MOTION

OCT 04 2011

Route 16  
EG  
Wed 10/12/11

There currently exists an inconsistency regarding the definition of "parkway" in the Los Angeles Municipal Code. (See Sections 42.00 and 80.00(h).) In light of this inconsistency, enforcement of Section 80.53 of the Municipal Code should be suspended unless and until the City adopts other laws regulating apron parking. Of course, the provisions of California Vehicle Code Section 22500 shall remain in effect.

I THEREFORE MOVE that the City Attorney be requested to prepare and present an ordinance to repeal Section 80.00(h) of the Municipal Code so that the definition of "parkway" is consistent throughout the Municipal Code.

I FURTHER MOVE that the City Attorney report in closed session and in accordance with the Brown Act on the status of apron parking as related to Sections 42.00 and 80.00(h) of the Municipal Code.
