Good morning Sharon and Etta,

Just a reminder that the consultant will be needing to use the TV monitor for their presentation this afternoon. I'm sure you already have contacted ITA for the desk key in the Chambers.

Thanks.

Good morning Gayla,

I made copies of the draft presentation and distributed it to the committee members last Friday. I will make copies of the Final power point for distribution this morning.

thanks,
Iris

Iris, Here is the FINAL Power Point for the PLUM meeting. Please advise. If you haven't printed the draft I sent on Friday as a preview, please print this version. If you have printed it, please let me know if you need our office to reprint the FINAL version for them (and if so, how many copies we should bring). This is the Power Point we will be speaking from.

Also does your office or DCP take care of the projector set-up? Thanks, Gayla

Hi Iris,

Perhaps the Chair's Office can help you with this request. Unfortunately, ITA will only provide these types of services at the request of the Council Office. Also, today's PLUM meeting is in the Public Works Board Room and not in the Council Chambers.

RE: Digital Billboards,

Gentlemen:

At its regular meeting held March 12, 2013, the Mar Vista Community Council approved the following Policy Motion on removal of illegal digital billboards:

The MVCC Board urges the City of Los Angeles to fully implement the appeals court ruling in the Summit Media LLC v. City of Los Angeles and to remove the 103 illegal digital billboards blanketing our city. We further request that the City refrain from making any changes to the zoning laws relative to digital billboards until the illegal boards are removed and any such proposed change has been subjected to an open and transparent outreach process to community stakeholders.

Thank you for your thoughtful consideration of the matter,

Sharon Commins, Chair
Mar Vista Community Council
