SUMMARY

At its meeting of October 24, 2011, the Budget and Finance Committee considered Board of Harbor Commissioners, Chief Legislative Analyst, and City Attorney reports and an Ordinance relative to amending an agreement with Libaw-Horowitz Investment Company to release a pledge to dedicate a portion of the Lancer property located at 41<sup>st</sup> and Alameda Streets (Property) in exchange for cash and creating a trust fund for retention and disbursement of the funds. These reports are all attached to the Council file and describe this matter in more detail.

The CLA reports that as part of a litigation settlement between Libaw-Horowitz Investment Company and the Harbor Department, approved by Council on August 13, 2003, a 2.6 acre portion of the Property was dedicated to the Department of Recreation and Parks (RAP) or a non-profit designated by Council District Nine for recreation and park purposes. On July 12, 2011, Council District Nine requested that the Harbor Board of Commissioners allow Libaw-Horowitz to rescind its pledge to dedicate the 2.6 acres and instead provide a cash pledge in the amount of \$3,573,365 to improve and provide recreational facilities and programs within the vicinity of the Property. The Council Office believes that the Property would be better utilized as a garment design and manufacturing center to facilitate economic development in the area and make available up to 600 jobs for area residents. The City Attorney reports that there is a buyer currently in escrow to purchase the entire Property from Libaw-Horowitz to construct this facility.

On August 4, 2011, the Board of Harbor Commissioners considered the request by Council District Nine. According to the Harbor Department staff report released August 29, 2011, the Commission deferred this matter to the Council due to the factors detailed in their report attached to the Council file.

During Committee consideration, Councilmember Jan Perry addressed the Committee and provided an overview of this matter. City Attorney and CLA representatives provided additional background information, an overview of the Ordinance provisions, and responded to related questions from Committee members. After a lengthy period of public comment, the Budget and Finance Committee recommended that Council approve the CLA recommendations and adopt the accompanying Ordinance. This matter is now forwarded to the Council for its consideration.

Respectfully submitted,

BUDGET AND FINANCE COMMITTEE
