I'm very disappointed in the matter of Motion 11-2057 and hearing it for the first time on facebook yesterday knowing there is a meeting at City Hall today at 1:00pm. I don't want to see my community divided. I am a long time resident and have always known this area some call Rose Hill as a part of El Sereno. Our Lady of Guadalupe Church is in this area of El Sereno that some want to see renamed. Most of El Sereno's residents who attend this parish have never been asked about this renaming or signs. I have not been asked, and I go to church weekly. It is sad to think that a few residents have so little community pride and think that renaming part of our community will make things better. If they put their effort into helping the community instead of wanting to put up Rose Hill signs or this renaming nonsense, El Sereno would benefit much more. Please don't let this division happen to El Sereno. Also my Parish is named Our Lady of Rose Hill not Rose Hills.

Please add my email to Motion 11-2057.

Thank you,
Veronica Calderon
