Summary:

At a meeting held on October 11, 2017, the Housing Committee considered reports from the CAO and the HCIDLA relative to requesting approval of recommendations related to the selection of developers for affordable housing projects; and various actions related to the disposition and development of City-owned properties. During the discussion of this item, a representative from the CAO indicated that there is a technical correction to Recommendation 2a. of their report. The contract term should be from January 21, 2018 through January 20, 2019. Representatives from the HCIDLA then provided additional background information on the matter and responded to related questions from the Committee members.

After providing an opportunity for public comment, the Committee recommended that Council approve the above recommendations, as amended in Committee to reflect the technical correction to Recommendation 2a. This matter is now submitted to Council for its consideration.
