**STATEMENT of J.H. McQUISTON on
CITY ATTORNEY'S REPORT on STEARNS PROPERTY**

Honorable Chairman and Members of the Committee:

Much was left unsaid in the Report of Reference.

Section 11.00, LAMC, MAKES IT A CRIME to approve such a variance:

“ (j) **Prohibited Acts**; Include Causing, Permitting, Suffering. Whenever in this Code any act or omission is made **unlawful** it shall include **causing, permitting, aiding, abetting**, suffering or concealing the fact of the act or omission.

“ (m) It shall be **unlawful for any person to violate any provision or fail to comply with any of the requirements** of this Code.”

This case was not unique. It is part of a pattern of disrespect for law.

Please consider that you may be prosecuted for these disrespects for law.

But more importantly even than for yourself, your legislative aides MUST DESIST.

Please take the above as a friendly advice from one who respects the majesty of this City.

BUT, I am very upset that our publicly-elected City Attorney, **who is charged with the duty to protect us from such criminal acts**, would not advise you to **STOP SUCH UNLAWFUL CAUSING, PERMITTING, AIDING, and ABETTING**.

The penalty for not advising properly, **aiding lawbreakers**, is disbarment.

Respectfully submitted,

c: Interested parties

J. H. McQuiston
