Dave Takus, Music director, from Valley Academy of Arts & Science made a request for funding for 3 areas of need for his program: instructional festival, instruments, sheet music. He also brought another request from Lynn Ryan, teacher, for art materials: matt cutter and mat board to frame student work. Both were referred to Education Committee.

V. Community Speakers

Dario Del Core, LAPD Sr. Lead Officer for Devonshire Division: He reported that burglaries are up in GH and Porter Ranch. Neighborhood watch meeting is coming up. Property crimes have really increased over the last period. The perpetrator knocks on the door, if there's no answer, they break a window. They're casing. The last 10 days it's slowed down to a couple of break ins in the last 2 weeks. It was going at a pace of 5-6 a day. What's going on is definitely outside of the norm. The Division has been given extra resources, temporarily. Board houses have expanded. 15% decrease in crime last year (violent/property) is only down 3% now and may be going up. LAPDonline.org to sign up for e-police.

Megan Cottier, District Director for CD 12 City Council member Mitch Englander. The CM is Chair of Public Safety, Vice Chair of Budget and Finance, sits on Planning & Land Use. Herb Wesson is the new City Council president. City of L.A. redistricting going on now. Ms. Cottier reported that the last medical marijuana facility in our area has been closed.

VI. Officer Reports

President: We have one vacancies in the Youth Activities position, and will probably have another - Member at Large (Bob Stevens' position). Patrick O'Flaherty interested. Dave Beauvais took training and submitted paperwork and now has the purchase card. Re move to Presbyterian Church: we're approved by them to use their facility. Cost will be the same as Pavilion \$125/mo.

Treasurers Report: We have \$16,500 approximately left in our budget, with \$7,600 encumbered in addition to 16,500. DONE sent out memo for timeline. We can push the timeline to May 15 to spend our money but it is a hard deadline – so we have a little bit longer, but no leeway. B Schindelheim recommended that we keep April as deadline. Last day for purchasing on card is June 15 (no funds can be spent from June 16-July 5)
