTION

SCHEDULE B

At the date hereof, items to be considered and exceptions to coverage in addition to the printed Exceptions and Exclusions in said policy form would be as follows:

1. Taxes, bonds and assessments not covered by this report.
2. An easement in favor of the general public for public street purposes, over all of said land
3. Various oil and gas leases for the terms therein provided with certain covenants, conditions and provisions, together with easements, if any as set forth therein, executed by various lessors in favor of Standard Oil Company of California, one of which recorded July 26, 1965 as Instrument No. 3548, of Official Records

Reference is hereby made to said document for full particulars.

Affects that portion of said land lying below a depth of 500 feet from the surface thereof, without the right to enter upon or use any portion of said land lying above said depth.

No assurance is made as to the present ownership of the leasehold created by said lease, nor as to other matters affecting the rights or interests of the lessor or lessee in said lease.

4. The fact that said land is included within the Central Business District, City of Los Angeles Redevelopment Project Area, and that proceedings for redevelopment have been instituted.

Recorded: July 22, 1975 as Instrument No. 3675, of Official Records and re-recorded July 30, 1975 as Instrument No. 3868, Official Records

A Revised Statement regarding property located in said project area was recorded November 30, 2007 as Instrument No. 20072636434, of Official Records.

5. The terms and provisions of that certain amended and restated assignment agreement, dated as of August 15, 1993 recorded as Instrument No. 93-1777409 on September 14, 1993, in the Official Records, as amended by the First Amendment to Amended and Restated Assignment Agreement, dated as of April 1, 2003, recorded as document no. 98-608528 on April 14, 1998, in the Official Records, and as further amended by that certain Second Amendment to Amended and Restated Assignment Agreement dated as of June 1, 2003 recorded on June 3, 2003 as Instrument No. 03-1571690 in the Official Records by and between the Los Angeles Convention and Exhibition Center Authority and U.S. Bank National Association, and as further amended by that certain Third Amendment to Amended and Restated Assignment Agreement dated as of October 1, 2008 recorded on October 15, 2008 as Instrument No. 08-1834755 in the Official Records by and between the Los Angeles Convention and Exhibition Center Authority and U.S. Bank National Association.

SCHEDULE B

(continued)

6. The terms and provisions of that certain Indenture of Trust, dated as of August 15, 1993, as supplemented by (I) that certain First Supplemental Indenture of Trust dated March 1, 1998, (II) that certain Second Supplemental Indenture of Trust dated April 1, 1998, (III) that certain Third Supplemental Indenture of Trust dated June 1, 2003, and (IV) that certain Fourth Supplemental Indenture of Trust dated June 1, 2003, by and among U.S. Bank National Association (successor to Bank of America National Trust and Savings Association), the City of Los Angeles and the Los Angeles Conventions and Exhibition Center Authority.
7. The terms and provisions of that certain Trust Agreement dated as of January 1, 1989 by and between U.S. Bank National Association (successor to Bank of America National Trust and Savings Association) and the Los Angeles Convention and Exhibition Center Authority, as supplemented by (I) that certain First Supplemental Trust Agreement dated as of August 1, 1990, and (II) that certain Second Supplemental Trust Agreement dated as of August 15, 1993, by and among the City of Los Angeles, the Los Angeles Convention and Exhibition Center Authority, and U.S. Bank National Association (successor to Bank of America National Trust and Savings Association) and (III) that certain Third Supplemental Trust Agreement dated as of September __, 2008, by and among the City of Los Angeles, the Los Angeles Convention and Exhibition Center Authority, and U.S. Bank National Association (successor to Bank of America National Trust and Savings Association).
8. Water rights, claims or title to water, whether or not disclosed by the public records.
9. Matters which may be disclosed by an inspection and/or by a correct ALTA/ACSM Land Title Survey of said land that is satisfactory to this Company, and/or by inquiry of the parties in possession thereof.

This office must be notified at least 7 business days prior to the scheduled closing in order to arrange for an inspection of the land; upon completion of this inspection you will be notified of the removal of specific coverage exceptions and/or additional exceptions to coverage.

10. Any rights of parties in possession of said land, based on any unrecorded lease, or leases.

This Company will require a full copy of any unrecorded lease, together with all supplements, assignments, and amendments for review.

END OF SCHEDULE B

Note No. 1: Section 12413.1, California Insurance Code became effective January 1, 1990. This legislation regulates the disbursement of funds deposited with any title entity acting in an escrow or sub-escrow capacity. The law requires that all funds be deposited and collected by the title entity's escrow and/or sub-escrow account prior to disbursement of any funds. Some methods of funding may be subject to a holding period, which must expire before any funds may be disbursed. In order to avoid any such delays, all funding should be done via wire transfer. Funds deposited with the Company via wire transfer may be disbursed upon receipt. Funds deposited by cashiers checks, certified checks, and teller's checks is one business day after the day deposited. Other checks may require hold periods from two to five business days after the day deposited, and may delay your closing. The Company may receive benefits from such banks based upon the balances in such accounts. Such benefits will be retained by the Company as part of its compensation for handling such funds.

Note No. 2: The charge where an order is cancelled after the issuance of the report of title, will be that amount which in the opinion of the Company is proper compensation for the services rendered or the purpose for which the report is used, but in no event shall said charge be less than the minimum amount required under Section 12404.1 of the Insurance Code of the State of California. If the report cannot be cancelled "no fee" pursuant to the provisions of said Insurance Code, then the minimum cancellation fee shall be that permitted by law.

Note No. 3: California Revenue and Taxation Code Section 18668, effective January 1, 1991, requires that the buyer in all sales of California Real Estate, withhold 3-1/3% of the total sales price as California State Income Tax, subject to the various provisions of the law as therein contained, and as amended.

Note No. 4: Wire Transfers

In the event your transaction is being escrowed by a Chicago Title office, contact should be made with the office to obtain correct wiring instructions. Failure to do so could result in a delay in the receipt of funds and subsequent closing of your transaction.

Chicago Title will disburse by wire-out only collected funds or funds received by confirmed wire-in.

The Company's wire-in instructions are:

Bank:	Bank of America 275 Valencia Blvd, 2nd Floor Brea, CA 92823
Bank ABA No.:	0260-0959-3
Account Name:	Chicago Title Company, Broadway Plaza Office
Account No.:	12351-50737
For Credit To:	Chicago Title Company 700 South Flower, Suite 800 Los Angeles, CA 90017
Order No.:	116743050H-X49

INFORMATIONAL NOTES

(continued)

LENDER NOTE: On the DATE you fund the Loan and WIRE Funds to Chicago Title and reference the above Order Number, you must send written NOTICE to the Title Officer's Unit by messenger or E-Mail that you sent the Funds.

Chicago Title will send an E-Mail acknowledging receipt of the funds as soon as practicable.

Chicago Title will NOT be responsible for any delay in Closing and Recording the transaction, nor will Chicago Title be liable for any claim of lost Interest unless such written Notice is sent the day of Funding and Chicago Title has acknowledged receipt of funds.

Note No. 5: Your application for title insurance was placed by reference to a street address or assessor's parcel number. Based upon our records, we believe that the description in this report covers the parcel that you requested.

To prevent errors, we require written confirmation that the legal description contained herein covers the parcel that you requested.

Note No. 6: The plat, (map), which is attached to this report, is to assist you in locating land with reference to streets and other parcels. While this plat is believed to be correct, the Company assumes no liability for any loss occurring by reason of reliance thereon.

Note No. 7: The policy of title insurance will include an arbitration provision. The Company or the insured may demand arbitration. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the insured arising out of or relating to this policy, any service of the Company in connection with its issuance or the breach of a policy provision or other obligation. Please ask your escrow or title officer for a sample copy of the policy to be issued if you wish to review the arbitration provisions and any other provisions pertaining to your Title Insurance coverage.

Note No. 8: The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than the amount, if any, set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties.

INFORMATIONAL NOTES
(continued)

Note No. 9: Important notice regarding documents to be recorded in the Los Angeles County. Please review the following CRITICAL MESSAGE from the Los Angeles County Recorder's Office as it will likely impact your closing:

SUBJECT: ACCEPTANCE OF NOTARY ACKNOWLEDGEMENTS

Effective May 1, 2008, the Los Angeles Registrar-Recorder/County Clerk's Office will work diligently to be more efficient in examining notary acknowledgements as our part in minimizing notary fraud. In our efforts, we will strictly adhere to the following requirements for accepting Notary Acknowledgments/Certificates:

- Notaries must comply with the requirements set forth by the state where the oath is administered.
- Notary Acknowledgments/Certificates may not contain white-out, corrective tape, arrows and/or asterisks.
- Notary Acknowledgments/Certificates completed by a California Notary that are destined for recording in the County of Los Angeles must be presented exactly in the form prescribed by Civil Code Section 1189(a)(1).

A Notary Acknowledgment/Certificate that does not meet existing state requirements in addition to the requirements set forth above may not be re-submitted after it has been rejected by the Recorder. A new Notary Acknowledgment/Certificate will be required when re-submitting a rejected document.

If you have any questions, please contact the Registrar-Recorder/County Clerk at (562) 462-2125.

Chicago Title Company

Commercial/Industrial Division,
700 South Flower, Suite 800 Los Angeles, CA 90017 (213) 488-4300

Title Department:

Chicago Title Company
Attn: Dave Balassi
Email: Dave.Balassi@CTT.com
Phone: (213) 488-4394
Fax: (213) 488-4360
Order No.: 1167430501-X49

PRELIMINARY REPORT

Property Address: Twelfth Street

Dated as of: August 1, 2011 at 7:30 am

In response to the application for a policy of title insurance referenced herein, Chicago Title Company hereby reports that it is prepared to issue, or cause to be issued, as of the date hereof, a policy or policies of Title Insurance describing the land and the estate or interest therein hereinafter set forth, insuring against loss which may be sustained by reason of any defect, lien or encumbrance not shown or referred to as an Exception herein or not excluded from coverage pursuant to the printed Schedules, Conditions and Stipulations or Conditions of said Policy forms.

The printed Exceptions and Exclusion from the coverage and Limitations on Covered Risks of said Policy or Policies are set forth in Attachment One. The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than that set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties. Limitations on Covered Risks applicable to the CLTA and ALTA Homeowner's Policies of Title Insurance which establish a Deductible Amount and a Maximum Dollar Limit of Liability for certain coverages are also set forth in Attachment One. Copies of the policy forms should be read. They are available from the office which issued this report.

This report (and any supplements or amendments hereto) is issued solely for the purpose of facilitating the issuance of a policy of title insurance and no liability is assumed hereby. If it is desired that liability be assumed prior to the issuance of a policy of title insurance, a Binder or Commitment should be requested.

The policy(s) of title insurance to be issued hereunder will be policy(s) of Chicago Title Insurance Company

Please read the exceptions shown or referred to herein and the exceptions and exclusions set forth in Attachment One of this report carefully. The exceptions and exclusions are meant to provide you with notice of matters which are not covered under the terms of the title insurance policy and should be carefully considered.

It is important to note that this preliminary report is not a written representation as to the condition of title and may not list all liens, defects, and encumbrances affecting title to the land.

SCHEDULE A

1. The estate or interest in the land hereinafter described or referred to covered by this report is:

A Fee

2. Title to said estate or interest at the date hereof is vested in:

City of Los Angeles

3. The land referred to in this report is situated in the State of California, County of Los Angeles and is described in the Legal Description, attached hereto:

END OF SCHEDULE A

LEGAL DESCRIPTION

A PARCEL OF LAND, IN THE CITY OF LOS ANGELES, COUNTY OF LOS ANGELES, STATE OF CALIFORNIA, BEING THAT PORTION OF TWELFTH STREET, AS SHOWN ON THE MAP OF TRACT 28165, AS PER MAP RECORDED IN BOOK 814 PAGES 66 PAGES 66 TO 69 INCLUSIVE OF MAPS BOUNDED AS FOLLOWS:

ON THE EAST BY THE NORTHERLY PROLONGATION OF A LINE IN THE EASTERLY LINE OF LOT 6 OF SAID TRACT 28165, HAVING A BEARING OF NORTH 28° 21' 02" EAST AND A DISTANCE OF 509.35 FEET, AND ON THE WEST BY THE NORTHERLY PROLONGATION OF THE WESTERLY LINE OF LOT 6 OF SAID TRACT 28165 HAVING A BEARING OF NORTH 42° 47' 39" EAST, AND A DISTANCE OF 211.40 FEET.

END OF LEGAL DESCRIPTION

SCHEDULE B

At the date hereof, items to be considered and exceptions to coverage in addition to the printed Exceptions and Exclusions in said policy form would be as follows:

1. Taxes, bonds and assessments not covered by this report.
2. An easement in favor of the general public for public street purposes, over all of said land
3. Various oil and gas leases for the terms therein provided with certain covenants, conditions and provisions, together with easements, if any as set forth therein, executed by various lessors in favor of Standard Oil Company of California, one of which recorded July 26, 1965 as Instrument No. 3548, of Official Records

Reference is hereby made to said document for full particulars.

Affects that portion of said land lying below a depth of 500 feet from the surface thereof, without the right to enter upon or use any portion of said land lying above said depth.

No assurance is made as to the present ownership of the leasehold created by said lease, nor as to other matters affecting the rights or interests of the lessor or lessee in said lease.

4. The fact that said land is included within the Central Business District, City of Los Angeles Redevelopment Project Area, and that proceedings for redevelopment have been instituted.

Recorded: July 22, 1975 as Instrument No. 3675, of Official Records and re-recorded July 30, 1975 as Instrument No. 3868, Official Records

A Revised Statement regarding property located in said project area was recorded November 30, 2007 as Instrument No. 20072636434, of Official Records.

5. The terms and provisions of that certain amended and restated assignment agreement, dated as of August 15, 1993 recorded as Instrument No. 93-1777409 on September 14, 1993, in the Official Records, as amended by the First Amendment to Amended and Restated Assignment Agreement, dated as of April 1, 2003, recorded as document no. 98-608528 on April 14, 1998, in the Official Records, and as further amended by that certain Second Amendment to Amended and Restated Assignment Agreement dated as of June 1, 2003 recorded on June 3, 2003 as Instrument No. 03-1571690 in the Official Records by and between the Los Angeles Convention and Exhibition Center Authority and U.S. Bank National Association, and as further amended by that certain Third Amendment to Amended and Restated Assignment Agreement dated as of October 1, 2008 recorded on October 15, 2008 as Instrument No. 08-1834755 in the Official Records by and between the Los Angeles Convention and Exhibition Center Authority and U.S. Bank National Association.

SCHEDULE B
(continued)

6. The terms and provisions of that certain Indenture of Trust, dated as of August 15, 1993, as supplemented by (I) that certain First Supplemental Indenture of Trust dated March 1, 1998, (II) that certain Second Supplemental Indenture of Trust dated April 1, 1998, (III) that certain Third Supplemental Indenture of Trust dated June 1, 2003, and (IV) that certain Fourth Supplemental Indenture of Trust dated June 1, 2003, by and among U.S. Bank National Association (successor to Bank of America National Trust and Savings Association), the City of Los Angeles and the Los Angeles Conventions and Exhibition Center Authority.
7. The terms and provisions of that certain Trust Agreement dated as of January 1, 1989 by and between U.S. Bank National Association (successor to Bank of America National Trust and Savings Association) and the Los Angeles Convention and Exhibition Center Authority, as supplemented by (I) that certain First Supplemental Trust Agreement dated as of August 1, 1990, and (II) that certain Second Supplemental Trust Agreement dated as of August 15, 1993, by and among the City of Los Angeles, the Los Angeles Convention and Exhibition Center Authority, and U.S. Bank National Association (successor to Bank of America National Trust and Savings Association) and (III) that certain Third Supplemental Trust Agreement dated as of September __, 2008, by and among the City of Los Angeles, the Los Angeles Convention and Exhibition Center Authority, and U.S. Bank National Association (successor to Bank of America National Trust and Savings Association).
8. Water rights, claims or title to water, whether or not disclosed by the public records.
9. Matters which may be disclosed by an inspection and/or by a correct ALTA/ACSM Land Title Survey of said land that is satisfactory to this Company, and/or by inquiry of the parties in possession thereof.

This office must be notified at least 7 business days prior to the scheduled closing in order to arrange for an inspection of the land; upon completion of this inspection you will be notified of the removal of specific coverage exceptions and/or additional exceptions to coverage.

10. Any rights of parties in possession of said land, based on any unrecorded lease, or leases.

This Company will require a full copy of any unrecorded lease, together with all supplements, assignments, and amendments for review.

END OF SCHEDULE B

INFORMATIONAL NOTES

Note No. 1: Section 12413.1, California Insurance Code became effective January 1, 1990. This legislation regulates the disbursement of funds deposited with any title entity acting in an escrow or sub-escrow capacity. The law requires that all funds be deposited and collected by the title entity's escrow and/or sub-escrow account prior to disbursement of any funds. Some methods of funding may be subject to a holding period, which must expire before any funds may be disbursed. In order to avoid any such delays, all funding should be done via wire transfer. Funds deposited with the Company via wire transfer may be disbursed upon receipt. Funds deposited by cashiers checks, certified checks, and teller's checks is one business day after the day deposited. Other checks may require hold periods from two to five business days after the day deposited, and may delay your closing. The Company may receive benefits from such banks based upon the balances in such accounts. Such benefits will be retained by the Company as part of its compensation for handling such funds.

Note No. 2: The charge where an order is cancelled after the issuance of the report of title, will be that amount which in the opinion of the Company is proper compensation for the services rendered or the purpose for which the report is used, but in no event shall said charge be less than the minimum amount required under Section 12404.1 of the Insurance Code of the State of California. If the report cannot be cancelled "no fee" pursuant to the provisions of said Insurance Code, then the minimum cancellation fee shall be that permitted by law.

Note No. 3: California Revenue and Taxation Code Section 18668, effective January 1, 1991, requires that the buyer in all sales of California Real Estate, withhold 3-1/3% of the total sales price as California State Income Tax, subject to the various provisions of the law as therein contained, and as amended.

Note No. 4: Wire Transfers

In the event your transaction is being escrowed by a Chicago Title office, contact should be made with the office to obtain correct wiring instructions. Failure to do so could result in a delay in the receipt of funds and subsequent closing of your transaction.

Chicago Title will disburse by wire-out only collected funds or funds received by confirmed wire-in.

The Company's wire-in instructions are:

Bank:	Bank of America 275 Valencia Blvd, 2nd Floor Brea, CA 92823
Bank ABA No.:	0260-0959-3
Account Name:	Chicago Title Company, Broadway Plaza Office
Account No.:	12351-50737
For Credit To:	Chicago Title Company 700 South Flower, Suite 800 Los Angeles, CA 90017
Order No.:	116743050I-X49

INFORMATIONAL NOTES

(continued)

LENDER NOTE: On the DATE you fund the Loan and WIRE Funds to Chicago Title and reference the above Order Number, you must send written NOTICE to the Title Officer's Unit by messenger or E-Mail that you sent the Funds.

Chicago Title will send an E-Mail acknowledging receipt of the funds as soon as practicable.

Chicago Title will NOT be responsible for any delay in Closing and Recording the transaction, nor will Chicago Title be liable for any claim of lost Interest unless such written Notice is sent the day of Funding and Chicago Title has acknowledged receipt of funds.

Note No. 5: Your application for title insurance was placed by reference to a street address or assessor's parcel number. Based upon our records, we believe that the description in this report covers the parcel that you requested.

To prevent errors, we require written confirmation that the legal description contained herein covers the parcel that you requested.

Note No. 6: The plat, (map), which is attached to this report, is to assist you in locating land with reference to streets and other parcels. While this plat is believed to be correct, the Company assumes no liability for any loss occurring by reason of reliance thereon.

Note No. 7: The policy of title insurance will include an arbitration provision. The Company or the insured may demand arbitration. Arbitrable matters may include, but are not limited to, any controversy or claim between the Company and the insured arising out of or relating to this policy, any service of the Company in connection with its issuance or the breach of a policy provision or other obligation. Please ask your escrow or title officer for a sample copy of the policy to be issued if you wish to review the arbitration provisions and any other provisions pertaining to your Title Insurance coverage.

Note No. 8: The policy to be issued may contain an arbitration clause. When the Amount of Insurance is less than the amount, if any, set forth in the arbitration clause, all arbitrable matters shall be arbitrated at the option of either the Company or the Insured as the exclusive remedy of the parties.

INFORMATIONAL NOTES

GENERAL BACKGROUND

Employed as an insurance investigator from 1992 through 2002. Became a licensed private investigator in 2000. Skills included interviews, formal statements, research, analysis and narrative report preparation.

PROFESSIONAL AFFILIATIONS, LICENSES & CERTIFICATION

State of California General Real Estate Appraiser, Certificate No. AG036814

Associate Member of the Appraisal Institute No. 455039, January 2004

Member of the International Right of Way Association No. 7889036, 2005

A+ Certified Computer Technician, December 2001

Licensed Private Investigator, November 2000

APPRAISAL QUALIFICATIONS
JOYCE L. RIGGS, MAI, SR/WA

APPRAISAL EXPERIENCE

Entered the appraisal profession in 1988 as an appraisal assistant with B.G.R. Appraisals in Simi Valley, California. Services rendered involved appraisal report preparation for a variety of property types including: commercial/retail and office; industrial; bulk acreage; and multi-family residential.

In 1991, I accepted a position as a Real Estate Representative for The Metropolitan Water District of Southern California ("MWDSC"). Services rendered involved appraisal report preparation, review, mass appraisal cost studies for budget purposes, and evaluation of full and partial takings of property for capital projects and surplus portfolio properties; coordination between Legal, Right-of-Way, Engineering, Planning, and Environmental Divisions relative to appraisal issues as appraisal project manager of the Diamond Valley Reservoir Project, a capital project.

From 1993 to 2001, I was associated with the appraisal firm of Mason & Mason in Montrose, California. Services rendered involved appraisal review, and full and partial take appraisal report preparation of retail, office, industrial, agricultural, and residential uses, including determination of severance damages and/or benefits for condemnation acquisitions, redevelopment acquisitions, property tax appeals, deficiency judgments, financial decisions, and planning purposes throughout Southern California.

Since 2001, I joined Riggs & Riggs, Inc., an appraisal and consulting firm in Simi Valley, California, and serve as Vice President of the corporation. Services rendered include expert witness testimony, appraisal review, appraisal report preparation for full and partial take of fee, permanent easement, or temporary easement right of way assignments, and appraisal report preparation for private and lending assignments. Property types include retail, office, industrial, agricultural, mobile home parks, and residential uses, including determination of severance damages and/or benefits for condemnation acquisitions, redevelopment acquisitions, property tax appeals, deficiency judgments, financial decisions, and planning purposes. Appraisal assignments have been undertaken in the Los Angeles, Ventura, Orange, Riverside, San Bernardino San Diego, and Santa Barbara County regions.

Experience includes completion or major contributions to the following:

- Litigation appraisals for the widening and realignment of Lewis Road and U.S. Highway 101, Highway 395 and Phelan Road, and realignment and widening projects along the 405, 210, 5, 10, 215, 91/215/60, and 134 Freeways in Los Angeles, San Bernardino, Ventura, Orange, and Riverside Counties, 1995 to present
- Consulting Valuation Cost Study prepared for budgeting purposes relative to the projects in Orange and Riverside Counties for The Metropolitan Water District, 2006, Riverside County Flood Control & Water Conservation District in 2008 and 2009, and a Grade Separation Project for OCTA and HDR Pharos, 2008
- Market Rental Study on Port-Oriented Property in Los Angeles Harbor area, for Southern California Edison, Los Angeles County, 2007
- Appraisal of Partial Acquisition and Disposition of Fee and Easement Interests in port-related properties for the Port of Long Beach, Los Angeles County, 2004 and 2006
- Appraisals of partial fee, permanent, and temporary construction easement acquisitions for Murrieta Creek Project Phases 1 and 2, and Eagle Canyon Dam, for Riverside County Flood Control and Water Conservation District, Temecula, Palm Springs, and Cathedral City, 2002 to present
- Appraisals of partial fee, easement, and temporary construction easement acquisitions along Interstate 10 for interchange projects, for the County of Riverside and City of Palm Springs, Riverside County, 2007 to 2009
- Appraisals of partial fee, easement, and temporary construction easement acquisitions for the widening of Flower Street, Glendale, 2005
- Appraisals of partial fee, easement, and temporary construction easement acquisitions for the widening of Van Buren Boulevard, Riverside, 2004-2005
- Appraisals of partial fee, easement, and temporary construction easement acquisitions for Kanan Road/ U.S. Highway 101 Interchange Project, Agoura Hills, 2004
- Appraisals of partial fee and temporary construction easement acquisitions for the Alameda Corridor East, San Gabriel Valley, Los Angeles County, 2001 to present

- Litigation appraisals for inverse condemnation cases proximate to Ontario Airport, Santa Monica Airport, and 210 Freeway extension through San Bernardino County, to determine diminution in value freeway effects, if any, in 2006-present, and airport noise and vibrations, in the City of Ontario, San Bernardino County, 1993 to 1997 and in the West Los Angeles, 2000 to 2001
- Appraisals of partial fee and temporary construction easement acquisitions for the Pasadena Gold Line, Cities of Pasadena and South Pasadena, Los Angeles County, 1999-2001, 2004-2005
