THIS REGULATORY AGREEMENT AND DECLARATION OF RESTRICTIVE COVENANTS (this "Agreement" or this "Regulatory Agreement") is made and entered into as of [_____] 1, 2012 by and among the **CITY OF LOS ANGELES**, a charter city and municipal corporation in the State of California (together with any successor to its rights, duties and obligations, the "City"), **[FISCAL AGENT]**, a national banking association in its capacity as Fiscal Agent (the "Fiscal Agent") under the Funding Loan Agreement dated as of [September] 1, 2012 (the "Funding Loan Agreement") by and among the City, Citibank, N.A. as Funding Lender and the Fiscal Agent, with an office in Los Angeles, California, and **CAMINO MERCADO PARTNERS, L.P.** a California limited partnership (the "Borrower").

WITNESSETH:

WHEREAS, pursuant to Section 248 of the City Charter of the City and Article 6.3 of Chapter 1 of Division 11 of the Los Angeles Administrative Code, as amended (collectively, the "Law"), and in accordance with Chapter 7 of Part 5 of Division 31 (commencing with Section 52075) of the Health and Safety Code of the State of California, as amended (the "Act"), the City is empowered to issue notes and other evidence of indebtedness to finance the acquisition, rehabilitation and equipping of multifamily rental housing; and

WHEREAS, on November 17, 2011, the City indicated its intent to provide for the issuance of revenue bonds to finance a portion of the acquisition, rehabilitation and equipping of Fickett Tower Seniors Apartments, a multifamily residential rental housing project located in the City of Los Angeles at 14801 Sherman Way, as more particularly described in Exhibit A hereto (the "Project") and the City Council subsequently adopted a resolution (the "Resolution") authorizing the issuance of a note for such purpose; and

WHEREAS, in furtherance of the purposes of the Law, the Act and the Resolution, and as a part of the City's program of financing housing, the City has issued \$15,500,000 maximum aggregate principal amount of its Multifamily Mortgage Revenue Note (Fickett Tower Apartments) Series 2012G (the "Note") the proceeds of which will be used to fund a loan (the "Loan") to the Borrower to finance the acquisition, rehabilitation and equipping of the Project; and

WHEREAS, in order for interest on the Note to be excluded from gross income for federal income tax purposes under the Internal Revenue Code of 1986 (the "Code"), and the income tax regulations (the "Regulations") and rulings with respect to the Code, and in order to comply with the Law, the Act and the policies with respect to the City's housing program, the use and operation of the Project must be restricted in certain respects; and

WHEREAS, the City, the Fiscal Agent and the Borrower have determined to enter into this Regulatory Agreement in order to set forth certain terms and conditions relating to the acquisition, rehabilitation and equipping of the Project and in order to ensure that the Project will be used and operated in accordance with the Code, the Law, the Act and the additional requirements of the City;

NOW, THEREFORE, in consideration of the mutual covenants and undertakings set forth herein, and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the City, the Fiscal Agent and the Borrower hereby agree as follows:

Section 1. Definitions and Interpretation. Terms not otherwise defined herein shall have the meanings assigned thereto in the Funding Loan Agreement. The following terms shall have the respective meanings assigned to them in this Section 1 unless the context in which they are used clearly requires otherwise:

“*Act*” means Chapter 7 of Part 5 of Division 31 of the Health and Safety Code of the State of California, as the same may be amended from time to time (but only to the extent any such amendments, by their terms or by appropriate election of the City, apply to the Note outstanding as of the effective date of such amendments).

“*Area*” means the Los Angeles Primary Metropolitan Statistical Area.

“*Authorized Borrower Representative*” means any person who, at any time and from time to time, may be designated as the Borrower’s authorized representative by written certificate furnished to the City and the Fiscal Agent containing the specimen signature of such person and signed on behalf of the Borrower by or on behalf of any authorized general partner of the Borrower if the Borrower is a general or limited partnership, by any authorized managing member of the Borrower if the Borrower is a limited liability company, or by any authorized officer of the Borrower if the Borrower is a corporation, which certificate may designate an alternate or alternates, or in the event that such term shall refer to successors or assigns of the Borrower, any authorized general partner if the successor or the assignee is a general or limited partnership, any authorized managing member if the successor or assignee is a limited liability company or any authorized officer if the successor or the assignee is a corporation. The Fiscal Agent may conclusively presume that a person designated in a written certificate filed with it as an Authorized Borrower Representative is an Authorized Borrower Representative until such time as the Borrower files with it (with a copy to the City) a written certificate identifying a different person or persons to act in such capacity.

“*Bond Counsel*” means an attorney at law or firm of attorneys of nationally recognized standing in matters pertaining to the validity of, and the Tax-exempt nature of interest on,

“*Costs of Issuance*” means costs of issuing the Note as set forth in the Funding Loan Agreement.

“*Determination of Taxability*” means either (a) refusal by the Borrower to consent to any amendment or supplement hereto or to the Funding Loan Agreement which, in the opinion of Bond Counsel, is necessary or advisable to maintain the exclusion of interest on the Note from gross income for federal income tax purposes; or (b) any of (i) the enactment of applicable legislation of which the Fiscal Agent has actual knowledge, (ii) a final judgment or order of a court of original or appellate jurisdiction of which the Fiscal Agent has actual knowledge, (iii) a final ruling or decision of the Internal Revenue Service of which the Fiscal Agent has actual knowledge or (iv) the filing with the Fiscal Agent of an opinion of Bond Counsel, in each case to the effect that the interest on the Note (other than interest on the Note for any period during

which the Note is held by a "substantial user" of any facility financed with the proceeds of the Note or a "related person," as such terms are used in Section 147(a) of the Code) is includable in the gross incomes of all recipients thereof for federal income tax purposes. “*Net Proceeds*” means the total proceeds derived from the issuance, sale and delivery of the Note, representing the total purchase price of the Note, including any premium paid as part of the purchase price of the Note, but excluding the accrued interest, if any, on the Note paid by the initial purchaser of the Note.

“*Project*” means the Project Facilities and the Project Site.

“*Project Costs*” means, to the extent authorized by the Code, the Regulations, the Law and the Act, any and all costs incurred by the Borrower with respect to the acquisition and rehabilitation and the credit enhancement fees, if any, attributable to the period of the rehabilitation of the Project, whether paid or incurred prior to or after the Inducement Date, including, without limitation, costs for site preparation, the planning of housing, related facilities

and improvements, the acquisition of property, the removal or demolition of existing structures, the construction or rehabilitation of housing and related facilities and improvements, and all other work in connection therewith, including Qualified Project Costs, and all costs of financing, including, without limitation, the cost of consultant, accounting and legal services, other expenses necessary or incident to determining the feasibility of the Project, contractors' and developer's overhead and supervisors' fees and costs directly allocable to the Project, administrative and other expenses necessary or incident to the Project and the financing thereof (including reimbursement to any municipality, county or other entity or person for expenditures made, with the approval of the City, for the Project).

"Project Facilities" means the buildings, structures and other improvements on the Project Site to be reconstructed, rehabilitated, constructed or improved by the Borrower, and all fixtures and other property owned by the Borrower and located on, or used in connection with, such buildings, structures and other improvements constituting the Project. Project Facilities do not include retail sales facilities, leased office space, commercial facilities or recreational, fitness, parking or business facilities available to members of the general public.

"Project Site" means the parcel or parcels of real property having the street address of 14801 Sherman Way in the City of Los Angeles, California and all rights and appurtenances thereunto appertaining, as more particularly described in Exhibit A hereto.

"Qualified Project Costs" means the Project Costs (excluding issuance costs) incurred not earlier than the date 60 days prior to the Inducement Date which either constitute land or property of a character subject to the allowance for depreciation under Section 167 of the Code, or are chargeable to a capital account with respect to the Project for federal income tax and financial accounting purposes, or would be so chargeable either with a proper election by the Borrower or but for the proper election by the Borrower to deduct those amounts; provided, however, that only such portion of the interest accrued on the Note during the rehabilitation of the Project shall constitute Qualified Project Costs as bear the same ratio to all such interest or fees, as applicable, as the Qualified Project Costs bear to all Project Costs; and provided further that interest accruing on or after the Completion Date shall not be Qualified Project Costs; and provided finally that if any portion of the Project is being rehabilitated by the Borrower or an Affiliated Party (whether as a general contractor or a subcontractor), "Qualified Project Costs" shall include only (a) the actual out-of-pocket costs incurred by the Borrower or such Affiliated Party in rehabilitating the Project (or any portion thereof), (b) any reasonable fees for supervisory services actually rendered by the Borrower or such Affiliated Party (but excluding any profit component) and (c) any overhead expenses incurred by the Borrower or such Affiliated Party which are directly attributable to the work performed on the Project, and shall not include, for example, intercompany profits resulting from members of an affiliated group (within the meaning of Section 1504 of the Code) participating in the rehabilitation of the Project or payments received by such Affiliated Party due to early completion of the Project (or any portion thereof). Qualified Project Costs do not include Costs of Issuance. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute "Qualified Project Costs" unless, at the time Note proceeds are expended to pay such costs, the Borrower and the seller of such assets are not "related persons" as such term is defined in Section 147(a)(2)(A) of the Code.

“Qualified Project Period” means the period beginning on the first day on which 10% of the dwelling units in the Project are first occupied and ending on the latest of (a) the date which is 15 years after the date on which 50% of the dwelling units in the Project are first occupied, (b) the first date on which no tax-exempt private activity bond (as that phrase is used in Section 142(d)(2) of the Code) issued with respect to the Project is outstanding or (c) the date on which any assistance provided with respect to the Project under Section 8 of the Housing Act terminates. The CDLAC Conditions apply for a period which, in some cases, exceeds the Qualified Project Period.

“Qualified Rehabilitation Expenditures” means any amount properly chargeable to capital account which is incurred no earlier than 60 days prior to the Inducement Date by the person acquiring the building or property (or additions or improvements to property) or by the seller of the property under a sales contract between the Borrower and the seller of the Project to the Borrower in connection with the rehabilitation of a building. In the case of an integrated operation contained in a building before its acquisition, such term includes rehabilitating existing equipment in such building or replacing it with equipment having substantially the same function. *“Qualified Rehabilitation Expenditures”* do not include any amount which is incurred after the date two years after the later of the date on which the building was acquired by the Borrower or the date on which the Note was issued. *“Qualified Rehabilitation Expenditures”* do not include any expenditure described in Section 47(c)(2)(B) of the Code. All amounts constituting Qualified Rehabilitation Expenditures must be depreciated on a straight line basis over 27.5 years (unless otherwise provided in the Code).

“Regulations” means the Income Tax Regulations promulgated or proposed (if deemed appropriate in the opinion of Bond Counsel) by the Department of the Treasury pursuant to the Code from time to time.

“Rehabilitation Completion Certificate” means a written certification signed by an Authorized Representative of the Borrower confirming that prior to the date which is 24 months after the Closing Date, the Borrower has incurred Qualified Rehabilitation Expenditures with respect to the Project in an amount equal to or greater than 15% of the portion of the cost of acquiring the Project (exclusive of any acquisition costs attributable to land) financed with the Net Proceeds of the Note.

“Tax Certificate” means the Tax Certificate as to Arbitrage and the Provisions of Sections 103 and 141-150 of the Internal Revenue Code of 1986 dated the Closing Date, executed and delivered by the City and the Borrower, as amended, modified, supplemented or restated from time to time.

“Tax-exempt” means, with respect to interest on any obligations of a state or local government, including the Note, that such interest is excluded from gross income for federal income tax purposes (other than interest on the Note for any period during which the Note is held by a “substantial user” of any facility financed with the proceeds of the Note or a “related person,” as such terms are used in Section 147(a) of the Code); provided, however, that such interest may be includable as an item of tax preference or otherwise includable directly or indirectly for purposes of calculating other tax liabilities, including any alternative minimum tax or environmental tax, under the Code.

Unless the context clearly requires otherwise, as used in this Regulatory Agreement, words of the masculine, feminine or neuter gender shall be construed to include each other gender and words of the singular number shall be construed to include the plural number, and vice versa. This Regulatory Agreement and all the terms and provisions hereof shall be construed to effectuate the purposes set forth herein and to sustain the validity hereof.

The defined terms used in the preamble and recitals of this Regulatory Agreement have been included for convenience of reference only, and the meaning, construction and interpretation of all defined terms shall be determined by reference to this Section 1, notwithstanding any contrary definition in the preamble or recitals hereof. The titles and headings of the sections of this Regulatory Agreement have been inserted for convenience of reference only, and are not to be considered a part hereof and shall not in any way modify or restrict any of the terms or provisions hereof or be considered or given any effect in construing this Regulatory Agreement or any provisions hereof or in ascertaining intent, if any question of intent shall arise.

Section 2. Acquisition, Rehabilitation and Equipping of the Project. The Borrower hereby represents as of the date hereof, covenants and agrees with the City and the Fiscal Agent as follows:

(a) The Borrower has incurred, or will incur within six months after the Closing Date, a substantial binding obligation to commence the acquisition and rehabilitation of the Project, pursuant to which the Borrower is or will be obligated to expend at least 5% of the proceeds of the Loan financed from proceeds of the Note.

(b) The Borrower's reasonable expectations respecting the total cost of the acquisition and rehabilitation of the Project are accurately set forth in the Borrower Cost Certificate submitted to the City on the Closing Date.

(c) The Borrower has acquired the Project Site and will, within six months following the Note Closing Date, commence the rehabilitation of the Project and will proceed with due diligence to complete the same. Notwithstanding anything herein to the contrary, no Project Costs relating to the acquisition of the Project or any assets relating thereto (including, without limitation, rights and interests with respect to development of the Project) shall constitute "Qualified Project Costs" unless, at the time Note proceeds are expended to pay such costs, the Borrower and the seller of such assets are not "related persons" as such term is defined in Section 147(a)(2)(A) of the Code. The Borrower reasonably expects to complete the rehabilitation of the Project and to expend the full amount of the proceeds of the Loan for Project Costs prior to the date which is 24 months after the Closing Date.

(d) The Borrower agrees that the full amount of each disbursement of Note proceeds pursuant to the Funding Loan Agreement and the Borrower Loan Agreement will be applied to pay or to reimburse the Borrower for the payment of Project Costs and that, after taking into account each such disbursement, (i) the aggregate disbursements of Note proceeds will have been applied to pay or to reimburse the Borrower for the payment of Qualified Project Costs in an aggregate amount equal to 97% or more of the

aggregate disbursements of the Loan; provided, however, that if the Borrower provides the Fiscal Agent with an opinion of Bond Counsel to the effect that the Tax-exempt status of interest on the Note will not be adversely affected if less than the aforesaid percentage, but not less than 95%, is disbursed for such purpose, then the certificate may refer to such lesser percentage as may be specified by Bond Counsel; and (ii) less than 25% of the proceeds of the Loan expended relative to the Project Site will be disbursed to pay or to reimburse the Borrower for the cost of acquiring land or rights with respect to land relative to the Project Site (exclusive of the cost of acquiring improvements on such land).

(e) On the Completion Date of the Project, the Borrower will submit to the City and the Fiscal Agent a duly executed and completed Rehabilitation Completion Certificate as provided in Section 2(i) hereof.

(f) No proceeds of Note will be used to pay or reimburse any cost (i) incurred more than sixty days prior to the Inducement Date, or (ii) incurred more than three years prior to such payment or reimbursement. Any allocation of Note proceeds to the reimbursement of previously incurred costs shall be made not later than 18 months after the later of (i) the date the original expenditure was paid or (ii) the date the Project is placed in service or abandoned. The rehabilitation and equipping of the Project by the Borrower commenced less than 60 days prior to the Inducement Date, and as of 60 days prior to the Inducement Date (A) neither the Borrower nor any related person (as such phrase is used in Section 142(d)(2) of the Code) has made any expenditure in connection with the rehabilitation or equipping of the Project, (B) no on-site work has been commenced by the Borrower or any related person in connection with the rehabilitation of the Project, and (C) no off-site fabrication of any portion of the Project has been commenced by the Borrower or any related person. The Project consists, and shall at all times consist, of property which is land or is subject to the allowance for depreciation provided in Section 167 of the Code.

(g) The Borrower has or shall, prior to the date which is 24 months after the Closing Date, expend proceeds of the Note equal to not less than 15% of the amount of Note proceeds expended to acquire the Project (exclusive of any acquisition costs attributable to land) on Qualified Rehabilitation Expenditures which expenditures shall be confirmed in writing through a Rehabilitation Completion Certificate delivered to the City and the Fiscal Agent not later than 25 months after the Closing Date.

(h) The Borrower (and any Affiliated Party) will not take or omit to take, as is applicable, any action if such action or omission would in any way cause the proceeds from the Loan to be applied in a manner contrary to the requirements of this Regulatory Agreement, nor will it take or omit to take any such action if the Borrower (or any Affiliated Party) knows that such action or omission may cause the proceeds from the sale of the Note to be applied in a manner contrary to the Funding Loan Agreement, the Borrower Loan Agreement, the Law, the Act or the Code.

(i) The Borrower shall, on the Completion Date, evidence the Completion Date by providing a Rehabilitation Completion Certificate to the Fiscal Agent and the

City, signed by the Authorized Borrower Representative, stating the total cost of the Project and identifying the total acquisition cost (which shall specify the costs attributable to land and the costs attributable to buildings) and the total Qualified Project Costs and Qualified Rehabilitation Expenditures and further stating that (A) rehabilitation of the Project has been completed substantially in accordance with the plans, specifications and work orders therefor, and all labor, services, materials and supplies used in rehabilitation or construction have been paid for and (B) all other facilities necessary in connection with the Project have been acquired, constructed and installed substantially in accordance with the work write-up and work orders therefor and all costs and expenses incurred in connection therewith have been paid. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights of the Borrower against third parties for the payment of any amount not then due and payable which exist at the date of such certificate or which may subsequently exist.

(j) The foregoing certificate evidencing the Completion Date shall be delivered to the Fiscal Agent no later than the date 24 months from the Closing Date unless the Borrower delivers to the Fiscal Agent a certificate of the City consenting to an extension of such date, accompanied by an opinion of Bond Counsel to the effect that such extension will not result in interest on the Note being included in gross income for federal income tax purposes. The Borrower agrees to spend additional moneys for payment of any costs of the Project sufficient to reduce the portion of Note proceeds (A) spent on land by the Borrower relative to the Project Site to an amount that is less than 25% of the amount of Note proceeds spent by the Borrower relative to the Project Site for all purposes and (B) spent on costs of the Project paid or incurred by or on account of the Borrower or any Related Person on or after the date 60 days prior to the Inducement Date and chargeable to the capital account of the Project (or so chargeable either with a proper election by the Borrower to deduct such amounts, within the meaning of Treasury Regulation 1.103-8(a)(1)) so that the amount of Note proceeds expended on such costs of the Project are at least 97% of the amount of Note proceeds spent for all purposes related to the Project, except that, upon receipt by the Borrower, the Fiscal Agent and the City of an approving opinion of Bond Counsel, the percentage of such amounts so used may be 95%.

(k) No Bond proceeds shall be expended to acquire any structures other than buildings within the meaning of Section 147(d) of the Code.

Section 3. Residential Rental Property. The Borrower hereby acknowledges and agrees that the Project is to be owned, managed and operated as a “qualified residential rental project” (within the meaning of Section 142(d) of the Code) for a term equal to the Qualified Project Period. To that end, and for the Qualified Project Period, the Borrower hereby represents, covenants, warrants and agrees as follows:

(a) The Project Facilities will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project Facilities as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in

accordance with Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. For purposes of this Subsection 3(a), the term "functionally related and subordinate facilities" includes facilities for use by the tenants (for example, swimming pools, other recreational facilities and parking areas) and other facilities which are reasonably required for the Project, for example, heating and cooling equipment, trash disposal equipment and units for resident managers and maintenance personnel. Substantially all of the Project will contain such units and functionally related and subordinate facilities.

(b) All of the dwelling units in the Project will be similarly constructed units, and each Low Income Unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range and oven, a sink and a refrigerator.

(c) None of the dwelling units in the Project will at any time be utilized on a transient basis or will ever be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home or trailer court or park. Notwithstanding the foregoing, single-room occupancy units provided under Section 42(i)(3)(B)(iv) of the Code shall not be considered to be utilized on a transient basis.

(d) No part of the Project will at any time be owned by a cooperative housing corporation, nor shall the Borrower take any steps in connection with a conversion to such ownership or uses. Other than filing a condominium map and a final subdivision map on the Project and obtaining a Final Subdivision Public Report from the California Department of Real Estate, the Borrower shall not take any steps in connection with a conversion of the Project to condominium ownership during the Qualified Project Period.

(e) All of the dwelling units will be available for rental on a continuous basis to members of the general public, and the Borrower will not give preference to any particular class or group in renting the dwelling units in the Project, except to the extent that dwelling units are required to be leased or rented to Low Income Tenants and persons 55 years of age and older) and except as further provided in any regulatory agreement executed between the Borrower and a subordinate lender (including the City) in connection with the Project and except to the extent the Borrower gives preference to a class of persons permitted to be given preference pursuant to the Code, State law and other applicable federal law.

(f) The Project Site consists of a parcel or parcels that are contiguous except for the interposition of a road, street or stream, and all of the Project Facilities comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No dwelling unit in the Project shall be occupied by the Borrower; provided, however, that if the Project contains five or more dwelling units, this

subsection shall not be construed to prohibit occupancy of not more than one dwelling unit by one or more resident managers or maintenance personnel any of whom may be the Borrower.

(h) The Project shall be maintained in conformity with the habitability and fire codes of the City of Los Angeles.

(i) The Project shall be managed in a manner consistent with prudent property management standards and in compliance with all state and local laws, ordinances and regulations relating thereto.

(j) Should involuntary noncompliance with the provisions of Regulations Section 1.103-8(b) be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Borrower covenants that, within a "reasonable period" determined in accordance with the Regulations, and subject to the provisions of the Funding Loan Agreement and the Borrower Loan Agreement, it will either prepay the Loan or apply any proceeds received as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 142(d) of the Code and the Regulations.

Section 4. Low Income Tenants; Records and Reports. Pursuant to the requirements of the Code and the City, the Borrower hereby represents, warrants and covenants as follows:

(a) The Project will be developed for the purpose of providing multifamily residential rental property, and the Borrower will own, manage and operate the Project as a project to provide multifamily residential rental property comprising a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities in accordance with the Law and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time. Within 30 days after each of (i) the date on which 10% of the dwelling units in the Project are occupied and (ii) the date on which 50% of dwelling units in the Project are occupied, the Borrower shall execute and deliver to the City (with a copy to the Los Angeles Housing Department, Occupancy Monitoring Section, 1200 West Seventh Street, Los Angeles, CA 90017), the Governmental Lender Noteholder Representative and the Fiscal Agent a certificate identifying such dates and the beginning date and earliest ending date of the Qualified Project Period. The Borrower shall use its best efforts to record a copy of such certificates in the Office of the County Recorder of the County of Los Angeles, California.

(b) Commencing on the first day of the Qualified Project Period, Low Income Tenants shall occupy at least [40%] of all completed and occupied units in the Project (excluding units occupied by property managers) before any additional units are occupied by persons who are not Low Income Tenants; and for the Qualified Project Period no less than [40%] of the total number of completed units of the Project shall at all times be rented to and occupied by Low Income Tenants. For the purposes of this paragraph (b), a

vacant unit which was most recently occupied by a Low Income Tenant is treated as rented and occupied by a Low Income Tenant until reoccupied, other than for a temporary period of not more than 31 days, at which time the character of such unit shall be redetermined. In determining whether the requirements of this subsection (b) have been met, fractions of units shall be treated as entire units.

(c) No tenant qualifying as a Low Income Tenant shall be denied continued occupancy of a unit in the Project because, after admission, such tenant's Adjusted Income increases to exceed the qualifying limit for Low Income Tenants; provided, however, that should a Low Income Tenant's Adjusted Income, as of the most recent determination thereof, exceed 140% of the then applicable income limit for a Low Income Tenant of the same family size, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Low Income Tenant; and provided further that, until such next available unit is rented to a tenant who is not a Low Income Tenant, the former Low Income Tenant who has ceased to qualify as such shall be deemed to continue to be a Low Income Tenant for purposes of the [40%] requirement of paragraph (b) of this Section 4 (if applicable). If the Project consists of more than one building, this requirement shall apply on a building-by-building basis.

(d) The Borrower will obtain, complete and maintain on file Income Certifications from each Low Income Tenant, including (i) an Income Certification dated immediately prior to the initial occupancy of such Low Income Tenant in the Project and, in the case of tenants residing in the Project as of the date of acquisition thereof (if applicable), dated immediately prior to the disbursement of Note proceeds to fund acquisition and rehabilitation of the Project and (ii) thereafter, annual Income Certifications dated as of the anniversary date of each initial Income Certification. The Borrower will obtain such additional information as may be required in the future by the State of California, by the City and by Section 142(d) of the Code, as the same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures, Regulations or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations which are Tax-exempt under Section 142(d) of the Code. A copy of the most recent Income Certification for Low Income Tenants commencing or continuing occupation of a Low Income Unit (and not previously filed with the City) shall be attached to the Certificate of Continuing Program Compliance which is to be filed with the City no later than the fifteenth day of each month until such report indicates compliance with Section 4(b) and thereafter each January and July until the end of the Qualified Project Period. The Borrower shall make a good-faith effort to verify that the income information provided by an applicant in an Income Certification is accurate by obtaining the acceptable forms of verification enumerated in Chapter 3 of the most current, amended edition of HUD Handbook 4350.3, or such instruction by HUD that may supersede this handbook, and any additional documentation that the City shall deem relevant, such as the two most recent years' tax returns or other forms of independent verification satisfactory to the City.

(e) The Borrower will use its best efforts to maintain complete and accurate records pertaining to the Low Income Units, and will with reasonable notice permit any duly authorized representative of the City, the Fiscal Agent, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Borrower pertaining to the Project during regular business hours, including those records pertaining to the occupancy of the Low Income Units.

(f) The Borrower will prepare and submit to the City and the Fiscal Agent, no later than the fifteenth day of each month following the receipt by the Fiscal Agent of the Rehabilitation Completion Certificate to and including the month in which such report indicates that [40%] of the occupied units are occupied by Low Income Tenants, and thereafter no later than the fifteenth day of each January and July, until the end of the Qualified Project Period, a Certificate of Continuing Program Compliance executed by the Borrower stating (i) the percentage of the dwelling units of the Project which were occupied or deemed occupied, pursuant to paragraph (b) of this Section 4, by Low Income Tenants during such period; (ii) that either (A) no unremedied default has occurred under this Regulatory Agreement, or (B) a default has occurred, in which event the certificate shall describe the nature of the default in detail and set forth the measures being taken by the Borrower to remedy such default; and (iii) that, to the knowledge of the Borrower, no Determination of Taxability has occurred, or if a Determination of Taxability has occurred, setting forth all material facts relating thereto.

(g) On or before each February 15 during the Qualified Project Period, the Borrower will submit to the City a draft of the completed Internal Revenue Service Form 8703 or such other annual certification required by the Code to be submitted to the Secretary of the Treasury as to whether the Project continues to meet the requirements of Section 142(d) of the Code. On or before each March 31 during the Qualified Project Period the Borrower will submit such completed form to the Secretary of the Treasury, regardless of whether or not the City has responded to such draft.

(h) Subject to the requirements of any Section 8 Housing Assistance Payments Contract with respect to the Project, each lease or rental agreement pertaining to a Low Income Unit shall contain a provision to the effect that the Borrower has relied on the income certification and supporting information supplied by the Low Income Tenant in determining qualification for occupancy of the Low Income Unit and that any material misstatement in such certification (whether or not intentional) will be cause for immediate termination of such lease or rental agreement. Each such lease or rental agreement shall also provide that the tenant's income is subject to annual certification in accordance with Section 4(c) hereof and to recertification if the number of occupants in the units changes for any reason (other than the birth of a child to an occupant of such unit) and that if upon any such certification such tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, such tenant may cease to qualify as a Low Income Tenant, and such tenant's rent is subject to increase. Notwithstanding anything in this Section 4(h) to the contrary, such tenant's rent may be increased only pursuant to Section 7(l) hereof.

Section 5. Tax-exempt Status of the Note. The Borrower and the City make the following representations, warranties and agreements for the benefit of the holder of the Note from time to time:

(a) The Borrower and the City will not knowingly take or permit actions within their control, or omit to take or cause to be taken, as is appropriate, any action that would adversely affect the Tax-exempt nature of the interest on the Note and, if either should take or permit, or omit to take or cause to be taken, any such action, it will take all lawful actions necessary to rescind or correct such actions or omissions promptly upon obtaining knowledge thereof, provided that the Borrower shall not have violated these covenants if the interest on the Note becomes taxable to a person solely because such person is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code.

(b) The Borrower and the City will take such action or actions as may be necessary, in the written opinion of Bond Counsel filed with the City and the Fiscal Agent, with a copy to the Borrower, to comply fully with all applicable rules, rulings, policies, procedures, Regulations or other official statements promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service pertaining to obligations the interest on which is Tax-exempt under Section 142(d) of the Code.

(c) The Borrower and the City will file or record such documents and take such other steps as are necessary, in the written opinion of Bond Counsel filed with the City and the Fiscal Agent, with a copy to the Borrower, in order to insure that the requirements and restrictions of this Regulatory Agreement will be binding upon all owners of the Project, including, but not limited to, the execution and recordation of this Regulatory Agreement in the real property records of the County of Los Angeles.

(d) The Borrower will not knowingly enter into any agreements which would result in the payment of principal or interest on the Note being "federally guaranteed" within the meaning of Section 149(b) of the Code.

(e) Subject to Section 14 hereof, the Borrower hereby covenants to include the requirements and restrictions contained in this Regulatory Agreement in any documents transferring any interest in the Project prior to the expiration of the Qualified Project Period to another person to the end that such transferee has notice of, and is bound by, such restrictions, and to obtain the agreement from any transferee to abide by all requirements and restrictions of this Regulatory Agreement; provided, however, that so long as any former Borrower has no remaining interest in the Project, such former Borrower shall have no obligation to monitor such transferee's compliance with such restrictions, and such former Borrower shall incur liability if such transferee fails to comply with such restrictions only in proportion to its then remaining interest.

(f) The Borrower and any related person (as defined in Section 147(a)(2) of the Code) thereto shall not acquire the Note in an amount related to the amount of the Loan.

Section 6. Additional Requirements of the Act. In addition to the requirements set forth in Sections 2 through 5, and without limiting any additional requirements in Section 7, during the Qualified Project Period, the Borrower and the City hereby agree to comply with each of the requirements of the Act, and, without limiting the foregoing, the Borrower hereby specifically agrees to comply with each of the requirements set forth in this Section 6, as follows:

(a) As provided in Section 52097.5 of the Act, not less than [40%] of the total number of units in the Project shall be reserved for occupancy by tenants whose adjusted gross income does not exceed [60%] of the median adjusted gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act.

(b) The rents paid by the tenant for the units reserved pursuant to paragraph (a) of this Section (excluding any supplemental rental assistance from the State, the federal government, or any other public agency to those occupants or on behalf of those units) shall not exceed the amount derived by multiplying 30% times [60%] of the median adjusted gross income for the Area, adjusted for family size, as determined pursuant to Section 8 of the Housing Act, assuming a family of one person in the case of a studio unit, two persons in the case of a one-bedroom unit, three persons in the case of a two-bedroom unit, four persons in the case of a three-bedroom unit, and five persons in the case of a four-bedroom unit.

(c) During the Qualified Project Period the Borrower shall file Certificates of Continuing Program Compliance in the form and at the time required by Sections 4(d) and (f) hereof that shall contain sufficient information to allow the City to file any annual report required by the Act or pursuant to California Government Code Section 8855.5.

(d) No portion of the Note shall be used to finance the acquisition, construction, rehabilitation, refinancing or development of commercial property for lease.

(e) The Borrower shall not apply selection criteria to certificate holders under Section 8 of the United States Housing Act of 1937, as amended, that are more burdensome than the criteria applied to all other perspective tenants.

(f) Following the expiration or termination of the Qualified Project Period with respect to the Project, except in the event of foreclosure and redemption of the Note, deed in lieu of foreclosure, eminent domain or action of a federal agency preventing enforcement, units required to be reserved for occupancy pursuant hereto shall remain available to any eligible household occupying a reserved unit at the date of expiration or termination, at a rent not greater than the amount set forth in (b) above, until the earliest of any of the following occur:

(i) The household's income exceeds 140% of the maximum eligible income specified herein;

(ii) The household voluntarily moves or is evicted for "good cause." "Good cause" for the purposes of this Section, means the nonpayment of rent or allegation of facts necessary to prove major, or repeated minor, violations of material provisions of the occupancy agreement which detrimentally affect the

health and safety of other persons or the structure, the fiscal integrity of the development, or the purposes or special programs of the development;

(iii) Thirty (30) years after the date of the commencement of the Qualified Project Period relative to the Project; and

(iv) The Borrower pays the relocation assistance and benefits to tenants as provided in subdivision (b) of Section 7264 of the California Government Code.

(g) During the three years prior to expiration of the Qualified Project Period, the Borrower shall continue to make available to Low Income Tenants reserved units that have been vacated to the same extent that nonreserved units are made available to tenants other than Low Income Tenants.

Notwithstanding Section 1461 of the California Civil Code, the provisions hereof shall run with the land and may be enforced either in law or in equity by any resident, local agency, entity or any other person adversely affected by the Borrower's failure to comply with this Regulatory Agreement.

Section 7. Additional Requirements of CDLAC and the City. In addition to, and not in derogation of, the requirements set forth in the preceding and following sections of this Regulatory Agreement, each of which is hereby incorporated in this Section as a specific requirement of CDLAC and the City, whether or not required by California or federal law, the Borrower represents, warrants, covenants and agrees as follows:

(a) The Borrower shall promptly provide to the City such information with respect to the Project or the Note as the City shall from time to time request. The Borrower shall provide written notice to the City of receipt of a certificate of occupancy or other official authorization to occupy the Project immediately upon receipt.

(b) The Low Income Units shall be of comparable quality to all other units in the Project, shall be dispersed throughout the Project, and shall offer a range of size and number of bedrooms comparable to those units which are available to other tenants; and Low Income Tenants shall have access to and enjoyment of all common areas and facilities of the Project on the same basis as tenants of other units.

(c) The Borrower agrees that it will not discriminate in the rental of units or in its employment practices against any employee or applicant for employment because of the applicant's race, religion, national origin, ancestry, sex, age (except restrictions upon occupancy of units to tenants 55 years of age and older), sexual orientation, disability, marital status, domestic partner status or medical condition. All contracts entered into by the Borrower which relate to the Project shall contain a like provision. The Borrower shall comply with the provisions of Sections 10.8.2 and 10.8.4 of the Administrative Code of the City, the provisions of which are hereby incorporated by reference.

(d) The Borrower shall comply with the conditions set forth in Exhibit A to CDLAC Resolution No. 12-008, adopted on January 18, 2012 (the "CDLAC

Conditions”), as they may be modified or amended from time to time, which conditions are incorporated herein by reference and made a part hereof and are attached hereto as part of Exhibit G. Following completion of the rehabilitation of the Project, the Borrower will prepare and submit to CDLAC, not later than each anniversary of the Closing Date, until the end of the Qualified Project Period, a Certificate of CDLAC Program Compliance, in substantially the form attached hereto as Exhibit E, executed by an Authorized Borrower Representative. The City and the Fiscal Agent shall have no obligation to monitor the Borrower’s compliance with the CDLAC Conditions. Notwithstanding anything to the contrary herein, the provisions of this Section 7(d) shall remain effective for the period specified in the CDLAC Conditions, unless this Regulatory Agreement shall terminate as otherwise provided in Section 14 hereof.

(e) For the Qualified Project Period, the Borrower will comply with the provisions of the Unruh Civil Rights Act, including, without limitation, Sections 51.2 and 51.3 of the California Civil Code, as amended, and Sections 45.50 et seq. of the Los Angeles Municipal Code, as amended.

(f) The lease to be utilized by the Borrower in renting any residential units in the Project to Low Income Tenants shall provide for termination of the lease and consent by such person to immediate eviction, subject to applicable provisions of California law, for any tenant who fails to qualify as a Low Income Tenant and who has made a material misrepresentation on the Income Certification as to such tenant’s qualification as a Low Income Tenant. All such leases shall contain clauses, among others, wherein each individual lessee (i) certifies the accuracy of the statements made in the Income Certification and (ii) agrees that the family income, family composition and other eligibility requirements shall be deemed substantial and material obligations of his tenancy; that he will comply promptly with all requests for information with respect thereto from the Borrower or the City; and that his failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of his tenancy and shall be a default thereunder. Additionally, such lease shall contain provisions informing any tenant of the possibility of rental payment increases in accordance with the terms of this Regulatory Agreement.

(g) All Income Certifications will be maintained on file at the Project or, with the prior written consent of the City, at the principal place of business of the Borrower or the property manager of the Project, so long as this Regulatory Agreement is in effect and for five years thereafter with respect to each Low Income Tenant who occupied a residential unit in the Project during the Qualified Project Period.

(h) The Borrower will accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or its successor. The Borrower shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants.

(i) The Borrower shall submit to the City (i) at the times specified in Sections 4(d) and (f) herein, a Certificate of Continuing Program Compliance, which shall include the information called for therein, including occupancy records for all units in the Project, and (ii) within 15 days after receipt of a written request, any other information or completed forms requested by the City, in each case, in order to comply with reporting requirements of the Internal Revenue Service or the State of California, including, without limitation, information necessary for the City to file any periodic report, or any other information concerning the Project as the City may reasonably request.

(j) All workers performing construction work for the Project employed by the Borrower or by any contractor or subcontractor shall be compensated in an amount no less than the greater of (i) general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations, (ii) any applicable minimum wage requirements imposed by the laws of the State of California and (iii) the "Living Wage" as determined by the policies and procedures of the City of Los Angeles. The Borrower shall comply with all reporting and recordkeeping requirements of the applicable prevailing wage statutes and regulations. The City shall have the right to appoint a third-party consultant to monitor compliance with this requirement, and the Borrower shall pay the fees and expenses of such consultant. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such consultant, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such consultant as an agent of the City.

(k) The City may, at its option and at its expense, at any time appoint an administrator to administer this Regulatory Agreement and to monitor performance by the Borrower of the terms, provisions and requirements hereof. Following any such appointment, the Borrower shall comply with any request by the City to deliver to such administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and upon reasonable notice to the Borrower to make the Project and the books and records with respect thereto available for inspection during regular business hours by such administrator as an agent of the City.

(l) If upon the annual certification or recertification required in Section 4(d) a tenant's Adjusted Income exceeds 140% of the then applicable income limit for a Low Income Tenant of the same family size, all rental limits herein previously applicable to the unit occupied for such tenant shall continue to apply until the next available unit is rented to a tenant who is a Low Income Tenant.

(m) There are three points in time when the Borrower is required to give written notice to all tenants of Low Income Units:

(i) Upon initial move-in/lease execution, Borrower shall give written notice to all tenants of Low Income Units, of the duration of the rent restrictions

under this Regulatory Agreement. Borrower must maintain, in its files, a copy of each notice containing each tenant's signed acknowledgement of the notice required hereunder. The notice shall, at the least, contain language that the rent restrictions under this Regulatory Agreement shall be for a term equal to the later of the expiration of: (a) the Qualified Project Period; or (b) the CDLAC Conditions. Upon termination of the rent restriction period under this Regulatory Agreement, rents may be set at a market rates unless otherwise restricted by some other legal, regulatory, or contractual requirement.

(ii) Twelve months prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels. The Borrower must also give written notice pursuant to California Government Code Section 65863.10, to the Mayor of the City of Los Angeles, the Housing Authority of the City of Los Angeles and the Los Angeles Department of Housing and Community Development.

(iii) Ninety days prior to the termination of the rent restriction period under this Regulatory Agreement, Borrower must again give written notice to its tenants of the termination of the restrictions on the Low Income Units before their rents may be raised to market rent levels.

(n) The Borrower shall pay to the City its initial and ongoing fees with respect to the issuance of the Note. The Borrower shall pay the City an initial fee immediately upon issuance of the Note equal to \$[38,750] (.25% of the maximum principal amount of the Note issuable under the Funding Loan Agreement (\$[15,500,000])). In addition, the Borrower shall pay to the City, semiannually in arrears (on the first day of each [] and [] commencing [] 1, 2012, for the period from the date of issuance of the Note through the later of: the end of the Qualified Project Period; or termination of the CDLAC Conditions, prorated for the initial and any subsequent partial period), a semiannual amount equal to one-half of 0.125% of: (A) during the period from the Dated Date to the Conversion Date, the maximum principal amount of the Note issuable under the Funding Loan Agreement (\$[15,500,000]); and (B) following the Conversion Date, the principal amount of the Note Outstanding under the Funding Loan Agreement immediately after the Conversion Date, with a minimum semiannual amount of \$1,250 or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Note from gross income for federal income tax purposes. Throughout the term of this Agreement, the City or Fiscal Agent, as applicable, shall provide an invoice to the Borrower at least 30 days prior to the due date of each such payment (and if applicable, a copy of which shall be provided to the City) and shall collect such payments from the Borrower and immediately remit such funds to the City. In the event of any prepayment of the Note in whole, prior to the end of the later of: (i) the end of the Qualified Project Period; or (ii) or termination of the CDLAC Conditions, the Borrower shall, at its election, either: (A) pay to the City, on or before such payment, an amount equal to the present value of the remaining City fees payable hereunder, as calculated by the City, using a discount rate equal to the yield on the United States treasury security maturing on the date nearest the end of the later of: (1) the Qualified

Project Period; or (2) the termination of the CDLAC Conditions, on the date of prepayment, or such lesser amount as shall be necessary in the opinion of Bond Counsel to preserve the exemption of interest on the Note from gross income for federal income tax purposes or (B) pay direction to the City of an annual basis, in arrears on each [September] 1, the accrued fee described above. The Borrower shall not be required to pay the fee described in the preceding sentence if the Note is prepaid in whole under circumstances which permit termination of this Regulatory Agreement pursuant to Section 14 hereof.

(o) The Borrower shall pay to the City a processing fee equal to: the greater of \$5,000 or 0.125% of: (i) prior to the Conversion Date, the maximum principal amount of the Note issuable under the Funding Loan Agreement; and (ii) following the Conversion Date, the principal amount of the Note Outstanding under the Funding Loan Agreement immediately after the Conversion Date, plus any expenses incurred by the City, including, without limitation, bond counsel, city attorney or issuer attorney and financial advisor fees, as a condition to the consideration and receipt of any consent, approval, amendment, transfer or waiver requested of the City with respect to the Project, the Project Site or the Note. The City shall provide an invoice directly to the Borrower for such amounts.

(p) The Borrower shall pay the City its then-current fees in connection with any consent, approval, transfer, amendment or waiver requested of the City, together with any expenses incurred by the City in connection therewith.

(q) The Fiscal Agent shall report to the City in writing semiannually, within 10 days of each [March] 1 and [September] 1, the principal amount of the Note outstanding as of such [March] 1 or [September] 1, as appropriate.

(r) The Borrower shall promptly provide the City such information with respect to the Project or the Note as the City shall from time to time request.

(s) The Borrower shall include the City as an additional insured on all liability insurance policies relating to the Borrower or the Project.

Any of the foregoing requirements of the City (except (d) above, which may be expressly waived by CDLAC) may be expressly waived by the City in writing in the City's sole discretion, but (i) no waiver by the City of any requirement of this Section 7 shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement, including particularly but without limitation the provisions of Sections 2 through 6 hereof, except to the extent the City has received an opinion of Bond Counsel that any such provision is not required by the Act or the Law and may be waived without adversely affecting the exclusion from gross income of interest on the Note for federal income tax purposes; and (ii) any requirement of this Section 7 shall be void and of no force and effect if the City and the Borrower receive a written opinion of Bond Counsel to the effect that compliance with any such requirement would cause interest on the Note to become includable in gross income for federal income tax purposes, if such opinion is accompanied by a copy of a ruling from the Internal Revenue Service to the same effect, or to the effect that compliance with such requirement would be in conflict with the Act or the Law.

Section 8. Modification of Covenants. The Borrower, the Fiscal Agent and the City hereby agree as follows:

(a) To the extent any amendments to the Law, the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Fiscal Agent and the Borrower, (with a copy to the Governmental Lender Noteholder Representative) impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement in order to maintain the Tax-exempt status of interest on the Note, this Regulatory Agreement shall be deemed to be automatically amended, without the consent or approval of any other person, to impose such additional or more restrictive requirements. The parties hereto hereby agree to execute such amendment hereto as shall be necessary to document such automatic amendment hereof.

(b) To the extent that the Law, the Act, the Regulations or the Code, or any amendments thereto, shall, in the written opinion of Bond Counsel filed with the City, the Fiscal Agent and the Borrower (with a copy to the Governmental Lender Noteholder Representative), impose requirements upon the ownership or operation of the Project less restrictive than imposed by this Regulatory Agreement, this Regulatory Agreement may be amended or modified to provide such less restrictive requirements but only by written amendment signed by the City, the Fiscal Agent and the Borrower and approved by the written opinion of Bond Counsel to the effect that such amendment is permitted by the Law and the Act and will not affect the Tax-exempt status of interest on the Note. The City shall be under no obligation to agree to any such amendment, it being understood that each of the requirements of this Regulatory Agreement is a specific requirement of the City, whether or not required by California or federal law.

(c) The Borrower, the City and, if applicable, the Fiscal Agent shall execute, deliver and, if applicable, file or record any and all documents and instruments necessary to effectuate the intent of this Section 8, and the City hereby appoints the Fiscal Agent as its true and lawful attorney-in-fact to execute, deliver and, if applicable, file or record on behalf of the City, as is applicable, any such document or instrument (in such form as may be approved in writing by Bond Counsel) if the City defaults in the performance of its obligations under this subsection (c); provided, however, that unless directed in writing by the City, the Fiscal Agent shall take no action under this subsection (c) without first notifying the City and without first providing the City an opportunity to comply with the requirements of this Section 8. Nothing in this Section 8(c) shall be construed to allow the Fiscal Agent to execute an amendment to this Regulatory Agreement on behalf of the City.

Section 9. Indemnification. The Borrower shall defend, indemnify and hold harmless the City and the Fiscal Agent and the respective officers, members, supervisors, directors, officials and employees, counsel, attorneys and agents, past present and future of each of them (collectively, the "Indemnified Parties") against all loss, costs, damages, expenses, suits, judgments, actions and liabilities of whatever nature (including, without limitation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments) directly or indirectly resulting from or arising out of or related to (a) the design, construction, installation, operation, use, occupancy, maintenance, financing or

ownership of the Project (including compliance with laws, ordinances and rules and regulations of public authorities relating thereto), (b) any written statements or representations with respect to the Borrower, the Project or the Note made or given to the City or the Fiscal Agent, or any underwriters or purchaser of the Note, or any tenants or applicants for tenancy in the Project or any other person, by the Borrower, or any Authorized Borrower Representative, including, but not limited to, statements or representations of facts, financial information or limited partnership affairs, (c) the Note or the tax-exempt status of interest on the Note or (d) arising out of the failure or alleged failure of any person or entity (including Borrower, its contractor or subcontractors) to pay the general prevailing rate of per diem wages as determined pursuant to Labor Code Sections 1770-1781 and implementing regulations of the Department of Industrial Relations in connection with the construction of the improvements or any other work undertaken or in connection with the Project or (e) any actual or alleged violation of any Hazardous Materials Law or with respect to the presence of Hazardous Materials on or under the Project or in any of improvements or on or under any property of the Borrower that is adjacent to the Project (whether before or after the date of this Agreement and whether or not Borrower knew of the same); provided, however, that this provision shall not require the Borrower to indemnify the Indemnified Parties from any claims, costs, fees, expenses or liabilities arising from the fraud or willful misconduct or, in the case of the Fiscal Agent, the negligence of the Indemnified Parties. The Borrower also shall pay and discharge and shall indemnify and hold harmless the City and the Fiscal Agent from (i) any lien or charge upon payments by the Borrower to the City and the Fiscal Agent hereunder or under the Note Documents and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges are sought to be imposed, the City or the Fiscal Agent shall give prompt notice to the Borrower and the Borrower shall, as provided in the following paragraph, have the right to assume the defense thereof, with full power to litigate, compromise or settle the same in its sole discretion, provided that the City and the Fiscal Agent shall have the right to review and approve or disapprove any such compromise or settlement. In addition thereto, the Borrower will pay upon demand all of the reasonable fees and expenses paid or incurred by the Fiscal Agent and/or the City in enforcing the provisions hereof against the Borrower. The Borrower shall also pay the City its standard fees and reimburse the City for its expenses in connection with any consent, approval, amendment, waiver or other action taken at the request or for the benefit of the Borrower in connection with this Regulatory Agreement, the Note or any other document or agreement relating thereto. In the event of any audit or inquiry regarding the Note or the Project from any governmental entity, the Borrower shall, at the election of the City, be responsible for responding to and resolving such audit or inquiry at the expense of the Borrower.

Promptly after receipt by any party entitled to indemnification under this Section 9 of notice of the commencement of any suit, action or proceeding, such Indemnified Party shall, if a claim in respect thereof is to be made against the indemnifying party under this Section 9, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any Indemnified Party otherwise than under this Section 9 or from any liability under this Section 9 unless the failure to provide notice prejudices the defense of such suit, action or proceeding. In case any such action is brought against any Indemnified Party, and it notifies the indemnifying party, the indemnifying party shall be entitled to participate in, and to the extent that it may elect by written

notice delivered to the Indemnified Party promptly after receiving the aforesaid notice from such Indemnified Party (but shall not be required) to assume, the defense thereof, with counsel reasonably satisfactory to such Indemnified Party; provided, however, if the defendants in any such action include both the Indemnified Party and the indemnifying party and the Indemnified Party shall have reasonably concluded that there are legal defenses available to it and/or other Indemnified Parties which are different from or additional to those available to the indemnifying party, the Indemnified Party or parties shall have the right to select separate counsel to assert such legal defenses and otherwise to participate in the defense of such action on behalf of such Indemnified Party or parties. Upon receipt of notice from the indemnifying party to such Indemnified Party of its election so to assume the defense of such action and approval by the Indemnified Party of counsel, the indemnifying party shall not be liable to such Indemnified Party under this Section 9 for any attorneys' fees or expenses subsequently incurred by such Indemnified Party for the engagement of separate counsel in connection with defense thereof unless (i) the Indemnified Party shall have employed separate counsel in connection with the assertion of legal defenses in accordance with the proviso to the next preceding sentence, or (ii) the indemnifying party shall not have employed counsel reasonably satisfactory to the Indemnified Party to represent the Indemnified Party or shall not have employed such counsel within a reasonable time after notice of commencement of the action or (iii) the indemnifying party has authorized the employment of separate counsel to represent the Indemnified Party at the expense of the indemnifying party. Notwithstanding the foregoing, the Fiscal Agent shall not be indemnified for income tax, franchise tax or similar tax liability relating to the Fiscal Agent's own income and operations.

Section 10. Consideration. The City has issued the Note to provide funds to finance the Project, all for the purpose, among others, of inducing the Borrower to acquire and rehabilitate the Project. In consideration of the issuance of the Note by the City, the Borrower has entered into this Regulatory Agreement and has agreed to restrict the uses to which this Project can be put on the terms and conditions set forth herein.

Section 11. Reliance. The City and the Borrower hereby recognize and agree that the representations and covenants set forth herein may be relied upon by all persons interested in the legality and validity of the Note and in the exemption from federal income taxation and California personal income taxation of the interest on the Note. In performing their duties and obligations hereunder, the City and the Fiscal Agent may rely upon statements and certificates of the Low Income Tenants and upon audits of the books and records of the Borrower pertaining to the Project. In addition, the City and the Fiscal Agent may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City or the Fiscal Agent hereunder in good faith and in conformity with such opinion. In determining whether any default or lack of compliance by the Borrower exists under this Regulatory Agreement, the Fiscal Agent may, but shall not be required to, conduct any investigation into or review of the operations or records of the Borrower and may rely solely on any written notice or certificate delivered to the Fiscal Agent by the Borrower or the City with respect to the occurrence or absence of a default unless it knows that the notice or certificate is erroneous or misleading.

Section 12. Project in the City. The Borrower hereby represents and warrants that the Project will be located entirely within the City.

Section 13. Sale or Transfer of the Project; Equity Interests. The Borrower hereby covenants and agrees not to voluntarily (which term shall not be interpreted to include a foreclosure of any security for the Loan, the granting by the Borrower of a deed-in-lieu of foreclosure, or any other comparable conversion of the Loan) sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder), equity interests in the Borrower aggregating more than 50% of the equity interest in the Borrower, or any general partner interests in the Borrower, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld by the City and shall be given by the City if (a) the Borrower is not in default hereunder or under the Borrower Loan Agreement; (b) the purchaser or assignee is not in default under any obligations it may have to the City and is not the subject of any legal or enforcement actions by the City, and the purchaser or assignee certifies that the continued operation of the Project will comply with the provisions of this Regulatory Agreement; (c) evidence reasonably satisfactory to the City is presented to establish that the purchaser or assignee is willing to comply and capable of complying with the terms and conditions of this Regulatory Agreement; (d) either (i) evidence satisfactory to the City is presented to establish that the purchaser or assignee has at least three years' experience in the ownership, operation and management of rental housing projects, without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects or (ii) the purchaser or assignee agrees to retain a property management firm which the City determines has the experience and record described in subclause (i) above or (iii) the City determines that it has no reason to believe that the purchaser or assignee is incapable, financially or otherwise, of complying with, or may be unwilling to comply with, the terms of all agreements binding on such purchaser or assignee and relating to the Project; (e) the City and the Fiscal Agent shall have received (i) with respect to any transfer of the Project, reasonable evidence satisfactory to the City that the Borrower's purchaser or transferee has assumed in writing and in full, the Borrower's duties and obligations under this Regulatory Agreement and the Borrower Loan Agreement, (ii) with respect to any transfer of the Project to a new Borrower, an opinion of counsel to the transferee that the transferee has duly assumed the obligations of the Borrower under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) unless waived by the City, an opinion of Bond Counsel that such transfer will not adversely affect the Tax-exempt nature of the interest on the Note, (iv) from the Borrower, a Certificate of Continuing Program Compliance (and a "bring-down" certificate, if necessary) current as of the date of transfer and (v) evidence satisfactory to the City that the purchaser or assignee does not have pending against it, nor does it have a history of, building or fire code violations as identified by City, the State of California or federal regulatory agencies; (f) the purchaser or assignee files with the City an affirmative action plan and other affirmative action documents required by the City, each acceptable to the City; (g) the Borrower or transferee pays all costs of the transfer of title, including, but not limited to, the cost of meeting the conditions specified in this Section 13; and (h) such other conditions are met as the City may reasonably impose to assure compliance by the Project with the requirements of this Regulatory Agreement. It is hereby expressly stipulated and agreed that, except for any such sale, transfer or disposition agreed to by the City in a separate writing, any sale, transfer or other disposition of the Project in violation of this Section 13 shall be null, void and without effect, shall cause a reversion of title to the Borrower, and shall be ineffective to relieve the Borrower of its obligations under this Regulatory Agreement. Upon any sale or other transfer which complies with this Regulatory Agreement, the

Borrower shall be fully released from its obligations hereunder, but only to the extent such obligations have been assumed by the transferee of the Project, without the necessity of further documentation. Any transfer of the Project to any entity, whether or not affiliated with the Borrower, shall be subject to the provisions of this Section 13.

Notwithstanding the foregoing, if the Fiscal Agent acquires title to the Project by foreclosure or deed in lieu of foreclosure, no consent of the City shall be required to such transfer under this Regulatory Agreement and no other conditions shall be required to be satisfied. However, if the Fiscal Agent acquires title to the Project by foreclosure or deed in lieu of foreclosure and this Regulatory Agreement has not been terminated pursuant to Section 14 below, consent of the City and delivery of items (a) through (h) above shall be required for any transfer of the Project subsequent to the Fiscal Agent's acquisition of the Property by foreclosure or deed in lieu of foreclosure.

Notwithstanding anything to the contrary contained herein, the respective interests of Borrower's limited partners shall, with prior written notice to the City, be transferable under this Regulatory Agreement to any affiliate of the limited partners of Borrower, without the consent of the City and/or Fiscal Agent but with prior written notice thereto. In addition to the above requirements, the Borrower shall obtain the consent of CDLAC to any transfer of the Project in the manner and to the extent as may at the time be required by CDLAC.

Section 14. Term. This Regulatory Agreement and all and each of the provisions hereof shall become effective upon its execution and delivery, and shall remain in full force and effect for the periods provided herein and, except as otherwise provided in this Section 14 shall terminate in its entirety at the end of the Qualified Project Period (or in the case of Section 7(d) hereof at the times set forth in CDLAC Resolution No. 12- 008), it being expressly agreed and understood that the provisions hereof are intended to survive the retirement of the Note, discharge of the Loan and termination of the Funding Loan Agreement and the Borrower Loan Agreement.

Notwithstanding the foregoing, the provisions of Section 9 hereof shall, in the case of the Fiscal Agent, survive the term of this Regulatory Agreement or the replacement of the Fiscal Agent, but only as to claims arising from events occurring during the term of this Regulatory Agreement or the Fiscal Agent's tenure as Fiscal Agent under the Funding Loan Agreement, and shall, in the case of the City, survive the term of this Regulatory Agreement, but only as to claims arising from events occurring during the term of this Regulatory Agreement.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement and all the requirements set forth herein (except Section 9 as aforesaid) shall terminate and be of no further force and effect in the event of (a) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date which prevents the City or the Fiscal Agent from enforcing the provisions hereof, or (b) condemnation, foreclosure, delivery of a deed in lieu of foreclosure or a similar event, but only if, within a reasonable period thereafter, either the portion of the Note attributable to the affected portion of the Project is retired or amounts received as a consequence of such event are used to provide a project which meets the requirements of the Code set forth in Sections 2 through 6 of this Regulatory Agreement and

provided that, in either case, an opinion of Bond Counsel (unless waived by the City) is delivered to the Fiscal Agent to the effect that the exclusion from gross income for federal income tax purposes of interest on the Note will not be adversely affected thereby. The provisions of the preceding sentence shall cease to apply and the requirements referred to therein shall be reinstated if, at any time during the Qualified Project Period after the termination of such requirements as a result of involuntary noncompliance due to foreclosure, transfer of title by deed in lieu of foreclosure or similar event, the Borrower or any related person (within the meaning of Section 147(a)(2) of the Code) obtains an ownership interest in the Project for tax purposes. The Borrower hereby agrees that, following any foreclosure, transfer of title by deed in lieu of foreclosure or similar event, neither the Borrower nor any related person as described above will obtain an ownership interest in the Project for tax purposes.

Upon the termination of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

Section 15. Covenants To Run With the Land. The Borrower hereby subjects the Project (including the Project Site) to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Borrower hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Borrower's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. The City and, if necessary, the Fiscal Agent, agree to execute a quitclaim deed or other documents required to remove this Regulatory Agreement from title after the covenants, agreements and restrictions herein have expired. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments.

No breach of any of the provisions of this Regulatory Agreement shall impair, defeat or render invalid the lien of any security instrument, deed of trust or like encumbrance made in good faith and for value encumbering the Project or any portion thereof.

Section 16. Burden and Benefit. The City and the Borrower hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Borrower's legal interest in the Project is rendered less valuable thereby. The City and the Borrower hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Note was issued. Notwithstanding the foregoing or any other provision of this Regulatory Agreement, no person, other than the parties hereto, shall have any rights of enforcement of this Regulatory Agreement.

Section 17. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Project Site.

Section 18. Default; Enforcement. If the Borrower defaults in the performance or observance of any covenant, agreement or obligation of the Borrower set forth in this Regulatory Agreement, and if such default remains uncured for a period of 60 days after notice thereof shall have been given by the City to the Borrower, then the City shall declare an "Event of Default" to have occurred hereunder; provided, however, that if the default stated in the notice is of such a nature that it cannot be corrected within 60 days, such default shall not constitute an Event of Default hereunder so long as (i) the Borrower institutes corrective action within said 60 days and diligently pursues such action until the default is corrected and (ii) in the opinion of Bond Counsel, the failure to cure said default within 60 days will not adversely affect the Tax-exempt status of interest on the Note. The Fiscal Agent hereby consents to any correction of the default by the City on behalf of the Borrower. The City hereby consents to any correction of a default on the part of the Borrower hereunder made by the Borrower's limited partners on behalf of the Borrower within the time periods provided in this Section. Copies of any notices sent to the Borrower hereunder shall simultaneously be sent to Borrower's limited partners at the address set forth in Section 23.

Following the declaration of an Event of Default hereunder, the Fiscal Agent, as directed by the City and subject to the provisions of the Funding Loan Agreement relative to the Fiscal Agent's duty to exercise remedies generally, or the City may, at its option, take any one or more of the following steps:

- (a) by mandamus or other suit, action or proceeding at law or in equity, including injunctive relief, require the Borrower to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City or the Fiscal Agent hereunder;
- (b) have access to and inspect, examine and make copies of all of the books and records of the Borrower pertaining to the Project; and
- (c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Borrower hereunder.

During the Qualified Project Period, the Borrower hereby grants to the City the option, upon either (a) the expiration of 60 days after the giving of the notice to the Borrower referred to in the first paragraph of this Section 18 of the Borrower's default under this Regulatory Agreement or (b) the vacancy of a Low Income Unit for more than six months and the submission by the City to the Borrower during such six-month or longer period of at least five proposed tenants which meet the qualifications of Low Income Tenants and the qualifications of a reasonable landlord, to lease up to [40%] of the units in the Project for a rental of \$1.00 per unit per year for the sole purpose of subleasing such units to Low Income Tenants for a period of not less than six months, but only to the extent necessary to comply with the provisions of Sections 2 through 7 of this Regulatory Agreement and to insure full occupancy of the Low Income Units.

The option granted in the preceding sentence shall be effective only if the Borrower or the Fiscal Agent has not instituted corrective action before the end of such 60-day period referenced in (a) above, or the Borrower has not rented the unit during the six-month or longer period referenced in (b) above, to a qualified Low Income Tenant. The option and any leases to the City under this provision shall terminate with respect to each default upon the achievement, by the Borrower, the Fiscal Agent or the City, of compliance with the requirements of Section 2 through 7 hereof, and any subleases entered into pursuant to the City's option shall be deemed to be leases from the Borrower. The City shall make diligent effort, but shall not be required, to rent Low Income Units to Low Income Tenants at the highest rents practicable, subject to the limits of Sections 5, 6 and 7 hereof. Any rental paid under any such sublease shall be paid to the Borrower after the City has been reimbursed for any reasonable expenses incurred in connection with such sublease, provided that, if the Borrower is in default under the Borrower Loan Agreement, such rental shall be paid to the Fiscal Agent for credit against payments due under the Borrower Loan Agreement. The Fiscal Agent shall have the right, as directed by the City, in accordance with this Section 18 and the provisions of the Funding Loan Agreement, to exercise any or all of the rights or remedies of the City hereunder, provided that prior to taking any such action the Fiscal Agent shall give the City written notice of its intended action. All reasonable fees, costs and expenses of the City and the Fiscal Agent incurred in taking any action pursuant to this Section 18 shall be the sole responsibility of the Borrower.

After the Funding Loan Agreement has been discharged, the City may act on its own behalf to declare an "Event of Default" to have occurred and to take any one or more of the steps specified hereinabove to the same extent and with the same effect as if taken by the Fiscal Agent.

The obligations of the Borrower hereunder are not secured by a lien on the Project and the Loan shall not be accelerated as a result of any default hereunder. The Borrower hereby agrees that specific enforcement of the Borrower's agreements contained herein is the only means by which the City may obtain the benefits of such agreements made by the Borrower herein and the Borrower therefore agrees to the imposition of the remedy of specific performance against it in the case of any default by the Borrower hereunder.

The occurrence of a Determination of Taxability shall not, in and of itself, constitute a default hereunder.

Section 19. The Fiscal Agent. The Fiscal Agent shall act as specifically provided herein and in the Funding Loan Agreement. The Fiscal Agent is entering into this Regulatory Agreement solely in its capacity as fiscal agent under the Funding Loan Agreement, and the duties, powers, rights and liabilities of the Fiscal Agent in acting hereunder shall be subject to the provisions of the Funding Loan Agreement.

The City shall be responsible for the monitoring and verifying of compliance by the Borrower with the terms of this Regulatory Agreement. The Fiscal Agent may at all times assume compliance with this Regulatory Agreement unless otherwise notified in writing by the City, or unless it has actual knowledge of noncompliance.

After the date on which no principal of the Note remains outstanding as provided in the Funding Loan Agreement, the Fiscal Agent shall no longer have any duties or responsibilities

under this Regulatory Agreement and all references to the Fiscal Agent in this Regulatory Agreement shall be deemed references to the City.

Section 20. Recording and Filing. The Borrower shall cause this Regulatory Agreement, and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the County of Los Angeles and in such other places as the City or the Fiscal Agent may reasonably request. The Borrower shall pay all fees and charges incurred in connection with any such recording. This Regulatory Agreement shall be recorded in the grantor-grantee index to the name of the Borrower as grantor and the City as grantee.

Section 21. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California. The Fiscal Agent's rights, duties and obligations hereunder are governed in their entirety by the terms and provisions of the Funding Loan Agreement.

Section 22. Amendments. This Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the real property records of the County of Los Angeles, California, and only upon receipt by the City of an opinion from Bond Counsel that such amendment will not adversely affect the Tax-exempt status of interest on the Note and is not contrary to the provisions of the Law or the Act and with the written consent of the Fiscal Agent.

The City, the Fiscal Agent and the Borrower hereby agree to amend this Regulatory Agreement to the extent required, in the opinion of Bond Counsel (subject to the approval of the City Attorney of the City), in order that interest on the Note remain Tax-exempt. The party or parties requesting such amendment shall notify the other parties to this Regulatory Agreement of the proposed amendment, with a copy of such requested amendment to Bond Counsel and the City Attorney of the City and a request that such Bond Counsel render to the City an opinion as to the effect of such proposed amendment upon the Tax-exempt status of interest on the Note.

Section 23. Notices. Any of the foregoing parties may, by notice given hereunder, designate any further or different addresses to which subsequent notices, certificates, documents or other communications shall be sent.

Section 24. Severability. If any provision of this Regulatory Agreement or if the applicability of any such provision shall be invalid, illegal or unenforceable, the validity, legality, enforceability, or the applicability with respect to the validity, legality and enforceability, of the remaining portions hereof shall not in any way be affected or impaired thereby.

Section 25. Multiple Counterparts. This Regulatory Agreement may be simultaneously executed in multiple counterparts, all of which shall constitute one and the same instrument, and each of which shall be deemed to be an original.

Section 26. Nondiscrimination and Affirmative Action. The Fiscal Agent and the Borrower shall comply with the applicable nondiscrimination and affirmative action provisions of the laws of the United States of America, the State of California, and the City. Fiscal Agent

and the Borrower shall not discriminate in their employment practices against any employee or applicant for employment because of such person's race, color, religion, national origin, ancestry, sexual orientation, age, physical handicap, mental disability, marital status, domestic partner status, medical condition, citizenship, and political affiliation or belief. The Fiscal Agent and the Borrower shall comply with the provisions of the Los Angeles Administrative Code §10.8 through 10.13, to the extent applicable hereto. The affirmative action programs of the Fiscal Agent and the Borrower shall include the mandatory contract provisions set forth in the Los Angeles Administrative Code §10.8.4, and said provisions are incorporated herein by this reference. The Fiscal Agent and the Borrower shall also comply with all rules, regulations, and policies of the Office of Contract Compliance of the Department of Public Works, relating to nondiscrimination and affirmative action, including the filing of all forms required by said office. Any subcontract entered into by the Fiscal Agent and the Borrower relating to this Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph.

Section 27. Business Tax Registration Certificate. Subject to any exemption available to it, the Fiscal Agent and Borrower each represent that it will obtain and hold the Business Tax Registration Certificate(s) required by the City's Business Tax Ordinance (Article 1, Chapter 2, Section 21.00 and following, of the Los Angeles Municipal Code). For the term covered by this Regulatory Agreement, the Fiscal Agent and the Borrower shall maintain, or obtain as necessary, all such Business Tax Registration Certificates required of it under said Ordinance and shall not allow any such Business Tax Registration Certificate to be revoked or suspended.

Section 28. Financial Obligations Personal to Borrower. The City acknowledges that the Project shall be encumbered by the Note Documents. Notwithstanding any provisions of this Regulatory Agreement to the contrary, all obligations of the Borrower under this Regulatory Agreement for the payment of money and all claims for damages against the Borrower occasioned by breach or alleged breach by the Borrower of its obligations under this Regulatory Agreement, including indemnification obligations, shall not be a lien on the Project and no Person shall have the right to enforce such obligations other than directly against the Borrower as provided in Section 18 of this Regulatory Agreement, except that the City shall have the right at all times to enforce the rights contained in the third paragraph of Section 18 hereof. No subsequent owner of the Project shall be liable or obligated for the breach or default of any obligations of the Borrower under this Regulatory Agreement on the part of any prior Borrower, including, but not limited to, any payment or indemnification obligation. Such obligations are personal to the Person who was the Borrower at the time the default or breach was alleged to have occurred and such Person shall remain liable for any and all damages occasioned thereby even after such Person ceases to be the Borrower. Each Borrower shall comply with and be fully liable for all obligations of an "owner" hereunder during its period of ownership.

Section 29. Third-party Beneficiaries. The CDLAC is intended to be and is a third-party beneficiary of this Regulatory Agreement, and the CDLAC shall have the right (but not the obligation) to enforce, separately or jointly with the City and/or the Fiscal Agent or to cause the City or the Fiscal Agent to enforce, the provisions of Section 7(d) of this Regulatory Agreement and to pursue an action for specific performance of such provisions or other available remedy at law or in equity in accordance with Section 18 hereof, provided that any such action or remedy shall not materially adversely affect the interests and rights of the Noteholder and shall

otherwise be subject to the terms, conditions and limitations applicable to the enforcement of remedies under this Regulatory Agreement.

Section 30. Child Support Assignment Orders. This Regulatory Agreement is subject to Section 10.10 of the Los Angeles Administrative Code, Child Support Assignment Orders Ordinance. Pursuant to this Ordinance, each of the Borrower and the Fiscal Agent certifies that it will (a) fully comply with all State and Federal employment reporting requirements applicable to Child Support Assignment Orders; (b) that the principal owner(s) of the Borrower are in compliance with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally; (c) fully comply with all lawfully served Wage and Earnings Assignment Orders and Notices of Assignment in accordance with California Family Code Section 5230 et seq.; and (d) maintain such compliance throughout the term of this Regulatory Agreement. Pursuant to Section 10.10.b of the Los Angeles Administrative Code, failure of the Borrower or the Fiscal Agent to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment Orders and Notices of Assignment or the failure of any principal owner(s) of the Borrower or the Fiscal Agent to comply with any Wage and Earnings Assignment Orders and Notices of Assignment applicable to them personally shall constitute a default by the Borrower or the Fiscal Agent, as appropriate, under the terms of this Regulatory Agreement, subjecting (i) the Borrower to the remedies provided herein and (ii) the Fiscal Agent to termination under the Funding Loan Agreement where, in either case, such failure shall continue for more than ninety (90) days after notice of such failure to the Borrower or the Fiscal Agent by the City. Any subcontract entered into by the Borrower or the Fiscal Agent relating to this Regulatory Agreement, to the extent allowed hereunder, shall be subject to the provisions of this paragraph and shall incorporate the provisions of the Child Support Assignment Orders Ordinance. Failure of the Borrower or the Fiscal Agent to obtain compliance of its subcontractors shall constitute a default by the Borrower or the Fiscal Agent, as appropriate, under the terms of this Regulatory Agreement, subjecting (A) the Borrower to the remedies provided herein and (B) the Fiscal Agent to termination under the Funding Loan Agreement where such failure shall continue for more than ninety (90) days after notice of such failure to the Borrower or the Fiscal Agent by the City.

The Borrower and the Fiscal Agent shall comply with the Child Support Compliance Act of 1998 of the State of California Employment Development Department. The Borrower and the Fiscal Agent each assures that to the best of its knowledge it is fully complying with the earnings assignment orders of all employees, and is providing the names of all new employees to the New Hire Registry maintained by the Employment Development Department as set forth in subdivision (1) of the Public Contract Code Section 7110.

Section 31. Americans with Disabilities Act. The Borrower and the Fiscal Agent each hereby certifies that it will comply with the Americans with Disabilities Act 42, U.S.C. 12101 et seq., and its implementing regulations and the American Disabilities Act Amendments Act (ADAAA) Pub. L. 110-325 and all subsequent amendments (the "ADA"). The Borrower and the Fiscal Agent each will provide reasonable accommodations to allow qualified individuals with disabilities to have access to and to participate in its programs, services and activities in accordance with the provisions of the ADA.
