Dear Council Member Huizar and Ms. Dickinson,

I am writing as an Eagle Rock resident in order to submit a Public Comment to council file # 11-1705 .

I am writing to oppose any expansion of permits for billboards (particularly electronic billboards) outside of the designated sign districts. Furthermore, I would urge the PLUM committee to support enforcement action against unpermitted billboards across the city, as recommended by the Eagle Rock Neighborhood Council in their comment of June 11, 2016.

Thank you for your continued attention to this matter — I trust that you will follow the mandates expressed by community members.

best regards

Derick Fay
Eagle Rock

I am a resident on the West Side, and have lived here for 30 years. I am upset about the LACK OF CONSIDERATION for the life style of those of us who live on the West side. We are tax payers. We are voters. We are treated as if we don't exist. Why is it we are not considered in decisions that affect our lifestyle?

1) strongly support the City Planning Commission's 10/22/15 recommendations to strengthen the sign ordinance

2) strongly oppose efforts to allow digital billboards outside of sign districts.
