Subject: Community Care Facilities Ordinance

Dear Councilmember Englander and Chief Planning Deputy Winger,

I am a homeowner living in North Hills and I am writing to express my support of the Los Angeles City Planning Department's proposed ordinance regulating Boarding Homes and Community Care Facilities. It is a reasonable measure to ensure that low-density neighborhoods remain low-density while permitting board and care facilities to operate in these neighborhoods when they meet the criteria. I believe it will serve to maintain and improve the quality of life for both board and care residents and their neighbors.

Thank you for work on this important issue.

Best regards,
Brenda Hanson
