RE: Council file No. 11-1678-S1 Transmitted from Energy and Environment Committee

On May 17, 2017, the Energy and Environment (EE) Committee considered a Motion (Koretz - Huizar) relative to instructing the Los Angeles World Airports (LAWA), Los Angeles Harbor Department (LAHD), and Los Angeles Department of Water and Power (LADWP) to comply with the City's Good Food Purchasing Guidelines by incorporating, in all future amended, restated and new concession agreements involving food and beverage services, the goal of compliance with the Good Food Purchasing Guidelines, and local food procurement goals established in Council file No. 11-1678, and Mayoral Executive Directive No. 24 issued on October 24, 2012.

During the discussion, the EE Committee approved the Motion and included recommendations to instruct the proprietary departments to report back on the status of compliance with the Good Food Purchasing Guidelines, and to obtain input from the Center of Food Policy, as follows:

- Instruct the LAWA, LAHD and LADWP to report on the status of their compliance in 90 days, and report annually on step improvements toward the ultimate goal of a five-star rating within the purchasing program; including the percentage of step improvements that might be possible annually: 3%; 5%; etc., and the feasibility of a specific year goal, such as 2025.
- Instruct the LAWA, LAHD and LADWP to seek input from the Center of Food Policy as they develop these initiatives.

Council file No. 11-1678-S1 is now transmitted to the Innovation, Grants, Technology, Commerce, and Trade Committee.
