To: Mayor Antonio Villaraigosa and the L.A. City Attorney's office and LA County Planning Department

Subject: **End the Mural Moratorium in Los Angeles**

Letter: Greetings, ,

I just signed the following petition addressed to: Mayor Antonio Villaraigosa and the L.A. City Attorney's office.

End the Mural Moratorium in Los Angeles

Los Angeles municipal code defines murals as signs and the permitting process constitutes an effective ban on this art.

Art in the public space is necessary for a healthy visual environment, a counter balance to grey walls and endless advertising. Los Angeles was once the 'Mural Capital of the World' and this city should claim that title again!

Murals are not signs and art is not a crime! I ask that Mayor Villaraigosa and the L.A. City Attorney's office to end the mural moratorium now.

Sincerely,
