SUMMARY

At its regular meeting held on December 12, 2012, the Housing, Community and Economic Development (HCED) Committee considered a CLA report dated May 25, 2012 relative to oversight of the Housing Authority of the City of Los Angeles (HACLA) by the Council, pursuant to Council Action of October 23, 2009 as initiated by Motion (Perry – Garcetti) (Council File [CF] No. [09-1731](#)) and Council action of February 7, 2012 as initiated by Motion (Perry – Garcetti – Zine) (CF No. 09-1731-S1), and pursuant to Motion (Alarcón – Huizar) (CF No. 11-2105).

The Committee moved to request that HACLA report to the HCED Committee on a quarterly basis and also on an ad hoc as requested by the Committee, particularly on issues that are identified for discussion by the Committee. Furthermore, the Committee Chair noted that it is always within the authority of the Council to bring up items and make stricter requirements in the future if it chooses to do so. Additionally, the Committee recommended to receive and file the CLA report.

However, the Councilmember from Council District 9 stated that it is important to have a systematic approach to HACLA oversight, then voted against the recommendation to request HACLA to report to HCED Committee on a quarterly and ad hoc basis and the recommendation to receive and file the CLA report dated May 25, 2012, and stated her intention to submit a Minority Report to instead approve the recommendations in the CLA report. This Minority Report is for information purposes unless it is adopted by a motion to be substituted for the majority report.

This minority report is now submitted to Council for its consideration.

Respectfully submitted,

COUNCILMEMBER JAN PERRY, MEMBER
HOUSING, COMMUNITY AND ECONOMIC DEVELOPMENT COMMITTEE
