Dear Councilmember Parks

I am writing to respectfully request that you schedule Council File 11-0983 to be heard in the Education and Neighborhood Committee as soon as possible. As a member of the Porter Ranch community, I joined 540 petition signers almost two years ago requesting the official naming of our community. We feel it is important that the City of Los Angeles recognize Porter Ranch and give it official recognition. We ask you to please expedite this file as it is due to expire on June 9, 2013. Please do not allow this Council File #11-0983 "Die in Committee".

Thank you for your consideration of this matter.

Sincerely,

Paula Cracium  
President PRNC
