Transfers, appropriations and other adjustments totaling approximately \$49.9 million are recommended in this report to allow departments to continue operations through the end of May.

Debt Impact Statement: The CAO reports that with the authorization to spend \$383,000 in Municipal Improvement Corporation of Los Angeles (MICLA) funds for systems equipment as recommended in the Fourth FSR, it is estimated that the City will need to borrow \$430,875 at a five percent interest rate. The total interest cost will be \$127,125. The estimated annual debt service will be \$55,800 over 10 years.

Community Impact Statement: None submitted.

SUMMARY

At its meeting of April 9, 2012, the Budget and Finance Committee considered the CAO's Fourth FSR. The CAO reports, that as reported in the Mid-Year FSR, the projected Citywide deficit which had been identified in the Second FSR at \$72 million had been eliminated. This achievement was accomplished through the identification of savings across several funds and a

net decrease in projected department shortfalls. Moreover, the deficit was addressed without a transfer of funds from the Reserve Fund.

The CAO reports that the Fourth FSR provides recommendations for interim budget adjustments necessary to appropriately fund departments through the end of May. Transfers and appropriations totaling \$49.9 million are recommended, which includes \$5 million in appropriations from the Unappropriated Balance, Reserve for Economic Uncertainties. Status updates on departmental budgets are provided for those departments that have recommendations in this report. Additionally, the CAO reports that it will provide a final update on the current-year budget with the release of the Year-End FSR in May. The Year-End FSR will include discussion on any remaining departmental deficits, revenue changes, Reserve Fund status and the Four-Year Outlook, as necessary.

During Committee consideration, CAO representatives presented an overview of the report and responded to related questions from Committee members. Department representatives responded to questions relative to their respective departments. After further discussion and offering an opportunity for public comment, the Committee recommended to approve the CAO recommendations contained in the Fourth FSR dated April 5, 2012 and the amendments and instructions as reflected above. This matter is now forwarded to the Council for its consideration.

Respectfully submitted,

BUDGET AND FINANCE COMMITTEE
