To the honorable members of the Planning and Land Use Management (PLUM) Committee:

I am writing to express my support for the proposed revisions to the Mural Ordinance. I urge you to accept Council member Huizar's motion to modify the ordinance.

The cultural importance of murals (both vintage works, as well as a vibrant contemporary scene) to the City of Los Angeles can not be overstated. I appreciate the hard work that has been done on this issue, and the sensitivity with which the council has responded to the needs of the artistic community .

Thank you.

Sincerely,
Piper Wynn Severance
