Re: Oppose the Community Care Facilities Ordinance to Protect Affordable Housing in the City of Los Angeles

Dear City of Los Angeles:

I am writing to urge you to oppose the Community Care Facilities Ordinance.

If passed, the ordinance will eliminate shared housing for thousands of low income households and will negatively impact our seniors' ability to live independently. By eliminating shared housing, the ordinance will impact housing affordability in Los Angeles and put thousands of people at risk of homelessness.

The Community Care Facilities Ordinance is in violation of Fair Housing and Disability Rights Laws. The ordinance will also conflict with federal housing subsidy requirements and puts Los Angeles at risk of losing millions in federal funds to help alleviate poverty and homelessness in our region.

As a constituent, I urge you to make the right choice and oppose this harmful ordinance.

Sincerely,
