Hi Alan and Tom –

The United Way and the Chamber's task force on Homelessness just got wind of the proposed ordinance that would restrict sober living homes and add zoning regulations for any in treatment services provided in a home setting. We understand that the Mayor's office was consulted on the Home for Good plan and whether it would impact our strategic plan. Apparently the Mayor's office said no without consulting the Task Force, United Way and Chamber.

Our partners in supportive housing have several concerns that would impact Home for Good. I would like to set up a meeting as soon as possible with my counterpart at United Way and our supportive housing partners. Please let me know as soon as possible when you can meet and I will organize on our end.

Thanks!
