MOTION

The Street Furniture Revenue Fund provides funds for transit related projects, sidewalk projects, curb / sidewalk improvements, beautification projects needed to improve conditions for public transit patrons, and all expenses relating or incidental thereto, as well as on general services to the community in each Council District.

There is a need for additional funding to repair a concrete alley west of Larchmont Boulevard, north of 1<sup>st</sup> Street. The alley is unsafe for pedestrians as well as for vehicles because of the severe damage of the concrete. This effort is of special benefit for the residents of the City and for Council District 4 and deserves financial assistance from the City.

Sufficient funds are available in the Council District 4 portion of the Street Furniture Revenue Fund for this purpose.

I THEREFORE MOVE that the Council, subject to the approval of the Mayor:

1. Authorize the Controller to transfer and appropriate \$62,571 from the Council District 4 portion of Street Furniture Revenue Fund No. 43D, to the Department of Public Works, Bureau of Street Services (BSS) Fund No. 100, Department 86, various accounts as follows for the Larchmont Alley Project for Council District 4:

Account No.	Account Name	Amount
001010	Salaries, General	\$34,000
003030	Construction Expense	12,000
003040	Contractual Services	11,000
006020	Operating Supplies	<u>5,571</u>
	Total	\$62,571

2. Authorize the Director of Bureau of Street Services, or designee, to make any technical corrections or clarification as necessary to the above instructions in order to effectuate the intent of this Motion.
