Subject: Community Care Facility Ordinance

Dear Ms. Gin

RE: Council File NO: 11-0262

I would like to ask that carefully consider the issues that are being addressed with this ordinance. I live within 2 blocks from a home that houses men who are recovering from drug and alcohol issues. The issue for me is there oversight for these men. Is the homeowner really helping these men or are they being warehoused with no treatment. The residents of the neighborhood should be able to have some assurances that the residents do not have a history of violent and/or sex crimes. Hopefully this ordinance will address the concerns of

the residents with proper oversight of the facility.

Thank you for your help in this matter
