Greetings!

Attached is a letter of support for the Clean Up Green Up policy (Council files 11-0112 and 11-0112-S1) from the LA Collaborative for Environmental Health and Justice which has sponsored the campaign in support of this proposed pilot initiative. The LA Collaborative truly appreciates the Council's support up to this time and urges you to vote IN FAVOR of these items when they comes before the full Council in the coming days.

Thank you for your time and consideration of this important matter.
