Dear Councilmember Bonin and Transportation Committee members,

Please see the attached comment letter addressing Councilmember Ryu's motion regarding Rowena Avenue, Waverly Drive, Angus Street, and a CD4-commissioned cut-through traffic study.

Los Angeles Walks supports the many CD4 residents who have recently submitted letters to the committee on this matter. We trust that the City will retain evidence-based safety measures and look forward to additional pedestrian safety projects in the area.

Thank you for your consideration.

Sincerely,  
Emilia
