Subject: Retail Sale of Dogs, Cats & Rabbits

To: paul.koretz@lacity.org

Hello,

I have never had cause to bother the Councilman but here I am doing it for the second time in as many days.

Evidently there is a upcoming vote that would restrict the retail sale of dogs, cats, and rabbits in the city of Los Angeles. I am not usually one to get in the way of commerce but given the over-crowding in the cities shelter this is actually something I can get behind. Maybe along with this ban (if it goes through) there could be a program where the pet stores could work with area animal shelters so that they would still be able to make moeny off of leashes, food etc.

Thanks for your time.

Best regards,

Please advise..Thanks!
