Hello

As a Homeowner on Texhoma Ave living for the past 7 years next to the so called Sober Living House I have been harassed verbally with sexual innuendo's more than once.

On one occasion we had to get neighbors assistance while a man stared & spoke out of line to us. I have seen a ten-ate follow women & yell obscenities at her. On another occasion i was stared at as i was walking & then approached with comments that where not appropriate .I had to block my daughter's view of the men who where staring at us . I have had a sex offender/ kidnapper live there.

I have been in fear with this place with 40+ men for 7 years now, something needs to be done. The problems seems to be getting worse not better. These men are getting more & more brass en and out of control with very little supervision.

Sincerely,
Michele
