**Comments for Public Posting:** Our family supports the following recommendations for Angus Street: continuous sidewalk, stripe edge line, restrict right turn from Moreno Dr. onto Angus St. south, and making one-way westbound between Moreno Dr. and Kenilworth Ave. These are good ideas because they will make the road safer for pedestrians and drivers. The street is too narrow for two-way traffic and parked cars. Drivers are driving too fast and carelessly. I have seen and been in too many close calls, so we are afraid to let our son walk home from Marshall High. He must walk up Angus from Griffith Park Blvd. This causes us to worry about his safety.
