Opposition to Unrestricted Murals on Single Family Residence Properties

Thursday, August 23, 2013

The Panorama City Neighborhood Council opposes inclusion of single family residence properties in any adopted mural ordinance which allows murals.

Discussion indicated concerns that murals can have an adverse effect on the character of many single family neighborhoods, and that because murals often involve political speech, murals on single family homes have the potential to incite neighborhood disputes and disrupt positive community relations.

This position was adopted by the council's Board of Directors on Thursday, August 22, 2013, by a vote of 6 yes, 3 no, with 3 not voting. The Board directed that a Community Impact Statement be filed reflecting its position on Council File 11-0923.

A motion to support unrestricted murals on single family homes on free speech grounds failed, with only two votes in favor.
