I live on a street where most of the residents have created additional parking because the distance between our property and the curb is quite large. Having that additional parking spot in what you call "the apron" really helps residents by keeping our family vehicles close to our home and clearing the streets for other necessary uses. There is absolutely no blockage of the sidewalk by any of us on Marcasel Ave.

Please take the time to separate out where this law is helpful and where it creates new I live on a street where most of the residents have created additional parking because the distance between our property and the curb is quite large.
