TRANSPORTATION

Committee

reports as follows:

TRANSPORTATION COMMITTEE REPORT and RESOLUTION relative to the renewal of various Temporary Preferential Parking Districts (PPD) for twelve months.

Recommendation for Council action:

APPROVE the accompanying RESOLUTION renewing various Temporary PPDs, extending their deadlines for 12 months, as shown in the list attached to the Transportation Committee Report.

Fiscal Impact Statement: The Department of Transportation (DOT) states that revenue from the sale of permits will cover the cost of administering and enforcing the Temporary PPDs being renewed as part to this package. Furthermore, the city will gain additional general fund revenue from the issuance of parking citations to violators of the Temporary PPD parking restrictions.

Community Impact Statement: None submitted.

SUMMARY

In a report to Council dated April 4, 2012, DOT recommends that Council renew the attached list of Temporary PPDs for twelve months. DOT believes that the conditions that originally justified the Temporary PPDs still exist and no other viable measure to resolve the parking intrusion into the neighborhoods is available. All pertinent Council offices have been notified.

At its special meeting held April 11, 2012, the Transportation Committee recommended that Council approve the proposed renewal of the attached Temporary PPDs.

Respectfully submitted,

WHEREAS, Councilmembers representing TPPDs listed on the attached list have been notified of the pending renewals of the Districts within their jurisdiction for another 12 months to provide continued relief to the residents from the adverse parking impact they were experiencing prior to the establishment of the Districts; and

WHEREAS, Los Angeles Municipal Code Section 80.58.d authorizes TPPDs to be renewed on an annual basis by resolution until either a permanent solution is found or the problem ceases to exist.

NOW, THEREFORE BE IT RESOLVED, that the City Council, pursuant to Los Angeles Municipal Code Section 80.58.d, hereby renews TPPDs shown on the attached list for an additional 12 months; and
