SUMMARY

At a special meeting held on September 7, 2011, the Arts, Parks, Health and Aging Committee considered Motion (LaBonge – Koretz) instructing the RAP and the LAPD to report on all issues relating to the quality of life for the neighborhoods surrounding Runyon Canyon Park, including the park's access points.

Representatives of the RAP and the LAPD briefed the Committee on issues experienced by residents of the neighborhoods surrounding Runyon Canyon Park as a result of heavy use of the park, such as traffic, illegal parking, excessive noise, dogs off leash, dog waste, and other quality of life and public safety issues. Residents of the neighborhood addressed the Committee and confirmed these concerns.

After providing an opportunity for public comment, the Arts, Parks, Health and Aging Committee recommended to note and file Motion (LaBonge – Koretz) and recommended the creation of a task force comprised of Council District Four, the RAP, the LAPD, Animal Services, and GSD Public Safety in order to address quality of life and public safety issues in the neighborhoods surrounding Runyon Canyon Park. This matter is now submitted to Council for consideration.

Respectfully submitted,

ARTS, PARKS, HEALTH AND AGING COMMITTEE
