Hi Adam,

I am a resident in East Hollywood (Beverly and Alexandria Ave). The lack of enforcement of prohibited parkway parking over the last 5 years resulted in a significant neighbourhood deterioration (cars destroying grassy parkways and blocking sidewalks) of the Alexandria Ave. Why was the reinstatement of parkway enforcement delayed on 12/7/16? I would like to express my full support for reenactment of prohibited parkway parking enforcement. Moreover, the vast majority of my neighbors on Alexandria Ave are in support of this reenactment.

Also, I understand that parking is difficult but it is not a solution to allow uncontrolled parking on parkways that are meant to be occupied by pedestrians, animals and plants.

Thank you.
