## Re: Council File: 11-1705

I concur with the following and support of City Planning Commission's 10/22/15 actions on the Sign Ordinance.

I oppose efforts to permit billboards (especially digital billboards) outside of sign districts.

I support the new Sign Ordinance Version B+ as approved by the **City Planning Commission** on 10/22/2015 and urge the PLUM committee and City Council to adopt that version of the ordinance that:

- a) Disapproves any AMNESTY for existing billboards that lack permits or have been altered in violation of their permits.
  - b) Disapproves the "grandfathering" of any sign districts that weren't approved or applied for in April, 2009, when the CPC approved the initial version of the new sign ordinance.
  - c) Restricts any new off-site signs, including digital billboards, to sign districts in 22 areas zoned for high-intensity commercial use.
  - d) Requires existing billboards to be taken down before any new off-site signs can go up in sign districts. The takedown ratio of existing signs to new signs would be 5 to 1 for conventional and 10 to 1 for digital.
  - e) Sets administrative civil penalties for sign violators that will act as a real deterrent to illegal billboards and other signage.
  - f) Prohibits off-site signage in city parks and recreation facilities.
