**PETITION IN SUPPORT OF PROHIBITING ALCOHOL ADS
ON PUBLIC PROPERTY IN LOS ANGELES**

To the Los Angeles Council President Garcetti, City Council Members & Mayor Villaraigosa

We, the undersigned residents of Los Angeles California, do hereby petition the City Council Members & Mayor Antonio Villaraigosa to adopt a citywide ordinance prohibiting alcohol ads on public property.

We are deeply troubled by the over abundance of alcohol ads on public property in Los Angeles such as in bus shelters and street furniture. The L.A. Department of Public Health recommends "reducing alcohol advertising in public spaces and in areas commonly seen by minors," as a way to help discourage underage drinking.

PETICIÓN APOYANDO LA PROHIBICIÓN DE ANUNCIOS DE ALCOHOL EN PROPIEDAD PÚBLICA EN LOS ANGELES

Para el Presidente del Consejo Municipal de Los Angeles Garcetti,
Miembros del Consejo Municipal y el Alcalde Villaraigosa

Los que firmamos somos miembros de la comunidad de la ciudad de Los Angeles y le pedimos a los miembros del Consejo Municipal y al Alcalde Villaraigosa que adopten una ordenanza que prohíba la promoción de alcohol en propiedad pública en la ciudad de Los Angeles.

La conexión que existe entre el consumo de alcohol en la juventud y la publicidad de alcohol en las calles esta muy bien documentada. Simplemente entre más publicidad de alcohol que ven los adolescentes, mayor es la posibilidad de que consumieran alcohol, y lo harán en exceso.

**PETITION IN SUPPORT OF PROHIBITING ALCOHOL ADS
ON PUBLIC PROPERTY IN LOS ANGELES**

To the Los Angeles Council President Garcetti, City Council Members & Mayor Villaraigosa

We, the undersigned residents of Los Angeles California, do hereby petition the City Council Members & Mayor Antonio Villaraigosa to adopt a citywide ordinance prohibiting alcohol ads on public property.

We are deeply troubled by the over abundance of alcohol ads on public property in Los Angeles such as in bus shelters and street furniture. The L.A. Department of Public Health recommends "reducing alcohol advertising in public spaces and in areas commonly seen by minors," as a way to help discourage underage drinking.
