SUMMARY

In a report to the Board of Police Commissioners dated January 14, 2011 (attached to the Council file), the Police Department recommends that the Board approve the donation of professional services of Dr. Kelling to conduct a follow-up project of the Safer Cities Initiative. The Police Department reports that Dr. Kelling will research the effects of the Safer Cities Initiative on five communities in Los Angeles. The project entails collecting crime statistics, analyzing the continued decline of crime, reevaluating new strategies for continuing crime reduction and assessing the quality of life improvements in the five communities today. Collected data will be compared to the previous project to identify the success of the Safer Cities Initiative. On February 1, 2011, the Board approved the Police Department's recommendation to accept the donation.

At its meeting held February 14, 2011, the Public Safety Committee recommended that Council approve the donation, as recommended by the Board of Police Commissioners.

Respectfully submitted,

PUBLIC SAFETY COMMITTEE
