Subject: Community Care Facility Ordinance

To: [sharon.gin@lacity.org](mailto:sharon.gin@lacity.org)

Dear Sharon,

Attached is a letter I am sending to Councilmember Ed Reyes regarding the stalled Community Care Facility Ordinance. I am firmly in favor of immediate attention to this Ordinance; that it should be passed, attacking these unlicensed, poorly managed group "homes" that do absolutely no good for anyone, except the owners of the "homes".

Thank you,

Virginia Field

Councilmember Ed Reyes, Chair  
Planning and Land Use Management Committee  
L.A. City Hall

To the Honorable Councilmember Reyes:

I urge you to bring to a successful conclusion the proposed Community Care Facility Ordinance. I live in Granada Hills and have personally seen the damage that these homes have on a normal, middle class community of hard working families. There is no excuse to allow these unregulated "homes" to exist. We desperately need this Ordinance to be passed, giving clear legal recourse to LAPD to help this community regain their safety and dignity. I used to walk to the local grocery store and could never be sure I would make it there without someone from one of the "homes" stopping me for one reason or other. NO MORE!!!!

Respectively yours,

Virginia Field
