2. That the Board TRANSMIT the attached grant application and award, pursuant to Administrative Code Section 14.6(a), to the Mayor, Office of the City Administrative Officer (CAO), Office of the Chief Legislative Analyst, and the City Clerk for committee and City Council consideration.
3. That the Board REQUEST the Mayor and City Council to:
 - A. AUTHORIZE the Chief of Police to ACCEPT the grant award of \$100,000 from the Department of Alcoholic Beverage Control (ABC) for Operation ABC for the period of July 1, 2015, to June 30, 2016;
 - B. AUTHORIZE the Chief of Police or his designee to execute the grant agreement for the period of July 1, 2015 through June 30, 2016, subject to the review of the City Attorney as to form and legality;
 - C. AUTHORIZE the Controller to set up a grant receivable and appropriate \$100,000 to appropriation account, account number to be determined, within Fund No. 339, Department No. 70, for the receipt and disbursement of Operation ABC grant funds;
 - D. AUTHORIZE the Los Angeles Police Department (LAPD) to submit grant reimbursement requests to the grantor and deposit the grant receipts in Fund No. 339, Department No. 70;
 - E. AUTHORIZE the LAPD to spend up to the total grant amount of \$100,000 in accordance with the grant award agreement;

- F. AUTHORIZE the Controller to increase appropriations as needed from Fund No. 339, Department No. 70, appropriation account number to be determined, to Fund No. 100, Department No. 70, account numbers and amounts as follows:

Account No. 701012, Salaries Sworn, \$61,050

Account No. 701092, Overtime Sworn, \$34,452

- G. AUTHORIZE the LAPD to prepare the Controller's instructions for any necessary technical adjustments, subject to the approval of the CAO, and instruct the Controller to implement the instructions.

DISCUSSION

This is the 20th year of funding for Operation ABC. The grant award will provide continued funding for the Citywide implementation of Operation ABC for Fiscal Year 2015-2016. Operation ABC is a comprehensive enforcement and prevention effort to identify disorderly outlets, reduce ABC violations and alcohol-related crimes, and to address the ABC-related quality of life issues. This project will include a wide range of strategies including training, education, and planning.

With almost 6,000 ABC licensed locations, the City accounts for 32 percent of all licenses in Los Angeles County, more than all other counties statewide. In addition, the immense population of Los Angeles and a shortage of police officers make it difficult to oversee and maintain compliance with all ABC locations. Operation ABC will continue to focus on one centralized office that collects and exchanges information for government and community purposes, provides training to all stakeholders and conducts enforcement operations to reduce the recurrence of alcohol-related problems Citywide.

The LAPD will continue current efforts by replicating effective practices and expanding upon proven methods such as Standardized Training for Alcohol Retailers, Shoulder Tap, Minor Decoy, and Drunk Decoy. Since the project was initiated in 1996, Operation ABC has closed more than 89 non-compliant outlets, which has had a corresponding positive impact on the quality of life in the surrounding neighborhoods. Another area of concern is the number of new licenses being issued in Los Angeles. The Responsible Retailer Program continues to be a successful tool utilized by the Los Angeles Zoning Administration as a mandated requirement for new licensees to obtain their zoning permit to sell alcohol.

The funding from the Department of ABC will enable the LAPD to continue to work closely with the Planning Department, Department of Building and Safety, Fire Department, and the Los Angeles County Public Health Department to enforce a broad range of code violations. The LAPD will also continue its partnership with the City Attorney's Citywide Nuisance Abatement Program (CNAP) and the Community Problems Unit. The partnership with CNAP continues to allow Operation ABC to investigate ABC violations effectively, along

with narcotic violations occurring within problem ABC outlets.

The grant award budget includes \$61,050 for the salary of a Police Sergeant II, \$34,452 for sworn overtime, \$2,498 in equipment for computer and related equipment, and \$2,000 for mandatory travel to attend conferences convened by the Department of ABC.

The agreement and supporting documentation were received by the LAPD from the Department of ABC in the beginning of June. Upon review, it is now being transmitted for approval.

If you have any questions regarding this matter, please contact Chief Information Officer Maggie Goodrich, Information Technology Bureau, at (213) 486-0370.

Respectfully,

CHARLIE BECK

Los Angeles, CA 90012

Dear Chief Beck:

Congratulations! Your agency has been selected by the Department of Alcoholic Beverage Control to receive funding for your 2015/2016 GAP grant proposal in the amount of \$100,000. We look forward to working with your department to meet the goals and objectives in your proposal.

A grant contract will be forthcoming within the next couple of weeks which requires a resolution from your agency's governing body. A sample resolution was included in the Request for Proposal packet. **Due to the fact that these resolutions have to be put on your governing body's calendar, we ask that you do this as soon as possible.**

We are planning a two and a half-day training conference July 7-9, 2015, at the Embassy Suites Monterey Bay – Seaside. The conference can accommodate two attendees from each agency and it is recommended that your Project Director and the officer assigned to the grant program attend.

This conference will offer valuable training in alcohol enforcement and will also be an excellent opportunity for the officers and deputies from your agency to meet and share information with others. Attendees are encouraged to utilize a pre-registration session on Monday, July 6, from 4:00 – 5:00 p.m. in order to expedite the registration on the next day.

A block of rooms at a special conference rate of \$176.00 plus tax has been reserved for grant agency participants.¹ **PLEASE NOTE THAT ATTENDEES MUST MAKE RESERVATIONS BY THE HOTEL'S DEADLINE OF JUNE 12, 2015**, to guarantee the special room rate or availability. There will be a \$225.00 registration fee per person for the

¹ Based on the State regulations we are unable to reimburse those agencies that are within a 50 mile radius from the Embassy Suites Monterey Bay - Seaside. The distance is based on the agency's physical headquarters address. Agency(s) that fall in this category is: **Capitola Police Department**. Travel reimbursable costs for the aforementioned agency(s) will be limited to the registration fee only.

training that is reimbursable through the grant. Space at the hotel is limited and late registrants may be referred to nearby hotels.

Participants must contact the Embassy Suites Hotel **directly** to make reservations. Below are two options:

1. Online – <https://resweb.passkey.com/go/DepartmentofABC>. *This link is specific to the Alcoholic Beverage Control GAP Conference*, or
2. Call – (831) 393-1115 main desk at Embassy Suites Monterey Bay – Seaside, or 1-800-EMBASSY (800-362-2779) and ask for the **ABC Grant Assistance Program** discount rate.

Due to the short time frame for registering at the hotel, your prompt attention is appreciated. The special room rate will only be available until June 12, 2015, or until the group block is sold out, whichever comes first. We have also enclosed a conference registration form to be filled out and returned using the same time frame.

If you have any questions, please call Grant Coordinator Suzanne Pascual at (916) 419-2572.

PROJECT NARRATIVE

1. Summary

The City of Los Angeles is populated with more than 4 million residents¹. Since 1980, population growth has increased by over 35 percent. Los Angeles has an extremely diverse population consisting of: 44.6 percent Hispanic, 31 percent Caucasian, 12 percent Asian/Pacific Islanders, 9.5 percent African American, and .8 percent Native Americans. While 19 percent of the total population of Los Angeles falls below the federally determined poverty line², some neighborhoods, identified in the 2015/2016 proposal, approach a 37 percent poverty rate. Unemployment, homelessness, and related problems, such as alcohol and substance abuse, are among the City's challenges. Urban blight continues to remain visible in some neighborhoods and is often associated with disorderly ABC-licensed locations.

The Los Angeles Police Department (LAPD) is a full-service organization providing emergency response, crime suppression, investigative functions and traffic control for a 468 square mile area. Currently, the LAPD has 9,906 sworn officers and 2,830 civilian employees who provide support services for uniformed and plainclothes personnel. The Department's sworn strength to population ratio (2.4 officers per 1,000 population) is among the lowest of the nation's largest cities. A five-member Police Commission provides oversight over the LAPD's policies and procedures. The Department's administrative structure consists of the Chief of Police and offices immediately accountable to the Chief. The City is divided into four geographical Bureaus: Central, South, West, and Valley, that provide police services in their respective communities. Each Bureau is subdivided into four to seven Areas (for a total of 21 Areas Citywide), administered by Captains. Each Area has a small vice enforcement component responsible for ABC enforcement in addition to other vice-related duties.

Los Angeles has 5,733 ABC licensed locations with an estimated 45,000³ individuals employed in the retail distribution of alcoholic beverages. The number of ABC-licensed establishments in the City accounts for seven percent of the total number of licensed locations statewide and 32 percent of all licenses in Los Angeles County. The goals and objectives of this project will focus ABC enforcement and educational activities from a centralized office (Operation ABC). Activities will include: managing ABC enforcement operations on a citywide basis, the collection and exchange of information for government and community purposes, and providing specialized training to community stakeholders. These efforts will reduce the recurrence of alcohol-related problems citywide. Due to the volume of ABC establishments throughout the City of Los Angeles, the Department is requesting the maximum funding amount of \$100,000.00. This will fund a full-time Sergeant II position at 55%, including 396 hours of overtime to conduct training and enforcement operations, funds to purchase equipment along with travel expenses to attend mandated ABC training conferences.

2. Problem Statement

A combination of population density, close proximity to ABC licensed premises, distributed over a large geographic area, continues to create significant policing problems for the LAPD. Los Angeles has in excess of 500 nightclubs; 150 of these clubs can serve over 500 patrons at a time. Additionally, due to the popularity of the many special events and recreational venues (Staples Center with attached LA Live Entertainment Center housing 32 ABC licensed locations, Academy Awards, Dodgers, Kings, Clippers and Lakers athletic events, etc.) the adult drinking population can surge significantly on any given occasion. As many as 100,000 patrons could potentially frequent any of the 3,000 on-sale ABC establishments. The problems associated with bars serving intoxicated patrons, potentially places intoxicated drivers on busy freeways and 8,560 miles of surface streets. Because of community concerns, 22 ABC licensed premises are currently the subject of formal abatement investigations. Additionally, 49 percent of all formal complaint investigations conducted by Area vice units involve an ABC licensed establishment.

In addition to the maintenance of an extremely effective ABC enforcement and education program, of continued concern are the problems associated with illegal solicitation of alcoholic beverages inside on-sale licensed premises (§§303a PC and 25657a/b B&P). In addition to encouraging intemperance, this activity contributes to Part I and II crimes and drains the LAPD of its limited policing resources. In recent months, on-sale ABC licensed premises, notorious for promoting the illegal alcoholic beverage schemes, became the site of brutal crimes. On February 3, 2015, two 21 year-old Boyle Heights residents were shot in front of the El Troquero Bar (2119 East Cesar Chavez Avenue, Boyle Heights). One of the 21 year old, male victims, died as a result of the shooting. The El Troquero bar has been the site of illegal alcoholic beverage solicitation schemes and subsequent enforcement action during the 2014/15 ABC GAP grant, but continue to manifest problems for the surrounding community.

The LAPD has placed considerable emphasis on combating illegal alcoholic beverage solicitations on a citywide level. During the first three quarters of the 2014/15 ABC grant, Operation ABC expended in excess of 700 personnel hours to investigate the many problems relating to soliciting alcoholic beverages inside on-sale locations; it is anticipated that an equal number of personnel hours will be expended during the 2015/16 grant period. During this time period, 13 licensed locations were the subject of alcoholic beverage solicitation investigations resulting in 36 arrests. Currently, 15 ABC locations, many having multiple cases, are awaiting administrative action due to pending alcoholic beverage solicitation cases made by the LAPD. On a Citywide level, in excess of 50 licensed locations have been identified by Area vice personnel as being involved in promoting this activity. During the past three ABC grants, investigations at 50 ABC locations have resulted in 352 arrests for crimes relating to the illegal solicitation of alcoholic beverages and the problem continues relatively unabated. These investigations are extremely complex and require officers who are well trained and versed in the nuances of the activity to obtain criminal and administrative filings.

To continue our efforts at reducing the availability of alcoholic beverages to underage individuals the LAPD must rely on a combination of enforcement and education. Minor decoy and decoy shoulder tap operations in combination with community outreach will aid in preventing minors from having access to alcoholic beverages. During the 2013/14 grant year, while inspecting 1000 licensed ABC locations, the LAPD achieved respectable compliance rates regarding our decoy operations (71 and 85% respectively). Product specific minor decoy operations (i.e. alcohol/energy type malt beverages) continue to result in lower compliance rates (76 percent). This will require additional attention to emphasize the need for the retail community to remain cognizant of their responsibility to properly identify alcoholic beverage products and aid the Los Angeles Unified School District (LAUSD) Police in reducing the incidence of on campus possessions of these beverages by high school-age minors.

The Standardized Training for Alcohol Retailers (STAR) educational program continues to be in high demand by retailers desiring ABC training from subject matter experts. In the 2013/14 grant year, Operation ABC conducted 137 presentations with a total attendance of 6,314 individuals. This represents a 17 percent increase in the number of presentations and a 43 percent attendance increase in comparison to 2012. This increase is directly attributed to the STAR Corporate Partners program, which has become a core component of the LAPD's ABC training vehicle and should be expanded during the upcoming grant period. A modification of the Responsible ABC Retailers program, the STAR Corporate Partners program promotes responsible beverage training and formally recognizes corporations for their training commitments. In recent months, Cinemark Theaters joined the ranks of STAR Corporate Partners.

Operation ABC will continue to add STAR training presentations specifically catered toward the non-English speaking, Korean and Spanish ABC retail communities in order to keep up with the demand. This grant will enable the LAPD to continue to place additional emphasis on bilingual, Korean and Spanish ABC training program. LAPD is the only agency to offer bilingual ABC training in Korean and Spanish in Southern California.

Participation in community events will enable Operation ABC to reduce alcohol-related crime by alerting at-risk adolescents to the problems associated with alcoholic beverage consumption. Community college and high school events will optimize our impact and enable Operation ABC personnel to connect with youthful individuals who are most likely to experiment with dangerous drinking patterns. By combining the above preventive approach with traditional enforcement operations (minor decoy and decoy shoulder tap operations); Operation ABC will continue to reduce the availability of alcoholic beverages to underage individuals. In an effort to increase awareness, Operation ABC will continue to disseminate the Alcoholic Beverage Requirement Advisory, dated June 2012. The advisory will be made available at community events attended by Operation ABC personnel.

The size of the City as it relates to sworn personnel continues to hamper consistent code enforcement and successful control of ABC problem premises. The emphasis on patrol functions, while important to community policing, reduces the number of officers in the City's vice units, affecting ongoing enforcement, as well as the units' ability to undertake more proactive and preventive measures. The Alcoholic Beverage Control Grant support will allow Los Angeles to continue Operation ABC Citywide and ensure its consistency with the ABC's 1997 Strategic Plan.

3. Project Description:

Our project will continue with the Grant funded Sergeant II position as well as the Department in-kind Sergeant II position; focusing 100 percent of their time on alcohol-related issues. Goals and Objectives will focus on ABC enforcement and education programs on a citywide basis. The proposed Operation ABC is a comprehensive enforcement and prevention effort designed to reduce ABC violations and alcohol-related crimes; thereby enhancing the quality of life in our many business and residential communities. This proposal includes a wide-range of strategies, including training, education, planning, and enforcement. **Training** will focus on ABC licensed establishments and their employees, police department employees, as well as public service organizations involved in alcohol-related issues. **Education** will include the maintenance of an online training vehicle allowing law enforcement personnel on a statewide level the ability to obtain investigative expertise by reviewing enforcement specific articles via the Internet. The continued maintenance of an active Internet link via the Operation ABC webpage, will allow the ABC retail community direct access to unit personnel. This access has proven vital in keeping the retail community abreast of training opportunities and as a conduit to respond to their many concerns. **Planning** will focus on issuance of ABC licenses, conditional use permits, and the impact of alcohol establishments in Los Angeles. Lastly, **Enforcement** will focus on ABC enforcement operations, minor and shoulder tap decoy operations, intoxicated service and disorderly house/abatement investigations. The project will allow for the continuation of the LAPD's efforts to combat the many problems associated with the illegal solicitation of alcoholic beverages inside on-sale licensed ABC premises. Grant personnel will purchase new equipment to aid in our educational efforts through the enhancement of training presentations and enforcement operations.

Project Goals:

1. Identify disruptive retail alcoholic beverage outlets throughout the City of Los Angeles for Disorderly House investigations.
2. Increase ABC licensee education and implement programs to prevent future violations.
3. Continue to develop innovative methods to effectively manage ABC-related problems (criminal and administrative violations).
4. Continue to expand partnerships with corporate business operators committed to promoting responsible ABC sales and services.
5. Continue to enhance the online training vehicle to provide law enforcement personnel on a statewide level access to ABC training material.
6. Publicize the program and enlist community support with alcohol-related problems.

Project Objectives:

1. Identify and target top 20 problematic ABC licensed establishments by July 31, 2016.
 - a. This is to include eight locations involved in the illegal solicitation of alcoholic beverages.
2. To conduct a minimum of 12 multi-agency task force operations Citywide by June 30, 2016.
3. To assist Area Vice Units and ABC district personnel in conducting 50 plain-clothes operations at ABC establishments Citywide by June 30, 2016.
4. To conduct a minimum of 65 Minor Decoy operations by June 30, 2016.
5. To conduct a minimum of 30 Shoulder Tap operations by June 30, 2016.
6. To conduct a minimum of 10 Drunk Decoy operations by June 30, 2016.
7. To conduct a minimum of 100 IMPACT inspections by June 30, 2016.
8. To conduct a minimum of 60 STAR presentations (12 Spanish, 5 Korean).
9. To participate in two college or high school community events by June 30, 2016.
10. Maintain access to Operation ABC personnel via webpage Internet link allowing ABC retailers and the public to exchange of information or the answering of ABC-related questions through June 30, 2016.
11. To continue quarterly publication of the Operation ABC newsletter through June 30, 2016.
 - a. Maintain the “back-bar inspection” portion of the Operation ABC newsletter as an online training vehicle accessible to law enforcement personnel on a statewide level.
 - b. Produce four ABC-related training articles by June 30, 2016.
12. To post 75 Responsible ABC Retailer Program Placards at retail locations Citywide.
13. To utilize the “STAR Corporate Partners Program” promoting ABC training on a corporate level and identify three additional corporations to participate in the program by June 30, 2016.
14. To provide 25 ABC training sessions to the Department’s vice units by June 30, 2016.
15. To conduct a minimum of 12 ABC liaison meetings reviewing reports.
16. Announce the grant award via a press conference or other media event by July 31, 2015.
17. Issue periodic press releases regarding grant activity or enforcement operations.

4. Project Personnel

Operation ABC is staffed by a Project Director, Sergeant II Lifermando Garcia and the Project Coordinator, Sergeant II Nicholas Nemecek who are assigned to Detective Support and Vice Division. Sergeant Garcia has 25 years experience with the Department (13 years focused on vice-related enforcement with 7 years coordinating alcohol enforcement and educational programs within Operation ABC). Sergeant Nemecek has 18 years of law enforcement experience with 5 years in vice assignments. Sergeants Nemecek and Garcia have received specialized training in ABC law and enforcement strategies, have extensive teaching experience and are ABC instructors at the Department’s Vice School. The Project Director and the Coordinator are responsible for day-to-day implementation of this project.
