Subject: Pass the Full City Ordinance CF# 11-0262

To: zine@lacity.org

Cc: sharon.gin@lacity.org

Dear Councilman Dennis P. Zine,

As residents of Woodland Hills, we implore you to pass the ordinance that the City Planning Department and the City Attorney have developed. You as councilman have a duty to protect the residents of Woodland Hills as well as all residents who resides in Los Angeles the safety and security for all single family homeowners. It is your duty as well as the duties of all the council members to protect the citizens who voted for you to keep our communities safe by keeping out Community Care Facilities such as sober living, parolees houses, and other invasive commercial boarding homes from our single family residence areas. There are areas that are more favorable for those Community Care Facilities such as commercial and industry areas. The homes would be closer to areas where jobs are available and supervision of those clients to their job sites and shopping areas can be closely monitored.

You wouldn't want these types of invasive homes in your neighborhood or your children's neighborhood. Don't be bullied by these group home advocates who are disguised as homeowner associates who are out to make a quick buck. Think twice about what is best for the community for future generations to come. We strongly urge you to pass this ordinance that the City Planning Department and City Attorney have developed.

Thank you,

Mont and Barbara Richardson
5966 Lubao Avenue
Woodland Hills, CA 91367
