Honorable Council of the City of Los Angeles
John Ferraro Council Chamber
200 N. Spring Street
Room 340, City Hall
Los Angeles, CA. 90012

Attention: Sharon Gin, Office of the City Clerk

COUNCIL TRANSMITTAL:

Transmitted herewith, is a Board Memorandum adopted by the Agency Board on March 03, 2011 City Council review and approval in accordance with the "Community Redevelopment Agency Oversight Ordinance" entitled:

VARIOUS ACTIONS RELATED TO:

APPROVAL OF REVISED RECOMMENDATIONS REGARDING COOPERATION AGREEMENT WITH CITY OF LOS ANGELES FOR PAYMENT OF UP TO \$930,000,000 FOR COSTS ASSOCIATED WITH CERTAIN CRA/LA FUNDED CAPITAL IMPROVEMENT, PUBLIC IMPROVEMENT AND AFFORDABLE HOUSING PROJECTS LOCATED WITHIN THE CURRENTLY DESIGNATED 31 REDEVELOPMENT PROJECT AREAS

RECOMMENDATION

That City Council approves recommendations on the attached Board Memorandum.

ENVIRONMENTAL REVIEW

Under the Agreement, the City is required to perform its obligations thereunder in accordance with environmental laws such as the California Environmental Quality Act ("CEQA"), as set forth at California Public Resources Code Section 21000 et seq., the State CEQA Guidelines ("CEQA Guidelines"), as set forth at California Code of Regulations, Title 14, Chapter 3, Section 15000 et seq., and related local regulations and guidelines adopted pursuant thereto. The approval and execution of the Agreement is not a "project" for purposes of CEQA because the Agreement creates a governmental funding mechanism that binds the CRA/LA to fund projects but does not involve any absolute commitment to any specific project on the City's part.

To the extent, however, that the Agreement is deemed to be a "project" for purposes of CEQA, it is important to note that various projects subject to the Agreement have already undergone environmental review in compliance with CEQA, and that consistent with CEQA Guidelines Section 15004, approval of the Agreement is not the appropriate time to conduct environmental review of the balance of the projects because (a) the development concept for such projects has not been formulated to a sufficient level of detail to enable meaningful environmental review at this juncture and (b) environmental review of such projects is thus unripe and too premature at this stage.

BY _____ DEPUTY

CITY CLERK

2011 MAR -4 PM 3:41

RECEIVED
CITY CLERK'S OFFICE

Moreover, consistent with CEQA Guidelines Section 15352, by entering into the Agreement, the CRA/LA is presently committing to provide funds for certain projects, but the City is not committing to a definite course of action in regard to any project intended to be carried out. The City shall not be obligated to complete any individual project identified in the Agreement if the City later determines that such project: (i) is not exempt from CEQA, (ii) has not already undergone complete CEQA review, and (iii) requires the preparation of a mitigated negative declaration, environmental impact report ("EIR") or supplemental or subsequent EIR. In that regard, the City shall retain the discretion to impose mitigation measures and to adopt project alternatives, consistent with the requirements of CEQA that may be identified during future environmental review of any specific project. It is presently anticipated that certain projects will be determined to be exempt from CEQA due to the nature of the proposed development and construction involved in such projects and consistent with prior CEQA protocol used with respect to similar types of redevelopment projects and activities. The City reserves the right, however, to evaluate whether each project is exempt from CEQA based on the prevailing facts and circumstances at such time as the development concept for each project has been formulated to a sufficient level of detail to enable meaningful environmental review.

FISCAL IMPACT STATEMENT

There is no fiscal impact to the City's General Fund, as a result of this action.

THE COMMUNITY REDEVELOPMENT AGENCY OF THE CITY OF LOS ANGELES, CALIFORNIA

MEMORANDUM

11.1

VARIOUS

REVISED

DATE: MARCH 3, 2011

TO: CRA/LA BOARD OF COMMISSIONERS

FROM: CHRISTINE ESSEL, CHIEF EXECUTIVE OFFICER

STAFF: DALILA SOTELO, DEPUTY CHIEF OF OPERATIONS

SUBJECT: APPROVAL OF REVISED RECOMMENDATIONS REGARDING COOPERATION AGREEMENT WITH CITY OF LOS ANGELES FOR PAYMENT OF UP TO \$930,000,000 FOR COSTS ASSOCIATED WITH CERTAIN CRA/LA FUNDED CAPITAL IMPROVEMENT, PUBLIC IMPROVEMENT AND AFFORDABLE HOUSING PROJECTS LOCATED WITHIN THE CURRENTLY DESIGNATED 31 REDEVELOPMENT PROJECT AREAS.

RECOMMENDATIONS

That the CRA/LA Board of Commissioners consolidate, revise, and affirm, subject to concurrence by City Council, its previous actions by:

1. Authorizing the CRA/LA Chief Executive Officer (CEO) or designee to negotiate, execute, and take any action to carry out a Cooperation Agreement (Agreement) in an amount up to \$930,000,000 with the City of Los Angeles (the City) for the implementation of capital and public improvements, affordable housing projects, and other redevelopment projects, all of which are listed on the consolidated list attached as Attachment A to this memorandum, (including program delivery costs) in the currently designated CRA/LA redevelopment project areas, subject to the review and approval as to form by the City Attorney;
2. Authorizing the Chair of the CRA/LA's Board of Commissioners to negotiate, on behalf of CRA/LA, provisions within the Agreement or other document(s) regarding the designation of a successor entity to implement the City's obligations under the Agreement on behalf of the City upon the conclusion of the CRA/LA's statutory authority, which successor entity may be either a non-profit organization or development corporation approved by or established by the City Council and the CRA/LA Board of Commissioners; and
3. Acknowledging and affirming the previous adoption by the CRA/LA Board of certain findings required by California Health and Safety Code Sections 33421.1 and 33445.

SUMMARY

The main purposes of this memorandum are to consolidate, revise, and affirm certain actions previously taken by the CRA/LA Board in connection with the Agreement and update the CRA/LA Board on the status of negotiation of the Agreement.

This action, if approved, consolidates, revises, affirms, and supersedes certain actions previously taken by the CRA/LA Board of Commissioners relative to the Agreement. Specifically, this action replaces: (i) all of the recommendations that were approved by the CRA/LA Board on January 14, 2011; and (ii) only that certain recommendation relating to the negotiation and execution of an amendment to the Agreement, as approved by the CRA/LA Board on February 3, 2011. Statutory findings required under California Health and Safety Code Sections 33421.1 and 33445 have already been adopted by the CRA/LA Board on February 3, 2011. Such findings and the adoption thereof are acknowledged and reaffirmed by the proposed actions in this memorandum.

The original intent of the Agreement remains the same. Under the Agreement, the City is agreeing to take on activities that are beyond those normally provided by the City and are specifically intended to assist CRA/LA in addressing the removal of blight and prevention of the recurrence of blight. The obligation to pay tax increment, as set forth in the Agreement, shall constitute an indebtedness of the CRA/LA for the purpose of carrying out the Redevelopment Plans for each of the affected project areas.

PREVIOUS ACTIONS

January 14, 2011 – Board of Commissioners adoption of recommendations relative to a Cooperation Agreement with the City of Los Angeles

February 3, 2011 – Board of Commissioners adoption of recommendations relative to an Amendment to the Cooperation Agreement with the City of Los Angeles and adoption of joint resolutions for the relevant projects

DISCUSSION AND BACKGROUND

The CRA/LA Board action on January 14, 2011 and its subsequent action on February 3, 2011 included all actions necessary to obligate funds for the list of projects that have been identified in the 31 Five-year Implementation Plans. Many of the identified projects will accelerate the economic recovery of the City as well as ensure the creation of locally based, quality jobs. The projects are listed in Attachment A which includes all activities originally identified on January 14, 2011 and the supplemental list of activities identified on February 3, 2011.

The purpose of the Agreement is to facilitate the implementation of the activities listed in Attachment A (which attachment is comprised of the original list [A-1] and the supplemental list [A-2]) pursuant to the terms and conditions outlined in the Agreement). The Agreement has a variety of concepts that are important to ensure that the work program is properly implemented. There has been active negotiation between City staff and CRA/LA staff regarding various aspects of the Agreement. As of the time when this memorandum was being prepared, some of the more critical terms and conditions include without limitation:

- a. Projects/activities listed on Attachment A that have been obligated prior to the execution of the Agreement will not be subject to the Agreement;

- b. City has the right to eliminate any project if the City determines that such project is not feasible;
- c. The pledge of future tax increment funds will not be limited to CRA/LA fiscal years 2011/2012 through 2015/2016 (as previously approved by the CRA/LA Board); rather the pledge will run for as long as necessary to reach, if ever, the maximum dollar amount of \$930,000,000; and
- d. CRA/LA will perform City's obligations under the Agreement on behalf of the City commencing upon the effective date of the Agreement until CRA/LA is required to be disestablished.

It is possible that, as negotiations progress, some or all of these terms and conditions may be modified or eliminated.

SOURCE OF FUNDS

The source of funds Tax Increment, Bond Proceeds, Low and Moderate Income Housing Funds, City AB1290 Funds, City Affordable Housing Trust Funds, CRA/LA Special Revenue, Grant Funds, Developer Deposits, Art Funds, and future Net Tax Increment

PROGRAM AND BUDGET IMPACT

The actions are consistent with the Board and City Council approved current FY2010-11 Budget and Work Program and will pledge up to \$344,000,000 from the current available resources and the balance from anticipated "Net Available Tax Increment" receipts starting in FY2011-12 and subsequent fiscal years for a total not to exceed sum of \$930,000,000. "Net Available Tax Increment", as defined in the Agreement, means all of the tax increment funds from all of the Project Areas actually received by the CRA/LA (or any lawful successor of the CRA/LA) during CRA/LA's fiscal year 2011-12 and the following fiscal years thereafter, minus the amount of money required to service all existing (as of the effective date of the Agreement) contractual and statutory payment obligations of the CRA/LA to another party.

All payment obligations of CRA/LA under the Agreement shall be payable solely out of Pledged Funds (defined as both the Currently Available Funds and the Net Available Tax Increment, combined), subject to the availability of such Pledged Funds at any given time. The CRA/LA's cumulative obligation to compensate the City under the Agreement from Pledged Funds shall not exceed the sum of NINE HUNDRED THIRTY MILLION DOLLARS (\$930,000,000).

ENVIRONMENTAL REVIEW

Under the Agreement, the City is required to perform its obligations thereunder in accordance with environmental laws such as the California Environmental Quality Act ("CEQA"), as set forth at California Public Resources Code Section 21000 et seq., the State CEQA Guidelines ("CEQA Guidelines"), as set forth at California Code of Regulations, Title 14, Chapter 3, Section 15000 et seq., and related local regulations and guidelines adopted pursuant thereto. The approval and execution of the Agreement is not a "project" for purposes of CEQA because the Agreement creates a governmental funding mechanism that binds the CRA/LA to fund projects but does not involve any absolute commitment to any specific project on the City's part.

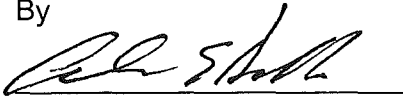

To the extent, however, that the Agreement is deemed to be a "project" for purposes of CEQA, it is important to note that various projects subject to the Agreement have already undergone environmental review in compliance with CEQA, and that consistent with CEQA Guidelines Section

15004, approval of the Agreement is not the appropriate time to conduct environmental review of the balance of the projects because (a) the development concept for such projects has not been formulated to a sufficient level of detail to enable meaningful environmental review at this juncture and (b) environmental review of such projects is thus unripe and too premature at this stage.

Moreover, consistent with CEQA Guidelines Section 15352, by entering into the Agreement, the CRA/LA is presently committing to provide funds for certain projects, but the City is not committing to a definite course of action in regard to any project intended to be carried out. The City shall not be obligated to complete any individual project identified in the Agreement if the City later determines that such project: (i) is not exempt from CEQA, (ii) has not already undergone complete CEQA review, and (iii) requires the preparation of a mitigated negative declaration, environmental impact report ("EIR") or supplemental or subsequent EIR. In that regard, the City shall retain the discretion to impose mitigation measures and to adopt project alternatives, consistent with the requirements of CEQA, that may be identified during future environmental review of any specific project. It is presently anticipated that certain projects will be determined to be exempt from CEQA due to the nature of the proposed development and construction involved in such projects and consistent with prior CEQA protocol used with respect to similar types of redevelopment projects and activities. The City reserves the right, however, to evaluate whether each project is exempt from CEQA based on the prevailing facts and circumstances at such time as the development concept for each project has been formulated to a sufficient level of detail to enable meaningful environmental review.

Downtown	Council District 9 Corridors	Alameda Corridor Expansion and Rehabilitation	Public Improvement	Opportunities to invest in public infrastructure and strategic partnerships with private investment in order to assist in development new businesses and expanding existing businesses.	\$2,500,000

LIST OF ACTIVITIES
(INCLUDING PROGRAMS, PROJECTS)

Downtown	Council District 9 Corridors	Washington Blvd. Streetscape	Public Improvement	Implementation of a community-driven master streetscape plan for Washington Boulevard between Figueroa Street on the west and Alameda Street on the east.	\$2,800,000
Downtown	Council District 9 Corridors	Central Avenue Jazz Park	Public Improvement	Redesign and expansion of existing Central Avenue Jazz Park, located at 42nd and Central.	\$2,900,000
Downtown	Council District 9 Corridors	Clean and Safe Program	Public Improvement	Clean up graffiti and sidewalk cleaning along Central Avenue, Vermont and Washington, bulky item pick up throughout project area	\$3,000,000
Downtown	Council District 9 Corridors	Paul R. Williams Center	Public Improvement	Rehabilitation of the historic Angelus Funeral Home by the Community Enhancement Corporation. The completed project will include a child-care center and health clinic serving low-income families from the surrounding community. Total developments costs are \$11.7 million.	\$3,000,000
Downtown	Council District 9 Corridors	Vermont Avenue Apartments	Housing	48-units of affordable housing targeting grandparents that are primary caregivers for their grandchildren.	\$3,000,000
Downtown	Council District 9 Corridors	Florence Mills Housing	Housing	Located on Central Avenue between 35th Street and Martin Luther King Jr. Boulevard, will consist of 70 units of affordable rental housing for families, with ground floor retail. The project will include subterranean parking, laundry, community room, open space, secured entry, and a play area.	\$3,300,000
Downtown	Council District 9 Corridors	Goodyear Tract Improvements	Public Improvement	Investment in infrastructure to enhance goods movement in and around the industrial tract and road improvements to address flooding and other barriers to development.	\$4,000,000
Downtown	Council District 9 Corridors	Business Incentive Program	Commercial	On-going program to provide façade improvement grants and matching rehabilitation loans for commercial businesses.	\$5,000,000
Downtown	Council District 9 Corridors	Slauson Central Retail Center	Commercial	Development of a 76,300 square foot retail center, including a Northgate Gonzalez supermarket, CVS pharmacy, and a job training facility.	\$6,500,000
Downtown	Council District 9 Corridors	Central Avenue Streetscape	Public Improvement	Master streetscape improvement plan to improve walkability, connect the community, and incentivize redevelopment of vacant and underutilized properties along Central Ave. between Washington Blvd. and Slauson Ave.	\$8,000,000
Downtown	Council District 9 Corridors	29th Street Crossings	Housing	Multi-phased project by Urban Housing Communities to transform 29th Street between San Pedro and Griffith Avenue from industrial uses to affordable housing and support services for area residents.	\$9,000,000

LIST OF ACTIVITIES
(INCLUDING PROGRAMS, PROJECTS)

Downtown	Council District 9 Corridors	Vermont Median Park	Public Improvement	Reconfiguration of 1.5 miles of Vermont Avenue between Gage Avenue and Manchester Boulevard to create a 60-foot wide linear park in the median. This project will provide 14-acres of usable park space in one of the most park-poor areas in the City of Los Angeles.	\$9,000,000
Downtown	Council District 9 Corridors	Washington Blvd Housing (Phases 1-4)	Housing	Multi-phased mixed-use affordable housing, including 262 units and 19,00 square feet of retail on Washington Boulevard between Los Angeles Street and Maple Avenue.	\$10,130,000
Downtown	Council District 9 Corridors	Downtown LA Auto District	Commercial	Support continued development of the Downtown LA Auto District through: public improvements; way-finding and appropriate off-site signage; identification of opportunity sites; coordination, outreach and assistance to potential new dealerships; and identification shared-parking facilities.	\$12,000,000
Downtown	Council District 9 Corridors	Central Avenue Streetscape and Utility Underground	Public Improvement	Implementation of master streetscape plan for Central Avenue between Washington Boulevard on the north and Slauson Avenue on the south.	\$15,300,000
Downtown	Council District 9 Corridors	Slauson Wall Project	Public Improvement	Environmental remediation and development of a public park, affordable housing and an institutional/community use on a 7-acre industrial property, acquired by CRA/LA in 2010.	\$17,000,000
Downtown	Council District 9 Corridors	Homeownership Opportunity Sites Program	Housing	Development of 60 units of affordable ownership-housing on three CRA/LA owned sites.	\$18,000,000
Downtown	Little Tokyo	First Street Historic District	Public Improvement	Various projects to support preservation and historic properties along First Street.	\$250,000
Downtown	Little Tokyo	Regional Connector	Public Improvement	Collaboration with MTA on the site and design of the Regional Connector Station serving Little Tokyo in a manner that maximizes pedestrian access, development opportunities and minimizes commute times.	\$300,000
Downtown	Little Tokyo	Central Avenue Art Park	Public Improvement	Development of community based park, open space, arts related spaces, potential public parking and linkage to Little Tokyo Gold Line Station.	\$1,000,000
Downtown	Little Tokyo	Area wide Public Improvements	Public Improvement	Design and installation of various public improvements and sustainable features along a 3rd Street between Alameda and Los Angeles. Improvements include crosswalks, lighting, landscaping, street furniture, fitness elements, gateway markers, and information and way-finding signage.	\$1,500,000

LIST OF ACTIVITIES
(INCLUDING PROGRAMS, PROJECTS)

Downtown	Little Tokyo	Third Street Public Improvements	Public Improvement	Design and installation of various public improvements and sustainable features along a 3rd Street between Alameda and Los Angeles. Improvements include crosswalks, lighting, landscaping, street furniture, fitness elements, gateway markers, and information and way-finding signage.	\$3,000,000
Downtown	Little Tokyo	Avalon Bay	Housing	Mixed-use development with retail and public parking.	\$5,500,000
Downtown	Little Tokyo	Block 8 (Related Companies)	Housing	Mixed-use development with retail and public parking.	\$5,900,000
Downtown	Council District 9 Corridors	Paradise Baptist/Urban Vision	Housing	Development of 64 units of affordable family housing and a potential charter school at 5000 South Broadway.	\$500,000
East Valley	Laurel Canyon	Laurel Canyon Redevelopment and Merger with North Hollywood	Plans & Studies	Amendment of the Laurel Canyon Redevelopment Plan to include expansion of project area boundaries and potential merger with the North Hollywood Project Area.	\$629,000
East Valley	Laurel Canyon	Valley Plaza Shopping Center	Commercial	Redevelopment of the 22-acre shopping center located at the intersection of Laurel Canyon and Victory Boulevards.	\$1,600,000
East Valley	Laurel Canyon	Laurel Canyon Business Assistance Program (BAP)	Business Assistance	Provides grants and forgivable loans to business owners and tenants to attract new business into the Project Area and retain existing businesses and jobs.	\$4,500,000
