There should be no Special Meeting for a routine and legislated item.

Redistricting Partners LLC was hired as technical specialist to the Commission, yet they provided Maptitude, the mapping tool used to originate the maps. Maptitude was licensed to them per PDF page 12 of the Chief Legislative Analyst Report. We cannot ascertain if they had the permission to use copyrighted property.

Paul Mitchell and Chris Chaffee of Redistricting Partners LLC were part of that package. What are the Conflicts of Interest.

We cannot determine how the information was used and that it fit the criteria of redistricting to the law.

Where Communities of Interest considered or just political election history.

What we find is the in our school community (District 2), the only middle school (Nightingale) feeding the high school (Lincoln) is in another School Board district.

Please reconsider these maps.
