Subject: Renaming of Community area as Porter Ranch – CF 11-0983

The Bureau of Engineering has reviewed the application submitted to change the community name of a neighborhood in the northern part of San Fernando Valley as Porter Ranch. This area is commonly known as Porter Ranch. This application would officially set the boundaries of the community.

There are approximately 8,022 properties with an estimated population from the 2010 census of 21,060 people in five census tracts. This community is entirely within Council District 12 and completely within the Porter Ranch Neighborhood Council boundary. The community plan area is called Chatsworth-Porter Ranch and there is a specific plan for Porter Ranch.

The attached maps show the parcels in the area that are proposed to be included in the new community as shown on the application and shows the boundaries of the council districts, community plans, and historical community boundaries.

The Bureau of Engineering has no additional pertinent information concerning the historical use of this name for this neighborhood in the community.

Contact Randy Price at (213) 482-7120 if you have any questions or need further assistance in this matter.

**SUBJECT: NAMING / RENAMING OF A COMMUNITY,  
REQUEST FOR DEPARTMENT EVALUATION**

Dear Department Heads:

The Los Angeles City Council, at its meeting on January 31, 2006 (Council File 02-0196), adopted a policy for the naming and renaming of a community. Part of that policy requires various City departments to review and evaluate whether the proposed name reflects the historical and cultural significance of the community. If your department may have previously been instructed by a Council office, or other entity, to install signs or establish community boundaries within the proposed boundaries of this pending application, please include a copy of the request along with the actual location of the sign placement and/or boundaries of the community with your evaluation.

The Council file and all related documents relative to the application for Porter Ranch can be viewed via the following link:

<http://cityclerk.lacity.org/lacityclerkconnect/index.cfm?fa=ccfi.viewrecord&cfnumber=11-0983>.

Due to the deadline to schedule a public hearing on the application, it is imperative that your department's evaluation be received, no later than 4:30 p.m., Friday, October 14, 2011, by the Office of the City Clerk, Room 395, City Hall. The evaluation will be considered, together with findings received from other departments, prior to the public hearing(s).

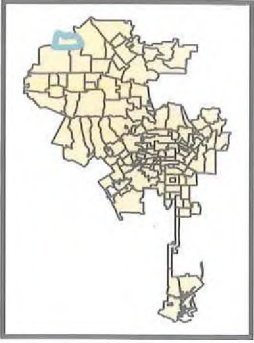

If you have any questions or require additional information, please contact me at (213) 978-1050 or via e-mail at [shannon.hoppes@lacity.org](mailto:shannon.hoppes@lacity.org).

Sincerely,

Shannon Hoppes  
Division Manager

Dear Sirs:

As a critic of this project in the past, I write to support this extension of current agreements. Keeping the options for development uses open is important as we have very extensive swings in the needs for types of housing and commercial properties in this area. The funding of Sepulveda Streetscapes Projects by this developer is important to this community and should be included in the acceptance conditions for this project.
