REPORT RE:

OUTSIDE COUNSEL EXPENDITURES FISCAL YEAR 2012

The Honorable Budget & Finance Committee
of the City of Los Angeles
Room 1010, City Hall
200 North Spring Street
Los Angeles, California 90012

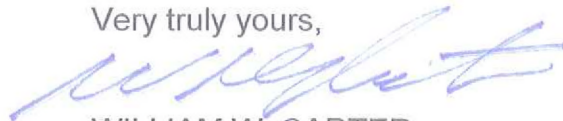

Honorable Members:

Attached please find the Citywide Outside Counsel Expenditures Report for Fiscal Year 2012 as of June 30, 2012. Pursuant to City Council approval of July 27, 2011, this report now captures expenditures on a quarterly, rather than bi-monthly, basis. Included in this filing are quarterly reports for the Third Quarter (ending March 31, 2012) and the Fourth Quarter (ending June 30, 2012).

As directed by Council, the City Attorney met with the CAO to discuss appropriate revisions to this expenditures report. As a result of that meeting, General Funded contract expenditures are now separated from Special funded ones and the recap is organized by client department rather than paying department. As before, information is included for all City departments regardless of funding source and expenditure data is provided on a per contract basis and includes appropriation amounts and individual contract balances. We will continue to work with the various departments on a regular basis to ensure that cost savings measures are applied and that the information we report is accurate.

I hope this information is useful to you. I look forward to working with you as we continue to refine and enhance the City's management of outside counsel and its tracking and reporting of outside counsel data. If you have any questions, please contact Assistant City Attorney Anne Haley at 213-978-7009.

Very truly yours,

WILLIAM W. CARTER
Chief Deputy City Attorney

NOTES: In FY2010/11, the CRA transferred \$3,050,000 to the City Attorney for outside counsel fees. All of the above expenditures were paid by the City Attorney's Office utilizing these funds. An additional \$612,000 was transferred in FY12, but those funds were never encumbered as they had to be returned to the CRA as a result of State-mandated changes to the agency and its oversight.

NOTES: In FY2010/11, the CRA transferred \$3,050,000 to the City Attorney for outside counsel fees. All of the above expenditures were paid by the City Attorney's Office utilizing these funds. An additional \$612,000 was transferred in FY12, but those funds were never encumbered as they had to be returned to the CRA as a result of State-mandated changes to the agency and its oversight.
